DIRECTORS' AND TRUSTEES' REPORT (Continued)

ORGANISATIONAL STRUCTURE & DECISION MAKING

The Trustees meet three times per year and communicate via telephone conferences and via email to oversee the management of the charity at other times. There are meetings between the Board and staff every 6 weeks to provide operational overview. The Senior Management Team comprises the Clinical Director, Executive Director and Membership Lead. Day to day operations are delegated to the Executive Director who works with the project team and reports to the trustees at Board meetings and liaises and communicates on a regular basis with the Chair of Trustees and individual Trustees as necessary. ADDICTION PROFESSIONALS LTD
DIRECTORS' AND TRUSTEES' REPORT (Continued)

RESERVES

The policy of the Trustees is to maintain a minimum balance of approximately 3 months' operating costs. This policy has been achieved for the year ended 31st January 2025.

PUBLIC BENEFIT

The charity's work by definition is of considerable benefit to the public.

GOING CONCERN

Given the above and having considered a period of at least 12 months from the date the financial statements were signed, the Trustees are confident that the Charity will continue as a going concern and the accounts have therefore been prepared on this basis.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The charity trustees (who are also the directors of Addiction Professionals Ltd for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

AUDIT

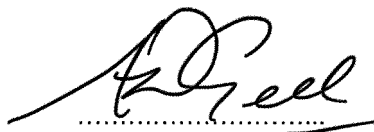

The trustees consider that the charity is entitled to exemption from the requirement to have an audit under the provisions of Section 477 Companies Act 2006 and confirm that no notice has been received under section 476 from members requiring an audit. The trustees also consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Annual report 24-25

Message from our Chair of Trustees

It has been a truly amazing year for Addiction professionals. We continue to go from strength to strength in terms of membership, activities, conferences and initiatives linked to developing the skills and competencies of all those professionals working in the addictions field.

The board has worked incredibly hard to ensure that this has happened and I would particularly like to thank Kate and the rest of the Board for the energy, enthusiasm and dynamism they have injected into the organisation. This would not happen without our membership however, and that is indeed where our strength lies and is our "raison d'être" - the whole point of our existence.

Please take a look at our annual report and see for yourself what progress has been made and the significant difference we hope to have contributed to the field. I look forward to us continuing in this vein for the coming years and hope that we remain part of this renewed renaissance of the field (with very special thanks to Dame Carole Black)

Andre Geel

Message from our Executive Director

The need to support people with addictions is has never been more obvious, with the number of alcohol and drug deaths increasing in the UK. The public is also becoming more aware of issues related to behavioural addictions including gambling and gaming, and the negative effect this can have on people, their loved-ones and their communities. With this in mind, we strive to have a workforce in both the public and private sector which is able to meet the needs of people with addictions. There is good evidence to show that a range of approaches can support people with addictions into recovery.

We have been involved in a range of activities to support the addictions sector over the last year, from supporting groups of professionals interested in advancing knowledge and skills, to working at a national level on policy and guidelines. Our joint conference with the Royal College of General Practitioners was held in Manchester in January, and was a busy and exciting event as usual. We continue to advance our work with accreditation with people across the sector.
