Structure, governance and management

Description of the charity's trusts

Type of governing document SORP 1.25	The organisation is a charitable company limited by guarantee, incorporated on 23/2/2011 and as a registered charity on 9/12/2011
---	---

How the charity is constituted SORP 1.25	The company was established under a Memorandum and Articles which established the objects, powers and governance of the charitable company.
--	---

Trustee selection methods SORP 1.25	Annually elected at AGM each year
-------------------------------------	-----------------------------------

Additional governance issues

The Charity is administrated by the trustees who meet at least three times per year to discuss policies and ways of implementing the purposes of the constitution. And to ensure that the requirements of the Charity Commission and HMRC are being met.
Minimum number of Committee members is 5 and the maximum 12, together with up to a further 3 co-opted members.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document and the activities undertaken for the public benefit in relation to these objects SORP Ref 1.17, 1.19 and 1.18

The objects of the Pre-School are to enhance the development and education of children primarily under statutory school age by encouraging parents to understand and provide for the needs of their children through community groups. The Pre-School offers appropriate play, education and care facilities and training courses, together with the right of parents to take responsibility for and to become involved in the activities of such groups. They offer opportunities for all children whatever their race, culture, religion, means or ability. They encourage the study of the needs of such children and their families and promote public interest in the recognition of such needs. They instigate and adhere to and furthering the aims and objects of the Pre-School Learning Alliance.

The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Section D Achievements and performance

Summary of the main achievements of the charity during the year SORP Ref 1.20, 1.21, 1.22

During the year the charity had a total income of £90417 (2022-£94559) and total expenditure of £92851 (2022-£89586) leaving a loss for the year of (£2434) (2022 gain £7973). At the balance sheet date the charity's reserves had fallen to a total accumulated unrestricted funds of £10114 which is estimated at 11% of Annual expenditure. This would allow the Charity to continue for 1 month if funding stopped. The trustees are of the opinion that this will provide adequate resources to fulfil the obligations of the charity but aim to increase this to 6 month's over the next five years.

Section E Financial review

Brief statement of the charity's policy on reserves SORP Ref 1.22

The Trustees aim to maintain reserves to allow for 6 month's trading if grants ceased

Details of any funds materially in deficit SORP 1.24

None

Section F Declaration

The trustees declare that they have approved the trustees' report above.

The company has taken advantage of the small companies' exemption in preparing the report above

Respective responsibilities of trustees and examiner The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions give by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent examiner's
statement**

In connection with my examination, no matter has come to my attention to indicate that:

- accounting records have not been kept in accordance with section 386 of the Companies Act 2006;
- the accounts do not accord with such records:
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.

Note 2**Accounting policies**

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

2.2 INCOME

Recognition of incoming resources	<p>These are included in the Statement of Financial Activities (SoFA) when:</p> <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.
Grants and donations	<p>Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).</p> <p>In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).</p>
Legacies	Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.
Government grants	The charity has received government grants in the reporting period
Tax reclaims on donations and gifts	<p>Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.</p>
Year End 31st October 2023	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.
Donated goods	<p>Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.</p> <p>The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.</p> <p>Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.</p> <p>Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.</p> <p>Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.</p>
Donated services and facilities	<p>Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.</p> <p>Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.</p>
Support costs	The charity has incurred expenditure on support costs.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.
Income from membership subscriptions	<p>Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.</p> <p>Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.</p>
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	<p>Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.</p> <p>Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.</p>
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.4 ASSETS

Tangible fixed assets for use by charity	<p>These are capitalised if they can be used for more than one year, and cost at least</p> <p>They are valued at cost.</p> <p>The depreciation rates and methods used are disclosed in note 14.</p>
Intangible fixed assets	<p>The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15.</p> <p>They are valued at cost.</p>
Heritage assets	<p>The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 16.</p> <p>They are valued at cost.</p>
Investments	<p>Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.</p> <p>Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments</p>

Stocks and work in progress	<p>Stocks held for sale as part of non-charitable trade are measured at the lower of cost or net realisable value.</p> <p>Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.</p> <p>Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.</p>
Debtors	<p>Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.</p>
Current asset investments	<p>The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity of less than one year held for investment purposes rather than to meet short-term cash commitments as they fall due.</p> <p>They are valued at fair value except where they qualify as basic financial instruments.</p>
