STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document and Constitution

The Mucking Charitable Trust was registered as a Charity with the Charity Commission for England & Wales on 8 December 2011 (charity no. 1144986). It is governed by its trust deed.

Governance

The charity operates a governance policy, its main provisions being based on "Charity Governance Code for Smaller Charities" published by the Charity Commission in July 2017.

Appointment and Induction of Trustees

The role and responsibilities of trustees, together with the process of recruitment and induction, are covered in the Governance documents (see above). A matrix of Trustees' interests and skills is regularly reviewed.

Immediately after the end of the financial year to which this document refers, on 16 January 2023, the Trustees appointed Fraser Massey as Trustee and Cllr Shane Hebb resigned.

Internal Controls

The systems of internal control are designed to provide reasonable, but not absolute assurance against misstatement and loss. They include:

- * an annual budget approved by the board
- * quarterly reports and reference to a web portal provided by the investment managers
- * annual review of investment performance with investment managers
- * identification of and management of risks

On this basis trustees regularly review and manage risks faced by the charity.

THE MUCKING CHARITABLE TRUST

TRUSTEES' ANNUAL REPORT

YEAR ENDED 31 DECEMBER 2022

OBJECTIVES AND ACTIVITIES

The object of the charity

* Is the promotion for the benefit of the public the protection, improvement and maintenance of the environment, primarily but not exclusively through the management and maintenance of the area known as Thurrock Thameside Nature Park in the unitary authority of Thurrock including part of the restored landfill site at Mucking and any additional land that is contiguous with this area.

* to advance the education of the public in the protection, improvement and maintenance of the environment, the principles and practices of conserving biodiversity, the advancement of ecological quality and the principles and practices of sustainable development, primarily but not exclusively through the management and maintenance of the Nature Park, in particular, but not exclusively through the provision of grants.

The trustees are mindful of the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

The trust aims to distribute grants of at least £100,000 per annum for a period of 99 years increasing by up to 2.5% compound per annum, subject to market fluctuations.

The financial objective of the trust is to generate sufficient and sustainable return on investments and to maintain capital protection to enable the trust to fulfil its grant distribution target.

RESERVES POLICY

The Trustees invested the sum transferred to the Trust at the time of taking ownership of the endowment in 2011. Since then, as was the case in 2022, the capital fund has been managed by Cazenove Capital Management. The Trust draws down investment income from the capital fund to cover the minimal costs of its operations and grants paid across to the Thameside Nature Park Limited (TNP). The Trustees policy is to ensure that no part of the capital fund is drawn down unnecessarily but should be left as financial reserves in perpetuity. The policy also requires that the total return on the portfolio achieved by the investment managers is, as far as possible, sufficient to pay the annual grants and preserve the net present value of the investment portfolio, which otherwise could be depleted by inflation.

ACHIEVEMENTS AND PERFORMANCE

The trustees are satisfied with the return on the charity's investments, which would have enabled the charity to meet its objectives and to provide the targeted grants during the year to 31 December 2022.

The trustees have agreed on a formal investment policy for the charity, a copy of which has been provided to the investment managers, Cazenove Capital Management.

FINANCIAL REVIEW

The trustees are satisfied with the financial performance for the year to 31 December 2022, taking in to account the economic crunch during the period.

Grants are distributed according to the requirements of the Thurrock Thameside Nature Park and the performance of the stock markets, so may vary from year to year but, under normal circumstances, the trustees will seek to maintain their average of at least £100k per annum plus compounded interest. The market value of investments held decreased during the year by £496,537 (2021: increased by £173,790).

THE MUCKING CHARITABLE TRUST

TRUSTEES' ANNUAL REPORT

YEAR ENDED 31 DECEMBER 2022

The trustees are aware that market values can go down as well as up and the impact that this could have on the ability to make the targeted distributions in future years.

The trustees continue to maintain a close watch on the value of the investments, with the assistance of Cazenove Capital Management, and review the charity's investment policy accordingly. Trustees receive a quarterly report from Cazenove on the performance of the investments and also have access via a private web portal to the Cazenove database, which enables them to monitor the performance at any point during the year.

PLANS FOR FUTURE PERIODS

The trustees will continue with the investment policy established with the guidance of Cazenove Capital Management and are confident that this will enable the charity to meet its grant making targets.

The trustees have entered into previous discussions with the directors of Thameside Nature Park Limited (TNP) about the possible transfer of the balance of the assets owned by the charity at a date in the future. The trustees have taken legal advice concerning the possible transfer throughout the process but in view of the perceived lack of enthusiasm for the transfer to take place on the part of the TNP board it was decided to put the question of any potential merger on hold. This item remains on the agenda by the Trustees for ongoing consideration.

In conjunction with the decision to cease negotiations, the trustees also decided to amend the construct of the trustee board and appoint Brachers Trust Corporation Limited as a trustee to act as chair of the Trust going forward. The new arrangements became effective from 1 January 2021.
