## **Vale of Stour Methodist Circuit**

### **Trustees' Annual Report**

#### **Introduction**

The members of the Vale of Stour Methodist Circuit meeting present the accounts and Trustees' Annual Report for the year to 31 August 2025.

#### **Brief financial review of the year**

##### **Income trends**

Circuit income is primarily drawn from the assessment paid by the circuit churches.

##### **Expenditure trends**

Stipend expenditure has increased each financial year in line with conference approved increases.

31% of expenditure is the Circuit contribution to the District and Connexion, of which a significant part is used to fund the work of the wider Methodist Church.

##### **Fund balances**

As of 31 August 2025 the net current assets of the Circuit were £697,584 giving it in excess of 6 months' cover for expenditure. (see Reserves Policy)

There is an amount of £1,009.90 held in a Youth Account and administered by Trustees. This fund will be transferred to the Circuit's Funds in the financial year 2025/26 and will be ring-fenced for Youth Work within the Vale of Stour Circuit.

##### **Churches and Manses**

No manses were disposed of during the year – the former Brierley Hill manse continues to be used in support of The Brierley Hill Project.

The manses at Timbertree and Birch Coppice have been retained and are currently generating rental income for the Circuit.

##### **Activities and Outcomes 2024/25**

Some five years on from the unprecedented Covid-19 pandemic, life has returned to 'business as usual' for the Circuit's churches, albeit they are still feeling the lingering effects of decreases in worshippers and income streams as a result (although we have seen some churches return to pre-pandemic levels of membership and attendance. Indeed, some churches have brought in new regular worshippers, members and regular hirers of their premises).

Cost of Living pressures remain at the forefront of many, particularly through increased energy costs. But support of immediate congregations and the wider community remain at the heart of church outreach.

Indeed, we have seen two churches 'cease to worship' – Wesley and Providence – which has impacted Circuit finances by way of reduced assessments. Whilst approved sales will ultimately generate additional income at some future point (likely 25/26 financial year) this will be on a 'one off' basis, so there needs to be honest conversations about how best such funds can be invested to support the long-term future of Methodism in the Vale of Stour Circuit.

The Circuit's 'Way Forward' programme has continued steadily during the year with many positive discussions as to what the future looks like for the 'clustered' churches; we now have the 'new' Stourbridge Methodist Church – a single 'church' worshipping from two sites (New Road and Gig Mill).

Support for The Brierly Hill Project (BHP), whose mission is to provide targeted life support and mentoring for the people from the Brierley Hill area and wider Dudley Borough has continued through a re-purposing of the former Brierly Hill manse as an operational base. Such a partnership serves to strengthen the Circuit's charitable role (through its churches) of acting as a resource provider for the Methodist Church in the local area.

### **Plans for 2025/26**

Circuit financial plans for the coming year have been prepared on the basis of a continuing two-Minister Circuit, together with appropriate support from the Lay Team and Supernumeraries. Accordingly, a gross operating budget of £346,702 has been assessed on the circuit churches. However, the Circuit has actively chosen to invest in two key lay roles from its reserves, meaning a net operating budget of £272,202 has been approved.

We remain alive to the cost-of-living pressures facing the Circuit's churches and congregations and so, in light of the closure of Wesley and Providence, have similarly reduced the financial call on the remaining churches (via assessment). For 2025/26 this is set at £210,000.

The Circuit Leadership Team has openly encouraged individual churches to discuss their own future plans with the Circuit Leadership Team where they feel the impact of the pandemic has had significant impact on their wellbeing and spiritual life and such conversations continue as an integral part of the 'Way Forward' programme.

2025/26 also sees a new Superintendent Minister – Rev. Jem Hawkins – following the 'sitting down' of the previous incumbent – Rev. Alan Combes ... but we will remain a two-minister Circuit for the financial year.

### **Basis of preparation and legal framework**

### **Structure, Governance and Management**

The governing document for the circuit is the Deed of Union (1932) and Methodist Church Act (1976)

Detailed governance arrangements are outlined within the Constitutional Practice and Discipline of the Methodist Church by order of the annual conference (CPD).

Day to day management of the circuit is undertaken by the Circuit Leadership team together with the Local Preachers meeting, the Circuit Finance and Property Committee and the Circuit Policy Committee.

### **Trustee Training**

A range of guidance produced by Methodist Connexion to support the effective running of the circuit, specifically the leaflet 'The Role of a Trustee in The Methodist Church' is given to all new Circuit meeting members as induction to their role as trustees.

### **Related Parties**

The Circuit is part of the Wolverhampton and Shrewsbury District and is also accountable to the Methodist Conference.

The following Methodist Churches are linked to the circuit: Amblecote/Wordsley, Birch Coppice, Brierley Hill, Dudley Wood, Gig Mill, Kingswinford, Kinver, New Road, Overend Mission, Providence, United Church Lye, Wesley, Wollaston.

### **Risk Management**

The major risks have been identified and recorded by the Circuit Finance and Property Committee with professional advice taken as required.

Formal Covid-19 risk assessments are no longer required in accordance with Government guidelines but churches remain mindful of good practice regarding ventilated spaces and good personal hygiene.

There is a regular annual process review undertaken and recorded.

Income and Expenditure is monitored in total and is compared with the approved annual budget on a monthly basis to detect trends as part of the risk management process to avoid unforeseen calls on reserves.

### **Safeguarding**

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- the safeguarding and protection of all children, young people and adults when they are vulnerable

- the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.
- In all these principles we will follow legislation, guidance and recognised good practice

The Vale of Stour Circuit commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation, guidance and safe practice in the circuit and in the churches.

The Vale of Stour Circuit commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

### **Reserves Policy**

The Reserves Policy for the Circuit is to hold a minimum sum equivalent to 6 months' average expenditure. This should be sufficient to meet any unforeseen item of major expenditure on manses and / or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full Circuit Assessment from churches.

## NOTES TO THE ACCOUNTS

### 1. BASIS OF ACCOUNTING

The financial statements have been prepared under the Charities Act 2011 in accordance with the 2014 version of Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with FRS102 – the Charities SORP(FRS102) and taking note of the Update Bulletin 1 issued in 2016.

### 2. FUNDS

The funds held constitute: General funds held for any purpose of the Circuit which are Unrestricted. The Circuit Model Trust Fund has wide purposes defined in Standing Orders and is categorised as unrestricted. Restricted funds which are held for a narrower purpose. There are no Endowment funds. Details of each material fund are disclosed in the final note to these accounts. Any funds may be represented by more than just cash.

### 3. ACCOUNTING POLICIES

**Basis** – These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Circuit's financial position and activities.

**Incoming Resources** – Income included in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources, and the monetary value can be measured with sufficient reliability.

**Resources Expended** – This is recognized when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognized as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

**Grants** – Grants made by the Circuit from its own funds are recognized in full at the time of agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment.

**VAT** – Since the Circuit is not VAT registered, all input VAT is charged with the expenses to which it refers.

**Tangible fixed assets for use by the Circuit** – Tangible fixed assets are capitalized if they can be used for more than one year, and cost at least £500. The freehold property is shown in the accounts at 2015 deemed values, of which the land component is deemed to be £350,000. No depreciation is provided on the buildings because the Trustees consider the current residual fair value of the manse buildings (on assumption that it had reached the end of its useful economic life by the year end) to be not less than its current value. Any depreciation would not be material. The property has been reviewed for impairment.

**Investment Properties** – Investment properties – no property is currently deemed to not be held for the long-term purposes of the charity.

**Investments** – Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year end are shown in the SOFA.

**Debtors and Prepayments** – These are shown as having been calculated using appropriate accounting conventions.

**Creditors** – Creditors include both sundry expense and specifically the 1<sup>st</sup> quarter assessment received in August.

## Independent Examiner's Report to the Trustees of Vale of Stour Methodist Circuit

I report to the charity trustees on my examination of the accounts of the Vale of Stour Circuit for the year ended 31 August 2024 which comprise the Trustees Annual report, the Statement of Financial Activities, the Balance Sheet, and the Notes to the Accounts.

### Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

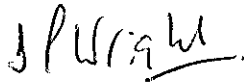

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
