'The Light Fund raises funds to be distributed to charitable projects.

Its activities are centred within the UK Intellectual Property industry known more commonly as the Licensing Industry.

The Light fund is an acronym of Licensing Industry Giving Help Together.

The Trustees may appoint suitably qualified candidates as Trustees either to fill a casual vacancy or as a permanent addition.

The charity is organised so that the Trustees communicate regularly to manage its affairs. The Trustees work with and alongside a committee of volunteers that meet at least once a quarter to review all matters related to the charity. The committee is made up of experienced business people drawn from the Licensing industry.

New and prospective Trustees are usually familiar with the charity's objectives and its ongoing work. They are invited to attend meetings with the existing Trustees in order to further familiarise themselves with the charity and its operations. The attention of new Trustees is also drawn to various Charity Commission publications covering Trustees' responsibilities and they are provided with a copy of the Memorandum and Articles of Association and the latest financial statements.

The Trustees are supported by a committee of volunteers drawn from the Licensing industry who help identify fundraising opportunities and help to deliver these events.

Risk Management

The trustees review the risks that the charity faces on a regular basis and believe that their management approach, which minimizes risk and authorizes expenditure only when reserves are sufficient, and an annual review of the controls over key financial systems, provides an adequate framework to respond in the event of a problem arising.

In addition, the management committee help oversee the charity's activities including reference to risk management.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public dispersal to registered charities.

Achievements, Performance and Future Plans

The Light Fund devise, create and manage a range of fundraising activities throughout the year.

Most of these are industry-wide events whilst others are based on individual fundraising activities.

With the return to normal life following the COVID-19 pandemic, we have been able to re-instate all our usual fund-raising events, which involve live participation by industry members and others.

The key event during this period was an amazing Cross-Channel Relay Swim in July 2022 by 12 Light Fund supporters who had trained for over a year doing ever-more difficult open-water swims to prepare themselves for the rigours of this incredible challenge. We are grateful to them all for their incredible commitment and successfully achieving this most epic challenge.

Other notable sources of funds this financial year have included:

- Northern Light Fund Quiz held in Manchester
- Comedy Night in London.
- Treasure Hunt in London
- Southern Light Fund Quiz held at Lord's cricket ground
- Raffles at Awards events organised by Max Publishing Ltd
- Donations from individuals

Report of the Trustees for year ended 31st January 2023 (Continued...)
Registered Charity Number: 1145596

Each year The Light Fund makes donations to a small number of 'favoured' charities, who are guaranteed funds from us for a minimum of 3 years to enable them to plan ahead with some certainty over that period. The allocation of the balance of funds available, usually the vast majority of the sums raised, is decided by the vote of Trustees and key supporters who choose from those charities proposed to us via our website portal.

In line with our donations policy, all donations have been made in the UK to UK registered charities and the Light Fund will keep in touch with these charities to ensure all agreed projects are carried out.

From time to time The Light Fund supports individuals from the Licensing or ancillary industries who need support due to illness, bereavement or hardship. We also make donations in memory of dear colleagues, or members of their families, who have passed away. These donations are approved by the Trustees and details of these are available if required but, for reasons of confidentiality, are not included in this report. The Light Fund has made two such memorial donations during the year in question.

The Light Fund has a website which is publicly viewable and is updated regularly to reflect The Light Fund's activities www.lightfund.org

Financial Review

Thanks to our brave colleagues who swam across the Channel, this has been a record-breaking year in terms of funds raised and amounts donated.

In the forthcoming year, we anticipate our fundraising amount to fall back to normal, subject to the continuing COVID-19 situation permitting us to carry out our normal series of events.

The Light Fund keeps its expenditure at very low levels. All Trustees and committee members provide their own time and services free of charge.

Reserves Policy

Due to the minimal amount of administrative expenditure detailed above, our policy is to donate as much as possible at the end of each calendar year to good causes, leaving a prudent balance to cover contingencies before fund-raising recommences the following year.

Financial Statements

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the year and of the surplus or deficiency for the year ended.

In preparing those financial statements, the Trustees are required to:

Select suitable accounting policies and then apply them consistently;

Observe the methods and principles in the Charities SORP;

Make judgments and estimates that are reasonable and prudent;

State whether the policies adopted are in accordance with the Companies Act 2006 and with applicable accounting standards and statements of recommended practice, subject to any material departures disclosed and explained in the financial statements;

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006.

The Trustees are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charitable Company's website.

Independent Examiner's Report to the Trustees (Directors) of The Light Fund

I report on the accounts of the company for the year ended 31 January 2023, which are set out on the annexed pages.

Respective responsibilities of Trustees (Directors) and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £25,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England & Wales.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act; and
- To state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:

To keep accounting records in accordance with section 386 of the Companies Act 2006; and to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS 102) have not been met; or

2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
