Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The objectives as stated in the governing documents are:

To advance the public education and appreciation of the arts in Birmingham and the West Midlands (the area of benefit) through the provision of workshops, classes and by such other means as the trustees may determine.

To promote and facilitate the dramatic arts in the area of benefit in order to provide the public with the opportunity to access high quality theatre.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance on public benefit and fee charging.

The charity has maintained its affordable ticket prices and low cost for public youth classes. We still operate our 'pay what you can' performances to allow access for financially disadvantaged people.

We continue to release free to view videos/films on YouTube.

Stage Performances

The Murders in the Rue Morgue

56 Tickets – We presented the piece recently so didn't expect a large turnout, it was more to have a dress run before taking the play to the Edinburgh festival.

The Hound of the Baskervilles

140 tickets – This was a new one-man version, for Birmingham Fest and the Edinburgh festival. The numbers were reasonably healthy as it wasn't too long since we presented the piece.

The Prussian Officer

94 tickets – A new adaptation by Ben Mills-Wood from the short novel by D.H. Lawrence. We had expected a larger audience for this piece as it was the first time we presented it and it was an adaptation from a famous author. The audience response was good though.

Whistle and I'll Come to You

196 tickets – A new adaptation by James Nicholas. We were happy with the numbers for this piece. It was another premier for us and our first adaptation of an M.R. James short novel.

The Hanged Man's Bride

173 tickets – A new adaptation by James Nicholas. Again we were very happy with the audience numbers for this piece. It was the first time we presented it. We generally find that we do well with adaptations from Dickens novels.

Can't Stop Carrying On

125 tickets – We presented this really as a dress run again as we were taking it to Edinburgh. We were pleased with the audience numbers as it had only been presented the previous year.

Additional details of objectives and activities (Optional information)

A Christmas Carol

720 – after the huge success of Christmas Carol last year, having sold out most performances we decided to present the piece a second time. For some reason however we really struggled for numbers this year and although didn't technically lose money barely broke even which is a real worry.

Little Red Riding Hood

622 – as we last year we presented 2 pieces. The second being Little Red Riding Hood which was a new version by Simon Ravenhill. The piece sadly sold extremely poorly as did Christmas Carol being the lowest selling Christmas play we have ever presented. This posed quite a huge problem as we guaranteed a reasonable wage to the actors for both productions which has left us in a poor financial position.

Birmingham Fest

We didn't have a huge take up for Birmingham Fest, this was in a large part because we presented 6 of our shows but still had 8 external companies so we a busy 2.5 weeks.

Edinburgh Fringe Festival

We took 5 shows to the Edinburgh Fringe Festival this year (pieces noted above) totally in 85 presentations (although we lost one due to a power outage in the city). It was successful, we didn't sell quite as many tickets as we had hoped but still sold 3016 tickets.

Youth Theatre

The Youth Theatre numbers continue to be stable. We increased the price but just very slightly. The issue is we really need another 15 or so young people to really cover the costs of running the youth theatre. We run it as a social service which is of course fine but with our current financial concerns it is become a bit of a concern within itself.

Film

iHands - Lady Chatterley.

We filmed a new short film in the iHands series, iHands - Lady Chatterley. We showed a preview of this on the 23rd December which went down very well. We will submit it to streaming services early next year in the hope of building up an audience.

Hands On Film

we made a number of the comedy film review show for YouTube. We didn't manage to grow as large an audience as we had hoped but hope to continue making them next year.

Everyone In

We started work on a homeless short film in collaboration with Richard Price who formally worked at Crisis. It is based very loosely on Jon who used to spend much of his time in front of Tesco. Jon sadly passed away during Covid but we are unsure where it was due to Covid or a different condition. The film is more inspired by him rather than based on him. We are hoping to finish the project early next year and will look to submit it to a number of national and international film festivals.

Tour

We have embarked on a small tour of Can't stop Carrying On. This year we have performed at the Albany in Coventry and Walsall Arena. For next year, we have booked, Barnsley, Goole, Shaw, Shamley Green, Surrey and the Cinema Museum in London.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Ticket sales in the early part of the year were very healthy but sadly the Christmas shows did poorly. Hopefully next year we can resolve this.

The youth theatre is continuing to have decent number although would benefit from a good push.

Our film work has been particularly notable and we are looking to continue that next year, hopefully getting the previous project onto streaming services including Amazon Prime..

We still have a good number of volunteers working with us and have given employment to a good number of artists throughout the year.

Section E

Financial review

Brief statement of the charity's policy on reserves

Reserves are needed to deal with cash flow requirements and for any unplanned expenditure. The unrestricted funds at year-end are for these purposes. The restricted funds at year-end are grants for specific projects to be completed in the early part of the next financial year.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The principle sources of funds are grants for specific projects, sale of tickets for theatre performances, revenue from workshops and classes and hire of the theatre facilities.

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 28 February 2025.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
