Charity registration number: 1145090

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	NSCR's main objective is to promote humane behaviour towards all animals by providing appropriate care, protection, treatment and security, demonstrated by providing sanctuary for cats in need of care and attention through sickness, maltreatment, ill-usage or abandonment, and educate the Public regarding animal welfare in general and prevention of cruelty and suffering among animals.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Charity Commission's guidance is always taken into consideration in the planning of our activities for the year. Our main activities undertaken for the Public Benefit are: • The rescue of abandoned and stray cats and kittens and to assist with neutering and spaying in order to help limit the number of unwanted cats. • To capture, neuter and advise on feral cats. • To emphasise the benefits of neutering, vaccination, flea control and worming of all cats. • To educate the public on a variety of topics such as homing FIV animals and neutering. • To re-home to suitable, caring homes, after carrying out home and/or veterinary checks and assessment. We encourage people, over the age of

		16, to join our team of volunteers. All are made welcome regardless of personal background, faith, gender or personal circumstances. This helps: • To develop their self-confidence, social and practical skills • To experience working within a team. To care for animals • To help with their own pets in various ways. Younger children, accompanied by a parent, are also made very welcome and they learn to handle animals with care and consideration by being encouraged to handle the cats and kittens under supervision. We also welcome people who are unable to keep a pet at home, to come and handle our cats. The animals benefit from the attention whilst awaiting their new, forever homes.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	All trustees have been given the guidance and have confirmed they understand the guidance issued.

Additional information (optional)

	SORP reference	
Policy on grant making	Para 1.38	
Policy on social investment including program related investment	Para 1.38	
Contribution made by volunteers	Para 1.38	Our volunteers and fosterers are vital to the success of our charity. Our coordinator is skilled at getting the very best from each volunteer and will spot their differing strengths. There is a core group who are

		involved in the day to day feeding, cleaning and general care of the cats, overarched by a group of experienced volunteers who concentrate on the welfare & health of each animal. There is an assigned welfare supervisor for each day to ensure all felines in our care are healthy. There are volunteers whose strengths lie in the more administrative side of the charity - media, answering telephones and messages on line and there is another group who dedicate their time to fundraising - manning stalls and promotional events around the area. They are all given advice and training by our very experienced Coordinator and officers, who are always on call. There is another group of volunteers who are responsible for the homing of the cats. Within this we have undertaking home checks, educated the public on the introduction and care of the cat they bring home and the paper work when homing the cats and kittens. We also have a group of volunteers who operate our social media - Facebook, Twitter and Instagram. Here we are able to promote our rehoming service and continue to educate the public across the whole country on key topics such as the importance of spaying and neutering, FIV cats etc Another group of volunteers are part of our fundraising team. They often work alongside our social media teams to launch fundraisers and drum up support. Our previously developed transport team continues to work with strength. This team is made up of volunteers who are able to collect cats from outside our regular locations as we build relationships with rescues further afield. They are made aware of the objectives and aims in relation to the benefits to the public in accordance with the Charity Commission's Guidelines.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Our Charity continues to thrive, rescuing and rehoming unwanted /abandoned cats and kittens. COVID-19 has forced us to adapt our rehoming, however, we have increased our homing figures from last year and are now at 60 - 80 per month. We have worked particularly hard to develop our Health and Safety practices; we regularly assess our health and safety and give reminders/ make changes as and when necessary. Trustees have continued to hold meetings to ensure the safety of volunteers is 1. In line with government guidance and 2. Allowed the cats and kittens to have constant, high quality care. We are still ensuring there is reduced numbers of people allowed on site at any one time, maintaining several hand sanitizing stations and signage, ensured masks are worn (unless exempt) and maintained social distancing measures. All of this has been done to ensure the safety of our volunteers and the public are maintained whilst also ensuring the welfare of the cats remains at our usual high standards. We are constantly working at improving our administration and communication throughout the Charity. There are co-ordinators for each part of the charity e.g Homing officer, foster co-ordinator etc. This has allowed us to rescue and home cats effectively and efficiently.

		Care is taken with the induction of new volunteers so that any reservations or problems are covered; helping them feel confident in the knowledge of what is expected and also not to be afraid to ask for any advice or help. We have also been part of the Duke of Edinburgh scheme. The co-Ordinator for this inducts the D of E students and promptly completes their reviews. These students have been able to develop a range of personal skills along with effectively working in cat rescue. However, since March 2020 we have removed our D of E volunteers to ensure their safety amid COVID-19 and have sustained this throughout this year. Our fundraising has continued to evolve this year as we have not been able to hold as many events. We have focussed more of our efforts in to social media campaigns such as 'Donate £1 day', a monthly lottery and pleas as and when we have had emergency cases. The welfare of each animal continues, all cats are homed after being vet checked, vaccinated, flead and wormed with 4 weeks free PetPlan insurance. We have been holding ring-fenced legacy funds for a permanent premise which we have been successful with finding this year. Contracts are yet to be exchanged though we are confident this will go through and next year we will be able to move to a premise we own outright which will give a more secure and purpose-built centre. This year we established a new policy to microchip all cats and kittens that come in to our care (unless already chipped). We have chosen to do this to minimise the chances of lost animals not being returned to their home with the appropriate owner. We have also worked alongside our partner vets to amend our spay and neuter policy. We are now spay and neutering from 5 months rather than 6 months. In doing this, we hope to continue to take all precautions against unwanted pregnancies,
--	--	--

		reducing the chances of spreading FIV etc
--	--	---

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity is in a comfortable financial situation. We have homed more cats than last year which has improved our income though we are still being cautious. We continue to operate as we always have done; our expenses are consistently met e.g vet bills are paid promptly. We continue to be committed to our fund raising and grant applications in order to continue
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Our policy is to hold reserves to cover a period of six months. We hold a physical cash reserve at the bank of £525, 749. £250,00 is legacy money and is ring-fenced; this money is only to be allocated to the purchase of property to be used as a rescue centre. The remainder of these funds are held in order to meet any unforeseen expenditure that may occur.
Amount of reserves held	Para 1.22	£525, 749
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	COVID -19 has continued to be an uncertainty. We have homed more cats than last year which has improved our income though we are still being cautious with our reserves and COVID policies.

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	A lot of work goes into raising the funds necessary to provide the needs of our felines whilst in our care - veterinary, food and cat litter are our greatest expense. We have many supporters who donate money, food and bedding. Some of the other pet charities in our area also support us when possible e.g. Cheltenham Animal Shelter and Teckles in Gloucester. The charity also actively applies for grants we are eligible for which often is used to support the payment of the

Note 1 Basis of preparation

This section should be completed by all charities.

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention and at fair value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with the Statutory Requirements for Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard for Charities in the United Kingdom and Republic of Ireland (FRS 102) issued on 16 July 2014 and with the Financial Reporting Standard for Charities in the United Kingdom and Republic of Ireland (FRS 102) and with the Charities (Accounts and Reporting) Regulations 2008.

The charity constitutes a public benefit entity as defined by FRS 102.

1.2 Going concern

The charity is considered to be a going concern as it has sufficient resources to continue in operation for the foreseeable future.

1.3 Change of accounting policy

The accounts present a true and fair view and no changes have been made to the accounting policies in note 2.

1.4 Changes to accounting estimates

No changes to accounting estimates have occurred in the reporting period.

1.5 Material prior year errors

No material prior year errors have been identified in the reporting period.

Accounts

Section C	Notes to the accounts	(cont)
Note 2	Accounting policies	
2.1 INCOME		
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; - the monetary value can be measured with sufficient reliability.	
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP). In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	
Government grants	The charity has received government grants in the reporting period	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably. Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	
Support costs	The charity has incurred expenditure on support costs.	

Section C	Notes to the accounts	(cont)
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	

Settlement of insurance claims Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.

Investment gains and losses This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.2 EXPENDITURE AND LIABILITIES

Liability recognition Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Grants with performance conditions Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

Redundancy cost The charity made no redundancy payments during the reporting period.

Deferred income No material item of deferred income has been included in the accounts.

Creditors The charity has creditors which are measured at settlement amounts less any trade discounts

Provisions for liabilities A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

Basic financial instruments The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.3 ASSETS

Tangible fixed assets for use by charity These are capitalised if they can be used for more than one year, and cost at least

They are valued at cost.

The depreciation rates and methods used are disclosed in note 14.

Stocks and work in progress Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.

Debtors Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Note 14 Events after the end of the reporting period

At the year end, £400,000 was held in a client account with the charity's solicitors, pending completion on the purchase of a property to convert into a permanent base for the charity. This purchase was completed in October 2021.

Section A

Independent Examiner's Report

**Report to the trustees/
members of**

Charity Name
New Start Cat Rescue

**On accounts for the year
ended**

30th September 2022

**Charity no
(if any)** **1145090**

Set out on pages

1-12

(remember to include the page numbers of additional sheets.)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30th September 2021.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England & Wales

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Note 1 Basis of preparation

This section should be completed by all charities.

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.*

1.2 Going concern

The charity is considered to be a going concern as it has sufficient reserves to cover at least one year's activity.

1.3 Change of accounting policy

The accounts present a true and fair view and no changes have been made to the accounting policies adopted in note 2.

1.4 Changes to accounting estimates

No changes to accounting estimates have occurred in the reporting period (3.46 FRS102 SORP).

1.5 Material prior year errors

No material prior year error have been identified in the reporting period (3.47 FRS102 SORP).

Note 2**Accounting policies****2.1 INCOME****Recognition of income**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Legacies

Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Government grants

The charity has received government grants in the reporting period

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Donated services and facilities

Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.

Support costs

The charity has incurred expenditure on support costs.

Volunteer help The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Income from interest, royalties and dividends This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

Settlement of insurance claims Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.

Investment gains and losses This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.2 EXPENDITURE AND LIABILITIES

Liability recognition Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Grants with performance conditions Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

Redundancy cost The charity made no redundancy payments during the reporting period.

Deferred income No material item of deferred income has been included in the accounts.

Creditors The charity has creditors which are measured at settlement amounts less any trade discounts

Provisions for liabilities A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

Basic financial instruments The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.3 ASSETS

Tangible fixed assets for use by charity These are capitalised if they can be used for more than one year, and cost at least

They are valued at cost.

The depreciation rates and methods used are disclosed in note 14.

Stocks and work in progress Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.

Debtors Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Period end date

Charity name: New Start Cat Rescue

Charity registration number: 1145090

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	NSCR's main objective is to promote humane behaviour towards all animals by providing appropriate care, protection, treatment and security, demonstrated by providing sanctuary for cats in need of care and attention through sickness, maltreatment, ill-usage or abandonment, and educate the Public regarding animal welfare in general and prevention of cruelty and suffering among animals.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Charity Commission's guidance is always taken into consideration in the planning of our activities for the year. Our main activities undertaken for the Public Benefit are: • The rescue of abandoned and stray cats and kittens and to assist with neutering and spaying in order to help limit the number of unwanted cats. • To capture, neuter and advise on feral cats. • To emphasise the benefits of neutering, vaccination, flea control and worming of all cats. Micro-chipping. • To re-home to suitable, caring homes, after carrying out home and/or veterinary checks and assessment. We encourage people, especially the young over 15 years old, to join our team of volunteers. All are made welcome regardless of personal

		background, faith, gender or personal circumstances. This helps: • To develop their self-confidence, social and practical skills • To experience working within a team. To care for animals • To help with their own pets in various ways. Younger children, accompanied by a parent, are also made very welcome and they learn to handle animals with care and consideration by being encouraged to handle the cats and kittens under supervision. We also welcome people who are unable to keep a pet at home, to come and handle our cats. The animals benefit from the attention whilst awaiting their new, forever homes.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	All trustees have been given the guidance and have confirmed they understand the guidance issued.

	SORP reference	
Policy on grant making	Para 1.38	
Policy on social investment including program related investment	Para 1.38	
Contribution made by volunteers	Para 1.38	Our volunteers and fosterers are vital to the success of our charity. Our coordinator is skilled at getting the very best from each volunteer and will spot their differing strengths. There is a core group who are involved in the day to day feeding, cleaning and general care of the cats, overarched by a group of experienced volunteers who concentrate on the welfare & health of each animal.

		There is an assigned welfare supervisor for each day to ensure all felines in our care are healthy. There are volunteers who's strengths lie in the more administrative side of the charity - media, answering telephones and messages on line and there is another group who dedicate their time to fundraising - manning stalls and promotional events around the area. They are all given advice and training by our very experienced Coordinator and officers, who are always on call. There is another group of volunteers who are responsible for the homing of the cats. Within this we have undertaking homechecks, educated the public on the introduction and care of the cat they bring home and the paper work when homing the cats and kittens. We have recently developed a transport team of volunteers who are able to collect cats from outside our regular locations as we build relationships with rescues further afield. They are made aware of the objectives and aims in relation to the benefits to the public in accordance with the Charity Commission's Guidelines.

Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Our Charity continues to thrive, rescuing and rehoming unwanted /abandoned cats and kittens. Our homing rate of 50 - 60 per month continued at the start of the year. Covid - 19 has made this more difficult and so some months have had lower figures. We anticipate we will revert to our original strong numbers as restrictions ease. Our procedures and standards are continually under review. We have worked particularly hard to develop our Health and Safety practices; we regularly assess our health and safety and give reminders/ make changes as and when necessary. Trustees held several meetings at the start of the pandemic to ensure the safety of volunteers was 1. In line with government guidance and 2. Allowed the cats and kittens to have constant, high quality care. Effective immediately, we reduced the numbers of people allowed on site at any one time, installed several hand sanitizing stations and signage, ensured masks are worn (unless exempt) and maintained social distancing measures. All of this has been done to ensure the safety of our volunteers and the public are maintained whilst also ensuring the welfare of the cats remains at our usual high standards. We are constantly working at improving our administration and communication throughout the Charity. There are co-ordinators for each part of the charity e.g Homing officer, foster co-ordinator etc. This has allowed us to rescue and home cats effectively and efficiently. Care is taken with the induction of new volunteers so that any reservations or problems are covered; helping them feel confident in the knowledge of what is expected and also not to be afraid to ask for any advice or help. We have also been part of the Duke of Edinburgh scheme. The co-Ordinator for this inducts the D of E students and promptly completes their reviews. These students have been able to
--	------------------	--

		develop a range of personal skills along with effectively working in cat rescue. However, since March 2020 we have removed our D of E volunteers to ensure their safety. Our restructuring of the charity, with a team of volunteers overseeing the welfare of the cats in our care, health and safety, fundraising, fosterers, homing and admissions has been in place for 3 years now. This has allowed us to rescue more cats and be more active in the community in regards to educating and supporting. Our fundraising has had to evolve this year as we have not been able to hold as many events. We have focussed more of our efforts in to social media campaigns such as 'Donate £1 day' and pleas as and when we have had emergency cases. The welfare of each animal continues, all cats are homed after being vet checked, vaccinated, flead and wormed with 4 weeks free PetPlan insurance. We have continued to start and maintain relationships with local farms who use feral cats as pest control. In doing this we continue to educate on the importance of spaying and neutering alongside being able to effectively TNR any local cat colonies. We continue to attract and recruit more volunteers on an ongoing basis.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity is in a comfortable financial situation. We continue to operate as we always have done; our expenses are consistently met e.g vet bills are paid promptly. We continue to be committed to our fund raising and grant applications in order to continue to cover our outgoings.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Our policy is to hold reserves to cover a period of six months. We hold a physical cash reserve at the bank of £412,266. £250,00 is legacy money and is ring-fenced; this money is only to be allocated to the purchase of property to be used as a rescue centre. The remainder of these funds are held in order to meet any unforeseen expenditure that may occur.
Amount of reserves held	Para 1.22	£412,266
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	We currently have COVID-19 as our uncertainty. We have, so far, had times where we have had our shop closed and homed less cats. Our government grant has helped though we are still reliant on financial support through public donations. Our accounts are strong enough to keep us afloat for up to another year though we are still homing cats and kittens and doing as much fundraising as possible.

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	A lot of work goes into raising the funds necessary to provide the needs of our felines whilst in our care – veterinary care, food and cat litter are our greatest expense. We have many supporters who donate money, food and bedding. We have dedicated group of volunteers who run our social media to bring awareness and create
--	-----------	--

		campaigns to raise money whilst we also have one dedicated volunteer who regularly applies for grants. NSCR co-operates with a group of friends based in USK, Monmouthshire who are self-funded. The charity also actively applies for grants we are eligible for which often is used to support the payment of the vet bills.

Note 1 **Basis of preparation**

This section should be completed by all charities.

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention and at fair value unless otherwise stated in the relevant note(s).

The accounts have been prepared in accordance with:

- and with*

✓

the Statement of Recommended Practice (SORP) for charities preparing their accounts in accordance with the Charities Act 2011 in the UK and Republic of Ireland (FRS 102)

- and with*

✓

the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)

- and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.*

* -Tick as appropriate

1.2 Going concern

These accounts have been prepared on a going concern basis, for the financial year to cover two years' expenditure.

1.3 Change of accounting policy

The accounts present a true and fair view and no changes have occurred in the accounting policy since the previous year's accounts (note 2).

1.4 Changes to accounting estimates

No changes to accounting estimates have occurred in the reporting period.

1.5 Material prior year errors

No material prior year error have been identified in the reporting period.

Accounts

convention with items recognised at cost or (s) to these accounts.

Practice: Accounting and Reporting by Charities
in accordance with the Financial Reporting Standard applicable
(FRS 102) issued on 16 July 2014

applicable in the United Kingdom and Republic of

--

as the charity had sufficient reserves at the end of the

no changes have been made to the accounting policies adopted in

reporting period (3.46 FRS102 SORP).

reporting period (3.47 FRS102 SORP).

Note 2

Accounting policies

2.1 INCOME

Recognition of income

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Legacies

Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Government grants

The charity has received government grants in the reporting period

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Donated services and facilities

Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.

Support costs

The charity has incurred expenditure on support costs.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least They are valued at cost. The depreciation rates and methods used are disclosed in note 14.
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15. They are valued at cost.
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity of less than one year held for investment purposes rather than to meet short-term cash commitments as they fall due.

They are valued at fair value except where they qualify as basic financial instruments.

Section A

Independent Examiner's Report

Report to the trustees/
members of

Charity Name
New Start Cat Rescue

On accounts for the year
ended

30th September 2020

Charity no
(if any)

Set out on pages

1-11

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30th September 2020.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Date:

27/1/21

Section B**Disclosure**

Only complete if the examiner needs to highlight material matters of concern (see CC32, Independent examination of charity accounts: directions and guidance for examiners).

Give here brief details of any items that the examiner wishes to disclose.
