Report of the Trustees for the Year Ended 31 May 2025

The Trustees present their Annual Report of the Charitable Trust for the year ended 31 May 2025.

The financial statements for the year have been submitted separately and prepared in accordance with Charity Commission guidance - Charity reporting and accounting: the essentials November 2016 (CC15d) - the Trust Deed and S132 Charities Act 2011.

Structure, Governance and Management

The Charitable Trust is a Registered Charity (No. 1145694) and was established on the initiative of the then Mayor of the Royal Borough of Kingston upon Thames, Councillor Patrick Codd. The Trust Deed is dated 28 November 2011 and the Trust was registered with the Charity Commission on 31 January 2012. The Charitable Trust was established to provide a means for the disbursement of funds raised for charitable purposes, through the Charity Appeal of the Mayor of the Royal Borough of Kingston upon Thames. Over the course of the Mayoral year, through a number of fundraising events, and separate donations, funds are raised for distribution amongst local charities. The role of the Trustees is to oversee this process and deal with the disbursement of funds at the end of each Mayoral year.

Trustee appointments

Councillor Elizabeth Green succeeded Councillor Diane White as Mayor on 14 May 2024.

As agreed at a meeting of the Charitable Trust on 28 May 2012 the incoming Mayor becomes a Trustee and to provide continuity the previous year's Mayor continues as a Trustee for a further year. Councillor White therefore continued as a Trustee following the conclusion of her Mayoral year, replacing Councillor Yogan Yoganathan, as the past Mayor Trustee. Reverend John Shepherd and Father Michael Lovell both ended their term of office on 28 April 2025. The trustees shall consider appointing a new trustee(s) at a future meeting.

Clerk to the Trustees

Gary Marson, the Council's former Corporate Head of Democratic & Electoral Services, retired on 31 October 2024. Michelle Beaumont replaced Gary as Clerk to the trustees on 1 November 2024, as recorded in the minutes of the trustees meeting held on 16 September 2024.

Aims of the Trust

The aims of the Trust are

1. To promote social inclusion for the public benefit by the relief of those in need by reason of youth, age, ill health, disability, financial hardship or other disadvantage living within the administrative area of The Royal Borough of Kingston upon Thames and the surrounding area.
2. To further any purpose for the benefit of the public that is charitable according to the law of England and Wales.

The income of the Trust is applied to furthering these aims. In practice the Charitable Trust applies its income to other organisations which are registered charities which, in turn, have objects that meet those of the Trust. These are charities chosen by the Mayor to be supported during his/her Mayoral Year

Accounts for 2024/25 and Application of Income

The final accounts for the 2024/25 year ending 31st May 2025 were presented to the Trustees meeting on 8 September 2025. During the course of the year the Charity received income of £41,675.

Expenditure for the purpose of raising funds amounted to £10,383.62. Income for distribution to the nominated charity therefore amounted to £31,291 and is due to be distributed to the organisation selected for support by Councillor Elizabeth Green during her Mayoral year, namely Habitats and Heritage.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).
Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.
Government grants	The charity has received government grants in the reporting period
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably. Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.
Support costs	The charity has incurred expenditure on support costs.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Income from interest	This is included in the accounts when receipt is probable and the amount receivable can be

Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least
	They are valued at cost.
	The depreciation rates and methods used are disclosed in note 9.2.
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5
	They are valued at cost.
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.
	They are valued at cost.
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same

Note 29	Additional Disclosures
---------	------------------------

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

The Mayor's Charitable Trust of the Royal Borough of Kingston Upon Thames

Charity number: 1145694

Financial Accounts for the Year: 1 June 2024 to 31 May 2025

Enclosed are the annual accounts for the Mayor's Charitable Trust, which are prepared in accordance with FRS 102 and the Charity Commission's Statement of Recommended Practice (please note, all figures below are rounded to the nearest pound). The accounts are prepared on the accrual basis, meaning income and expenses are recorded when they arise, not when the cash is received or paid

Income and expenditure:

The charity received income in 2024/25 of £41,675 which is £6,095 greater than the amount received in 2023/24.

Expenditure for the year matches income at £41,675, £10,383.62 of which was spent on raising funds. The remaining £31,291 of total expenditure is the available amount to pay over to Habitats & Heritage Charity which specialises in maintaining the natural and historic environment and climate in south & west London.

Balance Sheet

This statement holds amounts that transfer between financial years. Key items are:

Debtors: This is mainly made up of Heritage Bus Stripe payments of £1,372 that were not paid in time for the accounts into the Mayoral account. The difference is small donations and payments that had not been paid out from the payment channels amounting to £141.

Creditors: this represents the payments to nominated charities that have been agreed, but not yet made. The balance of £31,291 as at May 31st 2025 to be donated to Habitats & Heritage and £438.39 owed to Alison Croucher as at that date.

Cash: represents the amounts held in two bank accounts and cash in hand on 31 May 2025.

Independent Person Review

The Charity Commission requires a review by an Independent Person where turnover exceeds £25,000. This has continued as it represents good practice.

My review confirmed activity to the bank statement, and identified no errors in how the

financial statements had been prepared.

Once the accounts have been agreed, it remains necessary to submit them to the Charities Commission, and settle the creditor sums owing to charities.
