ACHIEVEMENTS, PERFORMANCE AND PLANS FOR THE FUTURE**

DELIVERING PUBLIC BENEFIT

The charity carries out various activities in pursuance of its charitable aims. The Trustees are pleased to be able to report on another varied and wide range of activities and events that have taken place throughout the financial year.

ACPWT continues to effectively demonstrate that the church is relevant and vital for wider society. Our unceasing passion is to honour God with our lives and be a blessing to humanity with our different gifts. Sincere thanks are expressed to all ACPWT partners who support the church's mission and to our dedicated and committed members who serve faithfully year after year.

The Trustees consider the following activities, summarised below, beneficial to members of the church, non-members, and the local and wider community of London and the United Kingdom.

TEACHING/LECTURES

We continue to promote Biblical Study, Theology, training, religious teachings and practices – approximately 25 hours of lectures are delivered weekly to raise awareness and understanding of the Christian faith. This helps to strengthen and enhance spiritual growth and good morals as a person and in the community. Knowledge of Biblical principles is essential to develop understanding and wisdom – learning and application is vital to our faith.

MEMBERSHIP - EVANGELICAL ALLIANCE

ASSOCIATION OF CHRISTIANS IN COUNSELLING AND LINKED PROFESSIONS

Being a member of the Evangelical Alliance, we are integrated into a wider community that is united across denominations, locations, age groups, and ethnicities. Our long standing membership has helped the church access spiritual information regarding working together to reach the lost souls across regions and connects us to a broader evangelical network in the UK. Additionally, through our membership with the Association of Christians in Counselling and Linked Professions, we engage and work with other professional bodies, stakeholders and churches as we continue to unite to further the gospel of Jesus Christ - we believe we are better together as we are united in mission and voice.

A CALL TO PRAYER – PRAYER INITIATIVE

We lay hold of God's promises through believing prayer. Pray without ceasing (1st Thessalonian 5:17). Prayer is one of our core values, and we continue to hold weekly prayer initiatives through the Welfare and Intercessory Ministry to facilitate effective, fervent and specific prayers for individuals, families, our communities, government and the international community. A prayer line is active in this ministry to ensure there are people dedicated to praying at set times. We continue to see significant growth in our Prayer Initiative Intercessory Group, which provides structure, direction and accountability. Dedicated sessions are allocated to pray and give spiritual guidance and support to all members of the Intercessory Group, which has grown significantly. Our weekly and monthly Fasting and Prayer Programme/Initiative also gives an opportunity for all Christians and members of the community to come together to seek divine guidance and pray for individuals, families, children and young people, local communities and nations. Through this initiative, we continue to see positive changes and transformation, as well as corporate and leadership empowerment.

**ARK OF THE COVENANT PRAYER AND WORSHIP TABERNACLE
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 OCTOBER 2024**

We have seen significant increase in our Online prayer gathering via Zoom. This helps to facilitate prayer and fellowship among members and others remotely.

PASTORAL CARE/SUPPORT

Through this ministry, our Pastorate encourages the church's ongoing transformation and preparation for inclusive communal spiritual leadership.

As we spread the gospel and the church grows, members are equipped, trained, appointed as leaders, and put in place to assist in overseeing the congregation. Pastoral care of God's flock is of the utmost importance in ACPWT—knowing this, Ministers, Trustees, Leaders, and Stewards are encouraged to lead others by gospel-shaped teaching and modelling the application of God's word of grace in their lives. Underpinning our love and care for members and their families, our senior pastor, Reverend Donna Davis, provides weekly counselling sessions. Ministry Partners and visitors are also welcome to attend via an appointment system. A Pastoral Care Team is also available to support members, families, and others. Several testimonies on the benefits of these sessions have been received. Additionally, the Pastorate and Church Management/Leadership Team members support each other and the wider congregation with practical help. Our Pastoral Care support programme continues to run successfully and young leaders are being raised.

INTERNATIONAL CONFERENCE AND PRAISE EXTRAVAGANZA

Our annual 3-day Multi-cultural International Conference in collaboration with GLCI incorporated a Praise Extravaganza with participants from the UK and abroad. It was another great success during the year under review. The event was promoted across various TV channels, Christian Radios and social media platforms. This annual event attracts people/participants from the UK, Europe, and other countries. This outstanding and impactful event provides spiritual growth, learning, inspiration, fellowship, and networking opportunities for delegates and participants.

This diverse/multicultural and dynamic conference champions prayer, praise and worship and is an authentic prophetic voice to the church and society. The programme engages a broad audience and provides a platform that recharges faith and empowers delegates to:-

WOMEN'S CONFERENCE

The Women's Conference was incorporated into our International Conference. It brings together women from all walks of life and inspires and empowers them as they chase their personal and professional dreams. This incredibly successful programme encourages women to transform lives for the Lord Jesus. Speakers and participants from the UK and abroad attended. With the theme "She is clothed in strength and dignity" (Proverbs 31:25). Participants were also geared towards helping women succeed in their chosen fields. We had very good attendance and positive feedback about the theme, content, delivery and overall experience.

The church continues to reach further in fulfilling its divine assignment and mandate by touching many more lives with the liberating message of the kingdom of God and the practical demonstration of God's grace and favour in different ways in the United Kingdom and other nations.

KINGDOM ACHIEVERS EDUCATIONAL PROGRAMME (KAEP)

This programme has extended to include Continuing Ministerial Development to support and ensure clergy are affirmed and encouraged in their Ministry. The Kingdom Achievers Educational Programme is an ACPWT Educational Initiative which supports, encourages and equips students/individuals from diverse communities to excel academically and professionally through various activities such as Training, workshops, seminars and One-on-One sessions on:- Professional Development, Continuing Professional Development, Interview skills, writing effective CVs, Personal and Supporting Statements, Raising Student Achievements, Providing support in completing undergraduate and post-graduate forms, Parent Educational Support.

This initiative is impacting many lives, and many of our young people are graduates while others are attending university and college. Skill sets have been developed and improved; individuals are maximising their potential/ability in various fields of study and have obtained jobs in their field of choice. Additionally, we have seen significant growth in our Children's Sunday School.

Our Education and Academic Committee consists of academically qualified members at the doctorate level and other experts and professionals who volunteer and dedicate their time and service to the church charity. With the help and support of these committed members who volunteer their time and talent, the Charity continues to achieve its objectives. We are grateful for the outstanding and great achievements we see in members' lives, careers, and professions through the support of these different departments in the Church charity.

FINANCIAL AND BUDGET MANAGEMENT

Qualified professionals within the Charity teach others how to achieve their goals and be successful in their career. They are focused on helping people develop the skills, knowledge, attitude and behaviour they need to manage their money well. We continue to receive feedback and testimonies from individuals whose lives have been positively transformed. These lectures have helped to develop successful entrepreneurs/businessmen and women within the church and broader community.

The Pastorate continues to hold weekly counselling and advice Sessions. We continue to see increase in marriages in the Church and family togetherness.

THANKSGIVING SERVICE

Our Annual Corporate Thanksgiving Service was a great success another year – it is a practice that brings together the church – members, families, ministry partners, friends and the community to express corporate gratitude to God, reflect on His goodness, demonstrate appreciation to Almighty God for all he has given and bless us with. This event is not limited to members of ACPWT but is open to community members. We fellowship together, giving God thanks and praise for his protection, thanking God for his continued grace and blessings upon us, our nations, government, leaders and heads of state. Our motto -“Thanksgiving is an application for More”.

FAMILY AWAY DAY

This annual family outing allows members, families, our children, young people, and ministry supporters to spend time together away from the hustle and bustle of daily life. It helps families bond and forms part of our balancing church life programmes. We had a family barbecue in Waterlow Park in Highgate, Camden during the year in the review.

RETREATS

This is a well-anticipated event for members and non-members, including our children and young people. It allows everyone to participate in prayer walks, workshops, rest and integrate. It helps to build cohesiveness and sharpen the spiritual development of the church members, families, friends, and well-wishers. It also helps to increase spiritual growth and the spiritual atmosphere in our worship. Year after year, we receive excellent feedback from attendees who benefit from such things as renewal of the heart and inner being.

OTHER OUTREACH EVENTS/PROGRAMMES - (LOCAL AND OVERSEAS)

Our Mission and Evangelism Team goes out regularly to evangelise and win souls in a variety of locations across London, including shopping centres and streets. The church continues to reach further in fulfilling its divine mandate of touching many lives across nations through our TV ministry, social media platforms, and radio. We continue to impact many lives through our virtual services and have won souls through this medium for the Kingdom of God. This is evidenced by us seeing significant church growth in diverse communities.

The Charity and its Missionaries outreach overseas - We continue to support teachers, students and deprived children under our Sponsor-a-Child Programme.

CHILDREN AND YOUNG PEOPLE FORUM/MINISTRY

We continue to see significant growth in our Children's Sunday School. Our children and young people are integral to the Ministry - Weekly Sunday schools are provided by our qualified teachers which enable our children and young people to gain core knowledge in Religious Studies. We also aim to continue holding frequent youth meetings/forum for teenagers and young adults who are active in the church. They are given a platform to showcase their talents, skills and ability in a larger audience on a monthly basis. This is a great driver for them, it enables and motivates them to learn, grow, develop and pursue their goals. These forums also help develop their talents, confidence, and self-esteem and improve their academic achievements. It also helps them integrate better into the wider community. Parents continued to give positive feedback and expressed their gratitude. We continue to see a significant increase in the number of our young people attending university, some are now graduates and contributing significantly to our Church. We continue to see an increase/growth in this area of Ministry.

CONVENTIONS, RETREATS AND LEADERSHIP SEMINARS

These are held annually to develop and enhance leadership skills in individuals and to train those in leadership to fulfil their potential, achieve their goals and use the gifts to be a blessing to humanity and the Kingdom of God. Youth Ministers/Leaders are appointed to support the significant growth in Young People in our Church and we provide them with training and necessary resources they need to perform competently.

Donna Davis is impacting many lives from diverse communities in the country and across the globe. SHUTTLE/BUS SERVICE

The Church's shuttle bus service continues to be a great help to get members, families, partners and supporters of the Ministry to church. The bus/shuttle service covers these areas: South London, Stratford, Ilford, Barkingside and Dagenham. This enables members and families who do not have their own transport means and those who are financially unable to attend church services. It also helps alleviate transportation challenges for those wishing to attend church services. Much appreciation is expressed for this service.

GROWTH

1st Corinthians 3:6-7

The focus is on discipleship, prayer and following Jesus while leaving the results up to God.

The church does not exist in and for itself. It is the vehicle to lead and manage the people of God through discipleship, evangelism, missions, spiritual growth and other programs all pointed to His Glory and worship. Additionally, our activities are available to members and non-members.

The church continues to grow from strength to strength and numerically. As a result of such growth two services are held on Sundays with the continuation of our weekly Bible Study and Prayer Services. This is as a result of our leadership passion for the Great Commission, their commitment and willingness to outreach communities and the leading and direction of God's Holy Spirit. The church programmes and activities are well attended and God continues to add new members. Our Online Zoom sessions are held every other week where members and participants are taught and uplifted. It also facilitates a time of virtual fellowship/interacting with others, prayers and Bible Study.

CHURCH MANAGEMENT OFFICE

As part of Pastoral care and in order to meet and facilitate the needs of the growing congregation members and their families, partners and supporters of the Church Charity, our Senior Pastor and Ministers attend to the spiritual well-being of members by providing counselling/advice from this office. This office also manages some of the church's administrative work.

FUTURE DEVELOPMENTS/PLANS FOR THE FUTURE

Our theme is "THE GREATER HARVEST." I will make you exceedingly fruitful, and "I will make nations of you and kings shall come from you" (Genesis 17:7). This is in furtherance of our Mandate of the Gospel—the Great Commission. This is our guiding vision.

A summary of the result of the Ark of the Covenant Prayer and Worship Tabernacle activities during the period is given in the Statement of Financial Activities on page 16. The charity's total income amounted to £ 1,032,826. The charity's number one priority is to obtain a permanent place of worship either through a longer-term rental contract or an outright purchase via a mortgage. The size of the present church premises allows for the availability of larger rooms for children's and young people's activities, children's Sunday school programmes, and other activities in pursuit of its charitable aims. We continue to see a significant increase in membership during the year in review and have now maximised all the rooms/facilities in this building. The Church Charity continues to pray and actively search for a bigger and permanent place of worship.

**ARK OF THE COVENANT PRAYER AND WORSHIP TABERNACLE
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 OCTOBER 2024**

There is now an urgency for the Church Charity to own a permanent building, and as such, the Building Committee is empowered to look for a permanent place of worship. The Church continues to raise funds for the building fund project, which is restricted to the purposes of the building.

VOLUNTEERS

ACPWT thrives on the energy and willingness of its volunteers who continue to engage with enthusiasm and commitment to the vision and work of the church. They are central to the ethos and operations of the Charity. They donate their time, expertise and equipment to implement programmes and to provide other services. The number of volunteers has increased to 30 and the church is very grateful for this generosity. The financial value of this generosity has neither been calculated nor included in the financial statements because it is difficult to quantify these in monetary terms. We continue to see an increase in more people giving their time for the work of God which is very encouraging and motivating to the leadership of the Church.

The Board of Trustees, Pastorate, Leadership/Management would like to express their gratitude to the church members and Volunteers for their generosity, selfless sacrifice of their time and talents towards the achievement of the objectives of the organisation.

CHURCH LIFE

The church gathers primarily for worship to celebrate all that God is and all that God has done for us to be drawn into the life of the Trinity, the Father, Son – Jesus Christ and the Holy Spirit. We offer God songs and words of praise and worship in psalms, hymns and spiritual songs. We attend to God's words in Scripture/The Holy Bible. We gather around the table of the Lord in the Holy Communion. We fast and offer prayers for our own needs and the needs of others and of the world. When we do this we join our prayers – fervent, strong and weak as they often are – with great hymns and songs of praise of the Church in both earth and heaven, in time and eternity.

FINANCIAL REVIEW

The book values of the assets held at year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Also, adequate assets are available to fulfil the charity's obligations.

Total resources expended in the year include a total cost of £443,110, comprising direct charitable costs of £410,779, Depreciation of £2,332, and governance costs of £29,999. The governance costs were mainly comprised of Accounting fees, professional expenses, and administration. The Trustees approve the governance costs.

The total fund as of 31 October 2024 was £ 1,032,826, all of which was unrestricted, representing the increase added to the unrestricted reserves.

We have examined the financial statements on pages 9 to 14 for the year ended 31 October 2024, comprising the statement of economic activities, the balance sheet and the related notes. These financial statements have been prepared under the historical cost convention and accounting policies.

The report is made solely to the Charity's Trustees, as a body, in accordance with Section 44 of the Charities Act 1993. The charity's trustees are generally of the opinion that an audit is not required in accordance with Section 43(2) of the 1993 Act and have opted for an independent examination instead.

Respective responsibilities of trustees and auditors

The Trustees, some of which are also the directors, have responsibilities for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards. These are set out in the Statement of Trustees' Responsibilities in the Report of the Trustees.

Our responsibilities as independent examiners of the charity are:

1. to examine the books and accounts of the charity in compliance with Section 43 of the 1993 Act;
2. to strictly adhere to the general directions provided by the Charity Commission under Section 43(7)(b) of the Charities Act 1993; and
3. to state whether particular matters have come to our attention in the course of our examination.
- 4.

We report to you whether the financial statements have properly been prepared in accordance with United Kingdom Generally Accepted Accounting Practice, the Companies Act 2006 and in accordance with the Charities Act 1993.

We also report to you whether the information given in the Trustees' Report is consistent with the financial statements. We consider the implications of our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

In addition, we report to you if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our work, or if information specified by law regarding trustees' remuneration and other transactions with the charity is not disclosed.

Basis of opinion

Our examination was carried out in accordance with the General Directions provided by the Charity Commission. The examination includes a review of the books and documents and other accounting records kept by the charity and comparing these with the accounts presented.

Our examination also includes consideration of any unusual disclosures or items in the accounts, and seeking explanations from the Trustees. It is imperative to state here that the procedures undertaken do not provide all the evidence that would be required in an audit, and consequently, no opinion is given as to whether the accounts present a 'true and fair view'. Our report is therefore limited to the statements below:

INDUCTION AND TRAINING

The existing Trustees are familiar with the practical work of the company. Any new trustees would undergo orientation to inform them on their legal obligation under charity and company law, the content of the Memorandum and Articles of Association, the decision making processes, the objectives and strategies and recent financial performance of Ark of the Covenant Prayer and Worship Tabernacle. Additionally, the charity arranged appropriate training internally and through other voluntary training providers.

ORGANISATIONAL STRUCTURE

The Board of Trustees is responsible for the overall strategy and direction of the charity and meets at least 4 times per year. The governance of the Church resides with the Trustees supported by the Management Team who meets bi-monthly. The Trustees give their time on a voluntary and unpaid basis. The Board of Trustees has also appointed the following committees to support them in the management of ACPWT's operations. ACHIEVEMENTS, PERFORMANCE AND PLANS FOR THE FUTURE**

DELIVERING PUBLIC BENEFIT

The charity carries out various activities in pursuance of its charitable aims. The Trustees are pleased to be able to report on another varied and wide range of activities and events that have taken place throughout the financial year.

ACPWT continues to effectively demonstrate that the church is relevant and vital for wider society. Our unceasing passion is to honour God with our lives and be a blessing to humanity with our different gifts. Sincere thanks are expressed to all ACPWT partners who support the church's mission and to our dedicated and committed members who serve faithfully year after year.

The Trustees consider the following activities, summarised below, beneficial to members of the church, non-members, and the local and wider community of London and the United Kingdom.

TEACHING/LECTURES

We continue to promote Biblical Study, Theology, training, religious teachings and practices – approximately 20 hours of lectures are delivered weekly to raise awareness and understanding of the Christian faith. This helps to strengthen and enhance spiritual growth and good morals as a person and in the community. Knowledge of Biblical principles is essential to develop understanding and wisdom – learning and application is vital to our faith.

MEMBERSHIP - EVANGELICAL ALLIANCE AND ASSOCIATION OF CHRISTIANS IN COUNSELLING AND LINKED PROFESSIONS

Being a member of the Evangelical Alliance, we are integrated into a wider community that is united across denominations, locations, age groups, and ethnicities. Our membership has helped the church access spiritual information regarding working together to reach the lost souls across regions and connects us to a broader evangelical network in the UK. Additionally, through our membership with the Association of Christians in Counselling and Linked Professions, we engage and work with other professional bodies, stakeholders and churches as we continue to unite to further the gospel of Jesus Christ - we believe we are better together.

A CALL TO PRAYER – PRAYER INITIATIVE

Pray without ceasing (1st Thessalonian 5:17). Prayer is one of our core values, and we continue to hold weekly prayer initiatives through the Welfare and Intercessory Ministry to facilitate effective, fervent and specific prayers for individuals, families, our communities, government and the international community. A prayer line is active in this ministry to ensure there are people dedicated to praying at set times. We continue to see significant growth in our Prayer Initiative Intercessory Group, which provides structure, direction and accountability. Dedicated sessions are allocated to pray and give spiritual guidance and support to all members of the Intercessory Group, which continues to grow significantly. Our weekly and monthly Fasting and Prayer Programme/Initiative also gives an opportunity for all Christians and members of the community to come together to seek divine guidance and pray for individuals, families, children and young people, local communities and nations. Through this initiative, we continue to see positive changes and transformation, as well as corporate and leadership empowerment.

PASTORAL CARE/SUPPORT

Through this ministry, our pastorate encourages the church's ongoing transformation and preparation for inclusive communal spiritual leadership.

As we spread the gospel and the church grows, members are equipped, trained, appointed as leaders, and put in place to assist in overseeing the congregation. Pastoral care of God's flock is of the utmost importance in ACPWT—knowing this, Ministers, Trustees, Leaders, and Stewards are encouraged to lead others by gospel-shaped teaching and modelling the application of God's word of grace in their lives. Underpinning our love and care for members and their families, our senior pastor, Reverend Donna Davis, provides weekly counselling sessions. Ministry Partners and visitors are also welcome to attend via an appointment system. A Pastoral Care Team is also available to support members, families, and others. Several testimonies on the benefits of these sessions have been received. Additionally, the PASTORATE and Church Management/Leadership Team members support each other and the wider congregation with practical help. Our Pastoral Care support programme continues to run successfully.

INTERNATIONAL CONFERENCE

Our annual 3-day Multi-cultural International Conference in collaboration with GLCI was a great success during the year under review. The event was promoted across various TV channels, Premier Christian Radio, Premier Gospel and social media platforms. This annual event attracts people/participants from the UK, Europe, and other countries. This impactful event provides spiritual growth, learning, inspiration, fellowship, and networking opportunities.

This diverse/multicultural and dynamic conference champions prayer and is an authentic prophetic voice to the church and society. The programme engages a broad audience and provides a platform that recharges faith and empowers delegates to:-

- Engage and facilitate interaction with speakers
- Participate in genuine and effective prayer sessions
- Participate in Praise and Worship with both local and international Gospel Artists
- Engage/Receive biblical teaching and counselling
- Unite and Network to further the gospel of Jesus Christ.
- Grow in fellowship with other believers in the universal church

WOMEN'S CONFERENCE

The Women's Conference was incorporated into our International Conference. It brings together women from all walks of life and inspires and empowers them as they chase their personal and professional dreams. This incredibly successful programme encourages women to transform lives for the Lord Jesus. Speakers and participants from the UK and abroad attended. With the theme "Tabitha Arise" participants were also geared towards helping women succeed in their chosen fields. From feedback, everyone left in awe of what they had accomplished.

The church continues to reach further in fulfilling its divine assignment and mandate by touching many more lives with the liberating message of the kingdom of God and the practical demonstration of God's grace and favour in different ways in the United Kingdom and other nations.

KINGDOM ACHIEVERS EDUCATIONAL PROGRAMME (KAEP)

This programme has extended to include Continuing Ministerial Development to support and ensure clergy are affirmed and encouraged in their Ministry. The Kingdom Achievers Educational Programme is an ACPWT Educational Initiative which supports, encourages and equips students/individuals from diverse communities to excel academically and professionally through various activities such as Training, workshops, seminars and One-on-One sessions on:- Professional Development, Continuing Professional Development, Interview skills, writing effective CVs, Personal and Supporting Statements, Raising Student Achievements, Providing support in completing undergraduate and post-graduate forms, Parent Educational Support.

This initiative is impacting many lives, and many of our young people are now graduates while others are now attending university. Skill sets have been developed and improved; individuals are maximising their potential/ability in various fields of study and have obtained jobs in their field of choice.

Our Education and Academic Committee consists of academically qualified members at the doctorate level and other experts and professionals who volunteer and dedicate their time and service to the church charity. With the help and support of these committed members who volunteer their time and talent, the Charity continues to achieve its objectives. We are grateful for the outstanding and great achievements we see in members' lives, careers, and professions through the support of these different departments in the Church charity.

FINANCIAL AND BUDGET MANAGEMENT

Qualified professionals within the Charity teach others how to achieve their goals and be successful in their career. They are focused on helping people develop the skills, knowledge, attitude and behaviour they need to manage their money well. We continue to receive feedback and testimonies from individuals whose lives have been positively transformed. These lectures have helped to develop successful entrepreneurs/businessmen and women within the church and broader community.

MARRIAGE SEMINAR

A Biblical Framework for Building Families and a Healthy Society—Sessions are held face-to-face and virtual. These seminars help restore and strengthen Spiritual, Physical, and Emotional well-being. They also provide couples, families, and individuals with positive coping strategies. We continue to receive positive responses and good feedback. The Pastorate continues to hold weekly counselling and advice Sessions.

THANKSGIVING SERVICE

Our Annual Corporate Thanksgiving Service was another great success – it is a practice that brings together the church – members, families, ministry partners, friends and the community to express corporate gratitude to God, reflect on His goodness, demonstrate appreciation to Almighty God for all he has given and bless us with. This event is not limited to members of ACPWT but is open to community members. We fellowship together, giving God thanks and praise for his protection, thanking God for his continued grace and blessings upon us, our nations, government, leaders and heads of state. Our motto -“Thanksgiving is an application for More”.

FAMILY AWAY DAY

This annual family outing allows members, families, our children, young people, and ministry supporters to spend time together away from the hustle and bustle of daily life. It helps families bond and forms part of our balancing church life programmes. We visited Margate during the year in the review.

RETREATS

This is a well-anticipated event for members and non-members, including our children and young people. It allows everyone to participate in prayer walks, workshops, rest and integrate. It helps to build cohesiveness and sharpen the spiritual development of the church members, families, friends, and well-wishers. It also helps to increase spiritual growth and the spiritual atmosphere in our worship. Year after year, we receive excellent feedback from attendees who benefit from such things as renewal of the heart and inner being.

OTHER OUTREACH EVENTS/PROGRAMMES - (LOCAL AND OVERSEAS)

It remains as part of our mission - Our Mission and Evangelism Team goes out regularly to evangelise and win souls in a variety of locations across London, including shopping centres and streets. The church continues to reach further in fulfilling its divine mandate of touching many lives across nations through our TV ministry, social media platforms, and radio. We continue to impact many lives through our virtual services and have won souls through this medium for the Kingdom of God. This is evidenced by us seeing significant church growth in diverse communities.

The Charity and its Missionaries outreach overseas – during the year in review, we attended missions in Jamaica and the Philippines. We have also helped built a place of worship in the Philippines, where we support deprived children under our Sponsor-a-Child Programme.

- A Sponsor-a-Child Programme for children resident in Chinyaradzo Children Home (Orphanage) and Madamombe Primary School is established in Zimbabwe. The Sponsor-a-Child Programme cares for and provides orphans and the most deprived children with clothing, basic groceries, textbooks, school uniforms, solar panels, lights, etc.
- Remembering the Needy Programme (Psalm72:12-14 Project)
As the Lord blesses us individually and as a church – we aim to support the needy, including the poor widows and widowers locally and overseas. During the year in review, we provide the needy identified by our overseas partners in Jamaica, Zimbabwe, and Nigeria with shoes and clothing, toiletries, groceries/food items and school supplies.
Several items, such as toiletries, blankets, coats, shoes and clothing, were donated to charity shops in our local communities.
- Among the congregants, we continue to see an increase in charitable giving of food items and clothing, which has enabled the Church Charity to assist local community needs as well as our overseas programmes. A big thank you to all our members for their kindness and heart of compassion.

 - Women's meeting/events
 - Men's meeting/events
 - Football Club

- Community Christmas Hampers – As an expression of God's love, the Charity bless those most in need in the local community with hampers during the Christmas season. The hampers are not exclusively for people of any particular religion or faith but for those in desperate need during this time. Our annual Christmas Dinner and Carol Service was well attended by members, families, friends, partners, supporters and well-wishers.

CHILDREN AND YOUNG PEOPLE FORUM/MINISTRY

Our children and young people are integral to the Ministry. Weekly Sunday schools are provided by our qualified teachers which enable our children and young people to gain core knowledge in Religious Studies. We also aim to continue holding frequent youth meetings/forum for teenagers and young adults who are active in the church. They are given a platform to showcase their talents, skills and ability in a larger audience on a monthly basis. This is a great driver for them, it enables and motivates them to learn, grow, develop and pursue their goals. These forums also help develop their talents, confidence, and self-esteem and improve their academic achievements. It also helps them integrate better into the wider community. Parents continued to give positive feedback and expressed their gratitude. We continue to see a significant increase in the number of our young people attending university, who are now graduates and contributing significantly to our Church. During the year under review, we have seen an increase/growth in this area of Ministry – the number of children and young people attending our church has increased, and they are progressing well.

CONVENTIONS, RETREATS AND LEADERSHIP SEMINARS

These are held annually to develop and enhance leadership skills in individuals and to train those in leadership to fulfil their potential, achieve their goals and use the gifts to be a blessing to humanity and the Kingdom of God. The convention is held annually, whilst Retreats and leadership seminars are held twice annually to develop and enhance the spiritual alertness of the members and leaders in the Ministry. Youth Ministers/Leaders were also appointed to support the significant growth in Young People in our Church during the year under review.

TV EVANGELISM

Our Television Ministry has been running for a number of years. The goal of the program is to encourage viewers to study the Bible and do what the Lord directs them to do. We are now in the peak slots which has seen a greater increase in our TV audience across the UK. We continue to impact many people's lives, locally and internationally. Programmes are aired weekly and many people have visited our Church and some come to know Jesus Christ through this medium. It has helped the numerical and spiritual growth of the church. We are also active on social media channels. The pastoral teaching, anointing, wisdom, grace, care and love displayed by our Senior Pastor – Rev. Donna Davis is impacting many lives from diverse communities in the country and across the globe. Positive feedback from viewers confirms that individuals and families are positively impacted as we bring the message of hope, healing, salvation and deliverance both locally and internationally. We are seeing increase in soul winning which resulted in large baptism services throughout the year.

SHUTTLE/BUS SERVICE

The Church's shuttle bus service continues to be a great help to get members, families, partners and supporters of the Ministry to church. The bus/shuttle service covers these areas: South London, Stratford, Ilford, Barkingside and Dagenham. This enables members and families who do not have their own transport means and those who are financially unable, to attend church services. It also helps to reduce transport challenges for those wishing to attend church services. Much appreciation is expressed for this service.

GROWTH

1st Corinthians 3:6-7

The focus is on discipleship, prayer and following Jesus while leaving the results up to God.

The church does not exist in and for itself. It is the vehicle to lead and manage the people of God through discipleship, evangelism, missions, spiritual growth and other programs all pointed to His Glory and worship. Additionally, our activities are available to members and non-members.

The church continues to grow from strength to strength and numerically. As a result of such growth two services are held on Sundays with the continuation of our weekly Bible Study and Prayer Services. This is as a result of our leadership passion for the Great Commission, their commitment and willingness to outreach communities and the leading and direction of God's Holy Spirit. The church programmes and activities are well attended and God continues to add new members. Our Online Zoom sessions are held every other week where members and participants are taught and uplifted. It also facilitates a time of virtual fellowship/interacting with others, prayers and Bible Study.

CHURCH MANAGEMENT OFFICE

As part of Pastoral care and in order to meet and facilitate the needs of the growing congregation – members and their families, partners and supporters of the Church Charity, our Senior Pastor and Ministers attend to the spiritual well-being of members by providing counselling/advice from this office. This office also manages some of the church's administrative work.

FUTURE DEVELOPMENTS/PLANS FOR THE FUTURE

Our theme is “THE GREATER HARVEST.” I will make you exceedingly fruitful, and “I will make nations of you and kings shall come from you” (Genesis 17:7). This is in furtherance of our Mandate of the Gospel—the Great Commission. This is our guiding vision.

A summary of the result of the Ark of the Covenant Prayer and Worship Tabernacle activities during the period is given in the Statement of Financial Activities on page 16. The charity's total income amounted to £ 836,282, of which from regular Sunday tithes and offerings £713,867 and Gift Aid amounted to £122,415. The charity's number one priority is to obtain a permanent place of worship either through a longer-term rental contract or an outright purchase via a mortgage. The size of the present church premises creates the availability of bigger rooms for children and young people activities, children’s Sunday school programmes and other activities in pursuance of its charitable aims. We have seen a significant increase in membership during the year in review and have now maximised all the rooms/facilities in this building.

There is now an urgency for the Church Charity to own a permanent building, and as such, the Building committee is empowered to look for a permanent place of worship. The Church continues to raise funds for the building fund project, which is restricted to the purposes of the building.

VOLUNTEERS

ACPWT thrives on the energy and willingness of its volunteers who continue to engage with enthusiasm and commitment to the vision and work of the church. They are central to the ethos and operations of the Charity. They donate their time, expertise and equipment to implement programmes and to provide other services. The number of volunteers has increase to 30 during the years in review. The church is very grateful for this generosity. The financial value of this generosity has neither been calculated nor included in the financial statements because it is difficult to quantify these in monetary terms. We continue to see an increase in more people giving their time for the work of God which is very encouraging and motivating to the leadership of the Church.

The Board of Trustees, Pastorate, Leadership/Management would like to express their gratitude to the church members and Volunteers for their generosity, selfless sacrifice of their time and talents towards the achievement of the objectives of the organisation.

CHURCH LIFE

The church gathers primarily for worship to celebrate all that God is and all that God has done for us to be drawn into the life of the Trinity, the Father, Son – Jesus Christ and the Holy Spirit. We offer God songs and words of praise and worship in psalms, hymns and spiritual songs. We attend to God’s words in Scripture/The Holy Bible. We gather around the table of the Lord in the Holy Communion. We fast and offer prayers for our own needs and the needs of others and of the world. When we do this we join our prayers – fervent, strong and weak as they often are – with great hymns and songs of praise of the Church in both earth and heaven, in time and eternity.

FINANCIAL REVIEW

The book values of the assets held at year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Also, adequate assets are available to fulfil the charity's obligations.

Total resources expended in the year include a total cost of £337,037 - direct charitable costs of £321,165, Depreciation of £2,332 and governance costs of £13,540. The governance costs were mainly made up of Accountancy fees, professional expenses and administration. The Trustees approve the governance costs.

The total fund on 31 October 2023 was £836,282, all of which were unrestricted funds, which is the increase added to the unrestricted reserves.

RESERVES POLICY

Ark of the Covenant Prayer and Worship Tabernacle maintains unrestricted funds, which are the free reserves of the charity, at a level that is at least twelve months of committed expenditure, excluding direct charitable costs and other costs. Excess unrestricted funds, represented by liquid assets, will be used to meet recurrent operational costs, except where the Trustees consider that the funds should be retained for possible future projects.

INVESTMENT POLICY

The Trustees have the power to invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide a high degree of security and liquidity and to maximise returns whilst adopting a conservative approach.

GRANT-MAKING POLICY

The Trustees make grants as an effective means of delivering support and assistance to other programmes that fit within the objectives of Ark of the Covenant Prayer and Worship Tabernacle, during the year under consideration, no grant was made.

INDEPENDENT EXAMINERS' REPORT
FOR THE YEAR ENDED 31 OCTOBER 2023
Company Number 06719936
Registered Charity Number 1145105**

We have examined the financial statements on pages 9 to 14 for the year ended 31 October 2023, comprising the statement of economic activities, the balance sheet and the related notes. These financial statements have been prepared under the historical cost convention and accounting policies.

The report is made solely to the Charity's Trustees, as a body, in accordance with Section 44 of the Charities Act 1993. The charity's trustees are generally of the opinion that an audit is not required in accordance with Section 43(2) of the 1993 Act and have opted for an independent examination instead.

Respective responsibilities of trustees and auditors

The Trustees, some of which are also the directors, have responsibilities for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards. These are set out in the Statement of Trustees' Responsibilities in the Report of the Trustees.

Our responsibilities as independent examiners of the charity are:

1. to examine the books and accounts of the charity in compliance with Section 43 of the 1993 Act;
2. to strictly adhere to the general directions provided by the Charity Commission under Section 43(7)(b) of the Charities Act 1993; and
3. to state whether particular matters have come to our attention in the course of our examination.
- 4.

We report to you whether the financial statements have properly been prepared in accordance with United Kingdom Generally Accepted Accounting Practice, the Companies Act 2006 and in accordance with the Charities Act 1993.

We also report to you whether the information given in the Trustees' Report is consistent with the financial statements. We consider the implications of our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

In addition we report to you if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our work, or if information specified by law regarding trustees' remuneration and other transactions with the charity is not disclosed.

INDEPENDENT EXAMINERS' REPORT

Basis of opinion

Our examination was carried out in accordance with the General Directions provided by the Charity Commission. The examination includes a review of the books and documents and other accounting records kept by the charity and comparing these with the accounts presented.

Our examination also includes consideration of any unusual disclosures or items in the accounts, and seeking explanations from the Trustees. It is imperative to state here that the procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view'. Our report is therefore limited to the statements below:

Independent examiners' statement

In connection with our examination, we report that no matter has come to our attention, which gives cause to believe that the following have not been met:

2. Preparing accounts which accord with the underlying accounting records and which are in compliance with the Companies Act 2006, the United Kingdom Generally Accepted Accounting Practice (UK GAAP), the Statements of Recommended Practice (SORP) - Accounting and Reporting by Charities and the Charities Act 1993.

MEMBERSHIP OF EVANGELICAL ALLIANCE

Being a member of the Evangelical Alliance, we are integrated to a wider community united across denominations, locations, age group and ethnicities. Our membership has helped the church to have access to spiritual information regarding working together to reach the lost souls across regions and connects us to a wider evangelical network in the UK. We continue to unite to further the gospel of Jesus Christ.

A CALL TO PRAYER – PRAYER INITIATIVE

Pray without ceasing (1st Thessalonian 5:17) Prayer is one of our core values and we continue to hold weekly prayer initiative through the Welfare and Intercessory Ministry to facilitate effective, fervent and specific prayers for individuals, families, our communities, government and the international community. A Prayer line is active in this Ministry to ensure there are people dedicated to pray at set time. We continue to see significant growth in our Prayer Initiative Intercessory Group which provides structure, direction and accountability. Dedicated sessions are allocated to pray and give spiritual guidance and support to all members of the Intercessory Group, which has grown significantly.

Our weekly and monthly Fasting and Prayer Programme/Initiative also gives an opportunity for all Christian and members of the community to come together to seek divine guidance, pray for individuals, families, children and young people, local communities and nations. Through this initiative we continue to see positive changes and transformation as well as corporate and leadership empowerment.

PASTORAL CARE/SUPPORT

By this ministry our Pastorate encourages the ongoing transformation and preparation of the church in the inclusive process of communal spiritual leadership.

CHILDREN AND YOUNG PEOPLE FORUM/MINISTRY

Our Sunday School resumed after a long break due to the pandemic. Our children and young people are integral to the Ministry. Weekly Sunday schools are provided by our qualified teachers which enable our children and young people to gain core knowledge in Religious Studies. We also aim to continue holding frequent youth meetings/forum for teenagers and young adults who are active in the church. They are given a platform to showcase their talents, skills and ability in a larger audience on a monthly basis. TV EVANGELISM

Our Television Ministry has been running for a number of years. The goal of the program is to encourage viewers to study the Bible and do what the Lord directs them to do. We obtained a peak slot which has seen a greater increase in our TV audience across the UK. We continue to impact many people's lives, locally and internationally. Programmes are aired weekly and many people have visited our Church and some come to know Jesus Christ through this medium. It has helped the numerical and spiritual growth of the church. We are also active on social media channels. The pastoral teaching, anointing, wisdom, grace, care and love displayed by our Senior Pastor – Rev. Donna Davis is impacting many lives from diverse communities in the country and across the globe. Positive feedback from viewers confirms that individuals and families are positively impacted as we bring the message of hope, healing, salvation and deliverance both locally and internationally. We are seeing an increase in soul winning which resulted in large baptism services throughout the year.

SHUTTLE/BUS SERVICE

The Church's shuttle bus service continues to be a great help to get members, families, partners and supporters of the Ministry to church. The bus/shuttle service covers these areas: South London, Stratford, Ilford, Barkingside and Dagenham. This enables members and families who do not have their own transport means and those who are financially unable, to attend church services. It also helps to reduce transport challenges for those wishing to attend church services. Much appreciation is expressed for this service.

GROWTH

1st Corinthians 3:6-7

The focus is on discipleship, prayer and following Jesus while leaving the results up to God.

The church does not exist in and for itself. It is the vehicle to lead and manage the people of God through discipleship, evangelism, missions, spiritual growth and other programs all pointed to His Glory and worship. Additionally, our activities are available to members and non-members.

The church continues to grow from strength to strength and numerically. As a result of such growth two services are held on Sundays with the continuation of our weekly Bible Study and Prayer Services. This is as a result of our leadership passion for the Great Commission, their commitment and willingness to outreach communities and the leading and direction of God's Holy Spirit. The church programmes and activities are well attended and God continues to add new members. Our online Zoom sessions are now provided when the need arises.

CHURCH MANAGEMENT OFFICE

As part of Pastoral care and in order to meet and facilitate the needs of the growing congregation – members and their families, partners and supporters of the Church Charity, our Senior Pastor and Ministers attend to the spiritual well-being of members by providing counselling/advice from this office. This office also manages some of the church's administrative work.

FUTURE DEVELOPMENTS/PLANS FOR THE FUTURE

Our theme is “THE GREATER HARVEST”; I will make you exceedingly fruitful and “I will make nations of you and kings shall come from you” – Genesis 17:7. This is in furtherance of our Mandate of the Gospel – The Great Commission. This is our guiding vision.

A summary of the result of the Ark of the Covenant Prayer and Worship Tabernacle activities during the period are given in the Statement of Financial Activities on page 9. Total income of the charity amounted to of which from regular Sunday tithes and offering and Gift Aid amounted to It still remains the number one priority of the charity to obtain a permanent place of worship either through a longer term rental contract or an outright purchase via a mortgage. The size of the present church premises creates availability of bigger rooms for children and young people activities, children’s Sunday school programmes and other activities in pursuance of its charitable aims. We have seen a significant increase in membership during in the year in review and we have now maximised all the rooms/facilities in this building.

There is now an urgency for the Church Charity to own a permanent building and as such the Building committee is empowered to look for a permanent place of worship. The Church continues to raise funds for the building fund project which is restricted for the purposes of the building.

VOLUNTEERS

ACPWT thrives on the energy and willingness of its volunteers who continue to engage with enthusiasm and commitment to the vision and work of the church. They are central to the ethos and operations of the Charity. They donate their time, expertise and equipment to implement programmes and to provide other services. The number of volunteers has increase to 25 during the years in review The church is very grateful for this generosity. The financial value of this generosity has neither been calculated nor included in the financial statements because it is difficult to quantify these in monetary terms. We continue to see an increase in more people giving their time for the work of God which is very encouraging and motivating to the leadership of the Church.

The Board of Trustees and the Pastorate would like to express their gratitude to the church members and Volunteers for their generosity, selfless sacrifice of their time and talents towards the achievement of the objectives of the organisation.

CHURCH LIFE

The church gathers primarily for worship to celebrate all that God is and all that God has done for us to be drawn into the life of the Trinity, the Father, Son – Jesus Christ and the Holy Spirit. We offer God songs and words of praise and worship in psalms, hymns and spiritual songs. We attend to God’s words in Scripture/The Holy Bible. We gather around the table of the Lord in the Holy Communion. We fast and offer prayers for our own needs and the needs of others and of the world. When we do this we join our prayers – fervent, strong and weak as they often are – with great hymns and songs of praise of the Church in both earth and heaven, in time and eternity.

ACHIEVEMENTS, PERFORMANCE AND PLANS FOR THE FUTURE

DELIVERING PUBLIC BENEFIT

The charity carries out various activities in pursuance of its charitable aims. The Trustees are pleased to be able to report on another varied and wide range of activities and events that have taken place throughout the financial year. As with most organisations globally, the year was dominated by the impact of the Covid-19 pandemic. “Opening the Doors” - As gathering together for worship is at the heart of our faith traditions, decisions and strategies on reopening in accordance with the Government guidelines were implemented.

We integrated a zoom option to enable people across the UK and our international communities to remain connected to our Worship Services. We have now seen a significant increase in our membership, by using innovative ways and resources to remain spiritually active and strong during the lockdown. The Church family demonstrated an abundant outpouring of love and compassion to members and non-members during the pandemic. Our Pastoral Team led by our Senior Pastor Reverend Donna Davis and the Media team were able to rise to the challenges and different skill mix were merged together to deliver the church’s activities and programmes in responding to the coronavirus crisis.

ACPWT continues to effectively demonstrate that the church is both relevant and vital for wider society. Our unceasing passion is to honour God with our lives and be a blessing to humanity with our different gifts.

Sincere thanks are expressed to all ACPWT partners who support the mission of the church and to our dedicated and committed members who served faithfully year on year.

The Trustees consider the following activities summarised below provide benefits to members of the church, non-members and the local and wider community of London and the United Kingdom.

TEACHING/LECTURES

For part of the year in review, congregations were prohibited from gathering in person and when we could meet it was with restrictions. However, coupled with our virtual sessions we were able to provide vital spiritual and practical support to members, families and communities. Some teaching sessions were done through our virtual/online church, enabling us to continue to promote Bible study and religious teachings and practices. Approximately 18 hours of lectures were delivered weekly to enhance spiritual growth, development and good morals as a person and in the community. We strived to remain spiritually active and strong whilst responding to the coronavirus crisis.

MEMBERSHIP OF EVANGELICAL ALLIANCE

Being a member of the Evangelical Alliance, we are integrated to a wider community united across denominations, locations, age group and ethnicities. Our membership has helped the church to have access to spiritual information regarding working together to reach the lost souls across regions and connects us to a wider evangelical network in the UK. We continue to unite to further the gospel of Jesus Christ.

A CALL TO PRAYER – PRAYER INITIATIVE

Weekly prayer initiative, including vertical sessions were held through the Welfare and Intercessory Ministry to facilitate effective, fervent and specific prayers for individuals, families, our communities, government and the international community. A Prayer line is active in this Ministry to ensure there are people dedicated to pray at set time. Our Prayer Initiative and Intercessory Group provided immense support to members and their families as well as to non-members during the coronavirus pandemic. Many of our members are frontline staff/employees who have expressed great gratitude for the prayers and support that were provided to them during the pandemic – it helped them cope with the severe challenges as frontline staff and keyworkers. We are grateful to God for preserving every life.

Our weekly and monthly Fasting and Prayer Programme also gives an opportunity for all Christian and members of the community to come together to pray for individuals, families, children and young people, local communities and nations – for part of the year this was done virtually and resumed once we were able to meet, observing all guidelines and guidance as stipulated by the Government for safe use of places of worship, ensuring everyone is safe.

PASTORAL CARE/SUPPORT

By this ministry our Pastorate encourages the ongoing transformation and preparation of the church in the inclusive process of communal spiritual leadership.

Pastoral support including prayers, counselling, advising and supporting the bereaved were provided virtually, as well as from our Place of Worship and from the Church's Management Office - upon the reopening of doors, observing all Government guidelines/measures. Our Senior Pastor Reverend Donna Davis remained incredibly supportive and focus throughout the pandemic, demonstrating a great duty of care to members and their families as well as non-members. As a result of her commitment to the great commission and to the body of Christ, we did not miss any of our weekly services throughout the pandemic. We commend her for her strong leadership in responding to the covid crisis and unceasing passion to advance the Christian faith.

As we spread the gospel and the church is seeing growth, members are equipped, trained, appointed as leaders and put in place to assist in overseeing the congregation. Pastoral care of God's flock is of utmost importance in ACPWT – knowing this, Ministers, Trustees, Leaders and Stewards are encouraged to lead others by gospel-shaped teaching and modeling the application of God's word of grace in their lives.

Underpinning our love and care for members and their families, weekly counselling sessions are provided by our Senior Pastor – Reverend Donna Davis. Ministry Partners and visitors are also welcome to attend via an appointment system. A number of testimonies on the benefits of these sessions have been received.

Additionally, the Pastorate as well as members of the Church Management/Leadership Team supported each other and the wider congregation with practical help.

GROWTH

1st Corinthians 3:6-7

The focus is on discipleship, prayer and following Jesus while leaving the results up to God.

The church does not exist in and for itself. It is the vehicle to lead and manage the people of God through discipleship, evangelism, missions, spiritual growth and other programs all pointed to His glory and worship. Additionally, our activities are available to members and non-members.

The church continues to grow from strength to strength and numerically. As a result of such growth two services are held on Sundays with the continuation of our weekly Bible Study and Prayer Services. This is as a result of our leadership passion for the Great Commission, their commitment and willingness to outreach communities and the leading and direction of God's Holy Spirit. The church programmes and activities are well attended and God continues to add new members. Our online and Zoom sessions/fellowship were well attended during the year in the review and we have seen an increase in membership due to our virtual services.

CHURCH MANAGEMENT OFFICE

As part of Pastoral care and in order to meet and facilitate the needs of the growing congregation – members and their families, partners and supporters of the Church Charity, our Senior Pastor and Ministers attend to the spiritual well-being of members by providing counselling/advice from this office. This office also manages some of the church's administrative work.

FUTURE DEVELOPMENTS/PLANS FOR THE FUTURE

Our theme is "THE GREATER HARVEST"; I will make you exceedingly fruitful and "I will make nations of you and kings shall come from you" – Genesis 17:7. This is in furtherance of our Mandate of the Gospel – The Great Commission. This is our guiding vision.

A summary of the result of the Ark of the Covenant Prayer and Worship Tabernacle activities during the period are given in the Statement of Financial Activities on page 9. Total income of the charity amounted to £468,738 of which £ 297,357 from regular Sunday tithes and offering and Gift Aid amounted to £171,381. It still remains the number one priority of the charity to obtain a permanent place of worship either through a longer term rental contract or an outright purchase via a mortgage. The size of the present church premises creates availability of bigger rooms for children and young people activities, children's Sunday school programmes and other activities in pursuance of its charitable aims. We have seen a significant increase in membership during in the year in review and we have now maximised all the rooms/facilities in this building.

There is now an urgency for the Church Charity to own a permanent building and as such the Building committee is empowered to look for a permanent place of worship. The Church continues to raise funds annually for the building fund which is restricted for the purposes of the building.

VOLUNTEERS

ACPWT thrives on the energy and willingness of its volunteers who continue to engage with enthusiasm and commitment to the vision and work of the church. They are central to the ethos and operations of the Charity. They donate their time, expertise and equipment to implement programmes and to provide other services. The number of volunteers has increase to 25 during the years in review. The church is very grateful for this generosity. The financial value of this generosity has neither been calculated nor included in the financial statements because it is difficult to quantify these in monetary terms. We continue to see an increase in more people giving their time for the work of God which is very encouraging and motivating to the leadership of the Church.

The Board of Trustees and the Pastorate would like to express their gratitude to the church members and Volunteers for their generosity, selfless sacrifice of their time and talents towards the achievement of the objectives of the organisation.

CHURCH LIFE

The church congregates primarily for worship to celebrate all that God is and all that God has done for us to be drawn into the life of the Trinity, the Father, Son – Jesus Christ and the Holy Spirit. We offer God songs and words of praise and worship in psalms, hymns and spiritual songs. We attend to God's words in Scripture/The Holy Bible. We gather around the table of the Lord in Holy Communion. We fast and offer prayers for our own needs and the needs of others and of the world. When we do this we join our prayers – fervent, strong and weak as they often are – with great hymns and songs of praise of the Church in both earth and heaven, in time and eternity.

ACHIEVEMENTS, PERFORMANCE AND PLANS FOR THE FUTURE

Delivering Public Benefit

The charity carries out various activities in pursuance of its charitable aims. The Trustees are pleased to be able to report on another varied and wide range of activities and events that have taken place throughout the financial year. Due to the Covid-19 pandemic and to keep members/congregants and staff safe and healthy as possible, as we exercise our faith, church fellowship, services and other programmes were conducted online and via Zoom.

The Trustees consider the following activities summarised below provide benefit to members of the church, non-members and the local and wider community of London and the United Kingdom.

ACPWT continues to effectively demonstrate that the church is both relevant and vital for wider society. Our unceasing passion is to honour God with our lives and be a blessing to humanity with our different gifts.

Teaching/lectures

We continue to promote Bible study and religious teachings and practices. Approximately 18 hours of lectures are delivered weekly to enhance spiritual growth, development and good morals as a person and in the community. For the year in review most teachings, preaching, counselling were done via Zoom, due to the Coronavirus pandemic.

Membership of Evangelical Alliance

Being a member of the Evangelical Alliance, we are integrated to a wider community united across denominations, locations, age group and ethnicities. Our membership has helped the church to have access to spiritual information regarding working together to reach the lost souls across regions and connects us to a wider evangelical network in the UK.

A Call to Prayer – Prayer Initiative

We hold weekly prayer initiative (Via Zoom) through the Welfare and Intercessory Ministry to facilitate effective, fervent and specific prayers for individuals, families, our communities, government and the international community. A Prayer line is active in this Ministry to ensure there are people dedicated to pray at set time. Our Prayer Initiative and Intercessory Group provided immense support to members and their families as well as to non-members during the coronavirus pandemic.

Our weekly and monthly Fasting and Prayer Programme also gives an opportunity for all Christian and members of the community to come together to pray for individuals, families, children and young people, local communities and nations – this was done via Zoom during the year in review.

Other Outreach Events/Programmes - (Local and Overseas) Cont'd

The Charity and its Missionaries outreach overseas, however, this was placed on hold during the year in review.

- A Sponsor-a Child Programme for children resident in Chinyaradzo Children Home (Orphanage) and Madamombe Primary School is established in Zimbabwe. The Sponsor-a Child Programme caters for and provide orphans and the most deprived children with clothing, basic groceries, textbooks, school uniforms, solar panels and lights etc.
- Among the congregants, we saw an increase in charitable giving of food items and clothing etc. which enabled the Church Charity to assist local communities needs as well as our overseas Programmes during the pandemic.

In the UK and our local community, we continue to provide prayer sessions, residential and hospital visitations to those who are 'shut-in', sick and to those who are unable to attend worship. Some of the activities were restricted due to the coronavirus pandemic, whilst others were conducted online and via Zoom, during the year in review.

- Counselling sessions and services for bereavement, personal challenges and difficulties
- Prayer Line Support
- Welfare Support
- Prayer and Deliverance services to release people from bondage and spiritual imprisonment
- Women's meeting / events
- Men's meeting / events
- Community Christmas Hampers – As an expression of God's love, the Charity bless those most in need in the local community with hampers during the Christmas season. The hampers are not exclusively for people of any particular religion or faith but for those who are in desperate need during this time. This was restricted during the year in review.

Children and Young People Forum/Ministry

Our children and young people are integral to the Ministry. As communal worship was prohibited during the pandemic, our weekly Sunday School sessions were conducted via Zoom.. We continue to see significant improvement and achievement in their academic reports and performance. Weekly Sunday schools are provided by our qualified teachers which enable our children and young people to gain core knowledge in Religious Studies. We also hold frequent youth meetings/forum for teenagers and young adults who are active in the church. They are given a platform to showcase their talents, skills and ability in a larger audience on a monthly basis. This is a great driver for them, it enables and motivates them to learn, grow, develop and pursue their goals. These forums also help develop their talents, confidence, self esteem and improve their academic achievements. It helps them integrate better in the wider community. Parents continue to give positive feedback and expressed their gratitude. We are now seeing a significant increase in the number of our young people attending university. Additionally, some have now graduated and are advancing to Masters / Doctorate level.

Conventions, Retreats and Leadership Seminars

These are held annually to develop and enhance leadership skills in individuals and to train those in leadership to fulfil their potential and achieve their goals. The convention is held annually, whilst Retreats and leadership seminars are held twice annually to develop and enhance the spiritual alertness of the members and leaders in the Ministry. These were cancelled during the year in review., due to Covid 19 pandemic.

TV Evangelism

Our Television Ministry continues to impact many people's lives, locally and internationally. Programmes are aired weekly and many people have visited the Church and some come to know Jesus Christ through this medium. It has helped the numerical and spiritual growth of the church. We are also active on social media channels. The pastoral teaching, anointing, wisdom, grace, care and love displayed by our Senior Pastor – Rev. Donna Davis is impacting many lives from diverse communities in the country and across the globe. Positive feedback from viewers confirms that individuals and families are positively impacted as we bring the message of hope, healing, salvation and deliverance both locally and internationally.

Shuttle/Bus Service

The Church's shuttle bus service continues to be a great help to get members, families, partners and supporters of the Ministry to church. The bus/shuttle service covers these areas: South London, Stratford, Ilford, Barkingside and Dagenham. This enables members and families who do not have their own transport means and those who are financially unable, to attend church services. It also helps to reduce transport challenges for those wishing to attend church services. Much appreciation is expressed for this service. This service was cancelled during the year in review, due to Covid-19.

Growth

The church does not exist in and for itself. It is the vehicle to lead and manage the people of God through discipleship, evangelism, missions, spiritual growth and other programs all pointed to His Glory and worship. Additionally, our activities are available to members and non-members.

The church continues to grow from strength to strength and numerically. As a result of such growth two services are held on Sundays with the continuation of our weekly Bible Study and Prayer Services. This is as a result of our leadership passion for the Great Commission, their commitment and willingness to outreach communities and the leading and direction of God's Holy Spirit. The church programmes and activities are well attended and God continues to add new members. Our online and Zoom sessions/fellowship were well attended during the year in the review and we have seen an increase in membership due to our virtual services.

This office also manages some of the church’s administrative work.

FUTURE DEVELOPMENTS/PLANS FOR THE FUTURE

Our theme is “THE GREATER HARVEST”; I will make you exceedingly fruitful and “I will make nations of you and kings shall come from you” – Genesis 17:7. This is in furtherance of our Mandate of the Gospel – The Great Commission. This is our guiding vision.

A summary of the result of the Ark of the Covenant Prayer and Worship Tabernacle activities during the period are given in the Statement of Financial Activities on page 9. Total income of the charity amounted to £ 213,646 from regular Sunday tithes and offering. It still remains the number one priority of the charity to obtain a permanent place of worship either through a longer term rental contract or an outright purchase via a mortgage. The size of the present church premises creates availability of bigger rooms for children and young people activities, children’s Sunday school programmes and other activities in pursuance of its charitable aims.

The Church is still committed to owning its own building and as such the Building committee is empowered to look for permanent place of worship of our own. The Church continues to raise funds annually for the building fund which is restricted for the purposes of the building.

VOLUNTEERS

ACPWT thrives on the energy and willingness of its volunteers who continue to engage with enthusiasm and commitment to the vision and work of the church. They are central to the ethos and operations of the Charity. They donate their time, expertise and equipment to implement programmes and to provide other services.

The church is very grateful for this generosity. The financial value of this generosity has neither been calculated nor included in the financial statements because it is difficult to quantify these in monetary terms. We continue to see an increase in more people giving their time for the work of God which is very encouraging and motivating to the leadership of the Church.

The Board of Trustees and the Pastorate would like to express their gratitude to the church members and Volunteers for their generosity, selfless sacrifice of their time and talents towards the achievement of the objectives of the organisation.

Total resources expended in the year include a total cost of £185,233 - made up of direct charitable costs of £176,701 and governance cost of £6,200. The governance costs were mainly made up of Accountancy fees, and professional expenses and administration. The governance costs are approved by the Trustees.

RESERVES POLICY

Ark of the Covenant Prayer and Worship Tabernacle maintains unrestricted funds, which are the free reserves of the charity, at a level that is at least twelve months of committed expenditure, excluding direct charitable cost and other costs. Excess unrestricted funds, to the extent represented by liquid assets, will be used to meet recurrent operational costs, except where the Trustees consider that the funds should be retained for possible future projects

INVESTMENT POLICY

The Trustees have the power to invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide a high degree of security and liquidity and to maximise returns whilst adopting a conservative approach.

GRANT-MAKING POLICY

The Trustees make grants as an effective means of delivering support and assistance to other programmes that fit within the objectives of Ark of the Covenant Prayer and Worship Tabernacle, during the year under consideration, no grant was made.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Company law requires the directors, who are referred to here as the Trustees, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end of its incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the Financial Statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in service

The Trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINERS' REPORT
FOR THE YEAR ENDED 31 OCTOBER 2020
Company Number 06719936
Registered Charity Number 1145105**

We have examined the financial statements on pages 9 to 14 for the year ended 31 October 2020 which comprises the statement of financial activities, the balance sheet and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

The report is made solely to the Charity's Trustees, as a body, in accordance with Section 44 of the Charities Act 1993. The Trustees of the charity are of a general opinion that an audit is not required in accordance with Section 43(2) of the 1993 Act, and have opted for an independent examination instead.

Respective responsibilities of trustees and auditors

The Trustees, some of which are also the directors, have responsibilities for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards. These are set out in the Statement of Trustees' Responsibilities in the Report of the Trustees.

Our responsibilities as independent examiners of the charity are:

1. to examine the books and accounts of the charity in compliance with Section 43 of the 1993 Act;
2. to strictly adhere to the general directions provided by the Charity Commission under Section 43(7)(b) of the Charities Act 1993; and
3. to state whether particular matters have come to our attention in the course of our examination.
- 4.

We report to you whether the financial statements have properly been prepared in accordance with United Kingdom Generally Accepted Accounting Practice, the Companies Act 2006 and in accordance with the Charities Act 1993.

We also report to you whether the information given in the Trustees' Report is consistent with the financial statements. We consider the implications of our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

In addition we report to you if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our work, or if information specified by law regarding trustees' remuneration and other transactions with the charity is not disclosed.

INDEPENDENT EXAMINERS' REPORT
FOR THE YEAR ENDED 31 OCTOBER 2020

Basis of opinion

Our examination was carried out in accordance with the General Directions provided by the Charity Commission. The examination includes a review of the books and documents and other accounting records kept by the charity and comparing these with the accounts presented.

Our examination also includes consideration of any unusual disclosures or items in the accounts, and seeking explanations from the Trustees. It is imperative to state here that the procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view'. Our report is therefore limited to the statements below:

Independent examiners' statement

In connection with our examination, we report that no matter has come to our attention, which gives cause to believe that the following have not been met:

1. Keeping proper accounting records in accordance with Section 386 and 387 of the Companies Act 2006.
2. Preparing accounts which accord with the underlying accounting records and which are in compliance with the Companies Act 2006, the United Kingdom Generally Accepted Accounting Practice (UK GAAP), the Statements of Recommended Practice (SORP) - Accounting and Reporting by Charities and the Charities Act 1993.
