**Statement of Trustees' Responsibilities**

The Charities Act 2011 imposes on trustees the duty to diligently prepare annual financial statements, ensuring they accurately reflect the Charity's financial position and surplus for the period. In fulfilling this obligation, trustees are entrusted with several key responsibilities. They must carefully select appropriate accounting policies and consistently apply them. Furthermore, trustees are expected to exercise prudent judgment when making estimates and judgments, ensuring they are both reasonable and sound.

Moreover, it is the trustees' responsibility to prepare financial statements on the assumption that the charity will continue to operate as a going concern, unless circumstances dictate otherwise.

In addition to financial reporting, trustees are accountable for maintaining comprehensive accounting records that provide a clear and transparent overview of the Charity's transactions. These records should be detailed enough to accurately portray the Charity's financial position and ensure compliance with legal requirements outlined in the Charities Act 2011. Furthermore, trustees are entrusted with the vital task of safeguarding the Charity's assets, necessitating the implementation of adequate measures for fraud prevention and detection

## 1 Accounting Policies

### 1.1 Accounting Policies

The principal accounting policies adopted by the Charity, which is a public benefit entity, in the preparation of the accounts are as follows.

### 1.2 Basis of preparation

These accounts have been prepared under the historical cost convention, as modified by the inclusion of charitable properties and fixed asset investments and investment properties at valuation.

These accounts have been prepared in accordance with “Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)” (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

These accounts are presented in pounds sterling and rounded to the nearest pound.

### 1.3 Going concern

The Trustees have prepared financial projections, taking into consideration the current economic conditions and have, at the time of approving these accounts, a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adopt the going concern basis of accounting in preparing the accounts.
