'The Light Fund raises funds to be distributed to charitable projects.

Its activities are centred within the UK Intellectual Property industry known more commonly as the Licensing Industry.

The Light fund is an acronym of **Licensing Industry Giving Help Together.**

Registered Charity Number: 1145596

The charity is organised so that the Trustees communicate regularly to manage its affairs. The Trustees work with and alongside a number of volunteers and meet at least once a quarter to review all matters related to the charity. The committee is made up of experienced business people drawn from the Licensing industry.

New and prospective Trustees are usually familiar with the charity's objectives and its ongoing work. They are invited to attend meetings with the existing Trustees in order to further familiarise themselves with the charity and its operations.

The Trustees are supported from time to time by a committee of volunteers drawn from the Licensing industry who help identify fundraising opportunities and help to deliver these events.

Risk Management

The Trustees review the risks that the charity faces on a regular basis and believe that their management approach, which minimises risk and authorises expenditure only when reserves are sufficient, provides an adequate framework to respond in the event of a problem arising.

Achievements, Performance and Future Plans

The Light Fund devises, creates and manages a range of fundraising activities throughout the year.

Most of these are industry-wide events whilst others are based on individual fundraising activities.

Our notable sources of funds this financial year have included:

- Northern Light Fund Quiz held in Manchester
- Comedy Night Held in London
- Treasure Hunt in London
- Southern Light Fund Quiz held at Lord's cricket ground
- Raffles at Awards event organised by Max Publishing Ltd
- Sample sales by companies within licensing, toy & card industries
- Donations from Individuals

Each year The Light Fund makes donations to a small number of designated charities, who are guaranteed funds from us for a minimum of 3 years to enable them to plan ahead with some certainty over that period. The allocation of the balance of funds available, usually the vast majority of the sums raised, is decided by the vote of Trustees and key supporters who choose from those proposed to us by charities via our website portal.

In line with our donations policy, all donations this financial year have been made to UK registered charities and the Light Fund is kept up to date by these charities with their progress on the projects outlined by them for the donations.

From time to time The Light Fund supports individuals from the Licensing or ancillary industries who need support due to illness, bereavement or hardship. We also make donations in memory of dear colleagues, or members of their families, who have passed away or suffered severe illness. These donations are approved by the Trustees and details of these are available if required but, for reasons of confidentiality, are not included in this report. The Light Fund has made two such memorial donations during the year in question.

The Light Fund has a website which is publicly viewable and is updated regularly to reflect The Light Fund's activities www.lightfund.org

Financial Review

This has been a relatively 'normal' year of industry events and fund-raising events have been well attended and enjoyed by industry colleagues. We are especially grateful to a number of generous individuals that have supported us with donations and also those companies that have raised substantial sums for the Light Fund through raffles at Awards events and sample sales.

In the forthcoming year, as well as carrying out our regular events, we are planning a large event challenge and encouraging the participation of a wide spread of industry colleagues. We hope this will be a positive contribution to our industry and generate a large sum of money for us to distribute to worthy causes in due course.

The Light Fund keeps its expenditure at very low levels. All Trustees and committee members & supporters provide their own time and services free of charge.

Reserves Policy

Due to the minimal amount of administrative expenditure detailed above, our policy is to donate as much as possible at the end of each calendar year to good causes, leaving a prudent balance to cover contingencies before fund-raising recommences the following year.

Financial Statements

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the year and of the surplus or deficiency for the year then ended.

In preparing those financial statements, the Trustees are required to:

Select suitable accounting policies and then apply them consistently;

Make judgments and estimates that are reasonable and prudent;

State whether the policies adopted are in accordance with the Companies Act 2006 and with applicable accounting standards and statements of recommended practice, subject to any material departures disclosed and explained in the financial statements.

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006.

The Trustees are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the Board of Trustees

Independent Examiner's Report to the Trustees (Directors) of The Light Fund

I report on the accounts of the company for the year ended 31 January 2025, which are set out on the annexed pages.

Respective responsibilities of Trustees (Directors) and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £25,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England & Wales.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;

To follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act; and

To state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:

To keep accounting records in accordance with section 386 of the Companies Act 2006; and to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS 102) have not been met; or

2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
