The charity's objects, as set out in its constitution, are to advance the education of children at Selwyn Primary School by:

- Developing effective relationships between staff, parents and others associated with the school
- Engaging in activities or providing facilities, equipment or resources that support the school and enhance educational opportunities

Section D: Achievements and performance

Fundraising activity during 2024–2025

During the year, Friends of Selwyn School delivered a broad programme of fundraising events aimed at raising funds for the school while strengthening engagement across the school community. Trustees deliberately balanced events focused on children with activities aimed at adults and whole families, reflecting feedback and learning from previous years.

Key fundraising events included:

- **Preloved uniform and PE shirt sales**
Seven sales were held during the year, raising £734.35. These sales provided affordable uniform options for families and promoted sustainability through reuse.
- **Spooky Autumn Disco**
A popular event for children, raising £1,502.73. Trustees reviewed feedback from the

event and identified improvements to age-group arrangements for future discos.

- **Winter Festival**

The Winter Festival raised £4,633.83 and was a significant community event, supported by a large number of volunteers and well attended by families.

- **Grown-ups' Quiz Night**

The quiz night raised £2,119.66 and demonstrated the value of adult-focused fundraising events. Trustees agreed to explore similar events in future years.

- **Mother's Day and Father's Day shops**

These events enabled children to independently purchase affordable gifts for caregivers. They raised £669.44 and £700.08 respectively and were well supported by families.

- **Easter Cake Sale and Krispy Kreme fundraiser**

This combined fundraising activity raised £523.39 and relied heavily on volunteer support.

- **Summer Festival**

The Summer Festival was the most successful event of the year, raising £5,009.83. Trustees noted strong community participation, high volunteer involvement and particularly positive feedback on inclusive and free elements of the event.

- **Eid celebration**

FOSS supported the school's Eid event, raising £121.91 and contributing to an inclusive and welcoming school environment for children from all backgrounds.

Additional fundraising streams

In addition to events, FOSS raised funds through Little Recyclers collections, My School Lottery, Easyfundraising, ASDA Cashpot, clothing sales via Vinted, general donations and matched funding from the Lloyds Bank Foundation. These activities helped diversify income and reduce reliance on large-scale events alone .

What FOSS funded for the school

Funds raised during 2024–2025 were used to directly benefit children and improve the school environment. Major items funded included:

- £20,000 investment in new playground equipment, including climbing frames, slides and safety surfacing
- £3,000 (£1,000 per term) towards school trips, reducing costs for families
- A Christmas pantomime for all children to enjoy
- A Year 6 Leavers' Disco, including refreshments and take-home treats
- A new PA and sound system for the school hall
- Sports bibs and equipment to support PE lessons and competitions
- Drama props to support curriculum enrichment
- An ice-cream van visit, ensuring every child could take part

These purchases supported both educational and enrichment opportunities and helped ensure inclusive access for children across the school.

Volunteers and community involvement

Friends of Selwyn School is entirely volunteer-led. Parents and carers gave significant time to planning, organising and running events, managing communications and supporting administration. The trustees are extremely grateful for the commitment and enthusiasm of all volunteers, whose efforts make the charity's work possible.

Section E: Financial review

Total income for the year was £29,185.39. Expenditure exceeded income due to planned, one-off capital investment in playground improvements and school facilities.

Reserves policy

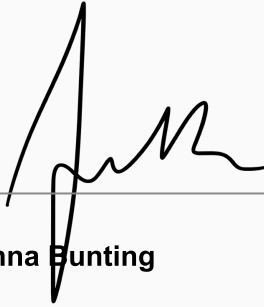

The trustees aim to maintain reserves sufficient to cover approximately three to six months of operating costs. This provides financial stability and flexibility to respond to unforeseen circumstances while continuing to support the school. The reserves policy is reviewed regularly.

DECLARATION

The Trustees declare that they have approved the trustee's report above.

FOSS operates as a charity that is closely tied to Selwyn Primary School. The charity's organisational structure is relatively flat, with trustees acting as the key decision-makers who lead and manage the charity's activities. The trustees are responsible for overseeing the charity's strategic direction, finances, and compliance with regulations.

- The trustees are supported by members, including parents, families, and staff, who participate in activities and events to raise funds and support the school.
- FOSS works closely with Selwyn Primary School's staff, including the headteacher, to ensure that funds raised and activities undertaken align with the school's needs and priorities. The trustees must consult the headteacher for any activities within the school premises to ensure the charity's work complements the educational mission of the school.

The trustees of FOSS are committed to managing and mitigating risks to ensure the charity operates efficiently and remains compliant with legal and regulatory requirements. The main risks considered by the trustees include:

- **Financial Risks:** FOSS is responsible for managing funds raised through activities and events. To mitigate the risk of mismanagement, the charity adheres to financial controls, including regular reporting and accounting. The trustees are required to ensure that all financial decisions are in the best interest of the charity, with the goal of supporting the educational needs of the pupils.
- **Operational Risks:** Trustees assess risks related to the smooth running of events and activities, ensuring the safety and wellbeing of participants, especially children. To manage these risks, FOSS

holds public liability insurance and follows procedures to minimise the risk of accidents at events.

- **Reputational Risks:** FOSS values its reputation within the school community. The trustees are proactive in maintaining a positive relationship with the school and its stakeholders. Any activity that could potentially harm the reputation of the charity or the school is carefully considered before being approved.
- **Compliance Risks:** The trustees ensure that FOSS adheres to relevant charity regulations, including those set out by the Charity Commission.

To manage these risks, the trustees are responsible for reviewing and updating policies and procedures regularly. This may include:

- Having a contingency plan for unexpected events or changes.
- Regular communication with stakeholders to identify any concerns early.
- Implementing safeguarding procedures for events involving children.

By actively managing risks, the trustees ensure FOSS remains sustainable, complies with regulations, and maximises its positive impact on the school community.

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Any funds raised by FOSS are allocated based on the needs of the school, as determined in consultation with the headteacher and school staff. These funds are used to purchase equipment, sponsor activities, or support other initiatives that align with the charitable purposes outlined in the constitution, such as improving educational facilities and promoting community engagement.

FOSS is a volunteer-led charity that primarily focuses on raising funds through events and community activities. The charity does not currently engage in programme-related investments, as the primary purpose is to raise funds for the school rather than invest in long-term financial programs.

Contribution Made by Volunteers

Volunteers are essential to the success of FOSS and play a key role in the charity's activities. FOSS benefits greatly from the dedication and enthusiasm of its volunteers, who contribute their time and effort to support the educational goals of Selwyn Primary School.

- **Volunteer Roles:** Volunteers, primarily parents of pupils at the school, assist with a variety of tasks, including organizing and running fundraising events, supporting school-related activities, managing communications, and helping with administrative duties.
- **Volunteer Engagement:** Volunteers are encouraged to participate in FOSS activities through regular communication, newsletters, and meetings. The trustees ensure that volunteers have the resources and support they need to carry out their roles effectively, and that their contributions are recognised and valued.
- **Community Impact:** The volunteer-driven nature of FOSS creates a strong sense of community and collaboration. The efforts of volunteers directly impact the success of fundraising and community events, which in turn benefit the pupils at Selwyn Primary School.

The trustees acknowledge and appreciate the invaluable contribution of all of our volunteers, whose time, skills, and dedication help bring the mission of FOSS to life.

Brief statement of the charity's policy on reserves

Friends of Selwyn School (FOSS) aims to maintain a prudent reserve fund to ensure the charity's financial stability and ability to meet its ongoing obligations. The reserve policy is designed to protect the charity in the event of unforeseen circumstances, such as a sudden decrease in fundraising income or an unexpected expense.

- **Purpose of Reserves:** The reserves will be used to support the charity's core activities, including the provision of resources and support to the school. The reserve fund will also act as a safeguard to ensure that FOSS can continue to operate effectively without disruption, even in the event of temporary shortfalls in funding.
- **Level of Reserves:** The trustees have agreed that the reserve fund should be maintained at a level sufficient to cover three to six months' worth of operational costs, including event-related expenses, administration, and any other necessary outlays. This ensures that the charity can continue to function smoothly while providing the flexibility to respond to changes in funding or need.
- **Use of Reserves:** Any use of the reserve fund will be carefully considered by the trustees to ensure it aligns with the charity's purpose and mission. The trustees will periodically review the level of reserves and adjust as needed to ensure that the charity remains financially resilient.

The charity's reserve policy is reviewed regularly to ensure it remains in line with the charity's activities and the broader financial landscape.

- We have made a commitment to pay for a Pantomime event in Nov 2024 for the whole school to enjoy.
- We have agreed to pay for a new PA system for the school hall which has been ordered and will be installed in the Autumn term 2024
- We will pay £20,000 towards the costs of new playground equipment in year 1/2 and 3/4/5 playgrounds. The playground makeover will make use of the two grassy mounds surrounding the Year 1 & 2 and Years 4, 5 & 6 playgrounds with new bespoke equipment, including a 'hillside tower' (with a climbing ramp, an embankment slide and a scramble net) and a challenging 'trim trail' with hillside stepping logs.. The works started mid August and were due to be completed in Sept 2024.
- We will review our ability to continue to provide funds to subsidise the cost of trips, reducing the cost for all parents
- We will consider our capacity to put on additional events once the volunteer numbers for 24/25 are known
