Accountants' Report

For the year ended 31 January 2025

We have examined the financial statements which have been prepared under the historical cost convention and the accounting policies set out. For the purpose of charity law trustees are responsible for the preparation of financial statements ; they consider that the audit requirement under section 43 (2) of the Charities Act 1993 does not apply. We have been appointed under section 43 of the Charities Act 1993 1993 and report in accordance with regulation made under section 145 of that Act. It is our responsibility to prepare the account to report to the trustees.

Basis of Examiners' Statement.

This report is in respect of an examination carried out under Section 145 of the Charities Act 2011 and in accordance with the directives given by the Charity Commissioners under section 145(5b). An examination includes a review of the accounting records kept by the charity trustees and comparison of the accounts presented with those records. It also includes a review of the accounts and making such enquiries as necessary for the purpose of this report. The procedures undertaken do not constitute an audit.

Examiners' Statement

Based on our examination, no Financial matter has come to our attention which give us reasonable cause to believe that in any material respect accounting records have not been kept in accordance with those records or comply with section 145 of the Charities Act 2011 or that the financial statement presented do not accord with those records or comply with the accounting requirements of the Act. No matter has come to our attention in connection with our examination of which, in our opinion, attention should be drawn to enable a proper understanding of the financial statement. However it is imperative that trustees must submit the financial statements for preparation on a timely basis as this situation has now been addressed.
