## **Vale of Stour Methodist Circuit**

### **Trustees' Annual Report**

#### **Introduction**

The members of the Vale of Stour Methodist Circuit meeting present the accounts and Trustees' Annual Report for the year to 31 August 2021.

#### **Brief financial review of the year**

##### **Income trends**

Circuit income is primarily drawn from the assessment paid by the circuit churches.

##### **Expenditure trends**

Stipend expenditure has increased each financial year in line with conference approved increases.

41% of expenditure is the Circuit contribution to the District and Connexion, of which a significant part is used to fund the work of the wider Methodist Church.

##### **Fund balances**

As at 31 August 2021 the net current assets of the Circuit were £801,711 giving it in excess of 1 year cover for expenditure. (see Reserves Policy)

There is an amount of £1,009.90 held in a Youth Account and administered by Trustees. This fund will be transferred to the Circuit's Funds in the financial year 2021/22 and will be ring fenced for Youth work within the Vale of Stour Circuit.

##### **Churches and Manses**

Bromley Methodist Church, which closed for worship in 2018, was sold for £315,000 on 10<sup>th</sup> June 2021 (£308,341.20 net of expenses).

##### **Activities and Outcomes 2020/21**

The Covid-19 pandemic, which brought initial closure to the circuit's churches during March 2020, has been an unprecedented period in the life of the local church and the wider country.

It has brought significant disruption to the lives of individuals and communities, not least with the curtailment of many of the support activities offered and facilitated by the circuit's churches.

But amongst the challenging times we have seen incredible resilience and an outworking of our faith in the support of our congregations and wider local communities, including the development of 'online worship' (and thanks must be noted here to the circuit's Technical Community, and others, for the incredible hard work and commitment shown in moving so quickly to establish 'digital church'), which has brought regular acts of worship via digital platforms (and that continue to be

delivered 'post lockdown' for those in congregations that yet feel/are unable to return to regular face-to-face worship.

We have seen other innovative ways of continuing to provide support more widely, from telephone 'wellbeing calls' (within church congregations, and more widely) to YouTube videos from our Children & Families worker – helping to support parents and families through the challenges of lockdowns and home-schooling.

## **Plans for 2021/22**

Circuit financial plans for the coming year have been prepared on the basis that there remain 4 full time ordained staff. The impact of the Covid pandemic, together with anticipated cost of living stipend increases and a small decrease in the assessment paid to the district, means an operating budget of £282,000 has been assessed on the circuit churches.

Covid-19 restrictions have had significant implications for the lives of all the circuit's churches, particularly at a financial level, and some of these are now being felt. Many churches, though, have proved to be very resilient, with regular giving being maintained by congregations in the face of challenging circumstances and rental income levels beginning to return, albeit slowly.

However, the Circuit Leadership Team remains alive to the ongoing impact of the pandemic and have openly encouraged individual churches to discuss their own future plans with the Circuit Leadership Team where they feel the impact of the pandemic has had significant impact on their wellbeing and spiritual life.

### **Structure, Governance and Management**

The governing document for the circuit is the Deed of Union (1932) and Methodist Church Act (1976)

Detailed governance arrangements are outlined within the Constitutional Practice and Discipline of the Methodist Church by order of the annual conference (CPD).

Day to day management of the circuit is undertaken by the Circuit Leadership team along with the Local Preachers meeting, the Circuit Finance and Property Committee and the Circuit Policy Committee.

### **Trustee Training**

A range of guidance produced by Methodist Connexion to support the effective running of the circuit, specifically the leaflet 'The Role of a Trustee in The Methodist Church' is given to all new Circuit meeting members as induction to their role as trustees.

### **Related Parties**

The Circuit is part of the Wolverhampton and Shrewsbury District and is also accountable to the Methodist Conference.

The following Methodist Churches are linked to the circuit: Amblecote/Wordsley, Birch Coppice, Brierley Hill, Dudley Wood, Gig Mill, Kingswinford, Kinver, Lawrence Lane, New Road, Overend Mission, Providence, United Church Lye, Wesley, Wollaston.

### **Risk Management**

The major risks have been identified and recorded by the Circuit Finance and Property Committee with professional advice taken as required.

The current Covid – 19 Pandemic has meant that very stringent Risk Assessments had to be undertaken to allow some of our churches to reopen for worship in early August 2020. Such assessments continue to be monitored and maintained and Government guidelines have been followed very carefully.

There is a regular annual review process undertaken and recorded.

Income and Expenditure is being monitored in total and is compared with the approved annual budget on a monthly basis to detect trends as part of the risk management process to avoid unforeseen calls on reserves.

### **Safeguarding**

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- the safeguarding and protection of all children, young people and adults when they are vulnerable
- the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.

- We will carefully select and train all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.
- In all these principles we will follow legislation, guidance and recognised good practice

The Vale of Stour Circuit commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation, guidance and safe practice in the circuit and in the churches.

The Vale of Stour Circuit commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

### **Reserves Policy**

The Reserves Policy for the Circuit is to hold a minimum sum equivalent to 6 months' average expenditure. This should be sufficient to meet any unforeseen item of major expenditure on manses and / or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full Circuit Assessment from churches.

## **Notes to the Accounts**

### **1 Basis of accounting**

The financial statements have been prepared under the Charities Act 2011 in accordance with the 2014 version of Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with FRS102 – the Charities SORP (FRS102) and taking note of the Update Bulletin 1 issued in 2016.

### **2 Funds**

The funds held constitute: General Funds held for any purpose of the Circuit which are Unrestricted. The Circuit Model Trust Fund has wide purposes defined in Standing Orders and is categorised as unrestricted. Restricted funds which are held for a narrower purpose. There are no Endowment funds. Details of each material fund are disclosed in the final note to these accounts. Any funds may be represented by more than just cash.

### **3 Accounting policies**

#### **Basis**

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Circuit's financial position and activities.

#### **Incoming Resources**

Income is included in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

#### **Resources Expended**

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

#### **Grants**

Grants made by the Circuit from its own funds are recognised in full at the time of agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment.

#### **VAT**

Since the Circuit is not VAT registered, all input VAT is charged with the expenses to which it refers.

#### **Tangible fixed assets for use by the Circuit**

Tangible fixed assets are capitalised if they can be used for more than one year, and cost at least £500. The freehold property is shown in the accounts at 2015 deemed values, of which the land component is deemed to be £350,000. No depreciation is provided on the building because the trustees consider the current residual fair value of the manse buildings (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its current value. Any depreciation would not be material. The property has been reviewed for impairment.

#### **Investment Properties**

Investment properties - no property is currently deemed to not be held for the long term purposes of the charity.

#### **Investments**

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year-end are shown in the SOFA.

#### **Debtors and Prepayments**

These are shown as having been calculated using appropriate accounting conventions..

#### **Creditors**

Creditors include both sundry expenses and specifically the 1st quarter assessment received in August.

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts do not accord with the accounting records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view, which is not a matter considered as part of an independent examination
- the trustees' annual report is not consistent with the accounts.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

I have not obtained independent verification of all investments with the Trustees for Methodist Church Purposes or held in other trusts, bank balances and funds at the Central Finance Board of the Methodist Church which are individually in excess of £10,000 (ten thousand pounds) at the balance sheet date.
