Hackney Play Association
Report of the Trustees
For the year ended 31 March 2025

The Trustees, who are also directors for the purposes of company law, have pleasure in presenting their report and the financial statements for the charitable company for the year ended 31 March 2025. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Background Hackney Play Association was founded in 1972 to campaign for improved play provision for children and young people in the London Borough of Hackney and was registered as a charity in 1977. Set up and managed by local people, Hackney Play Association evolved in direct response to local needs. The original charity ceased operations on 31 March 2012 and its net assets were transferred to a new charitable company with the same name.

Objects - The objects of the Charity, as set out in its Memorandum of Association, are the provision of facilities for the recreation and other leisure time occupations for children and young people primarily resident in the London Borough of Hackney and neighbouring areas but otherwise resident in the United Kingdom, being facilities: a) of which such children and young people have need by reason youth or social and economic circumstances and b) which will improve the conditions of life for such children and young people by promoting their physical, mental and spiritual well-being, through play.

Aims - Hackney Play Association's aim is to make Hackney a great place for play - particularly for children facing barriers due to poverty, disability, gender and race.

We aim to: · Create better play opportunities for children and young people · Support play provision in Hackney, including adventure playgrounds, play streets, play in schools and play in parks and public spaces · Increase public support for play and reduce barriers to play · Support development of a Child-Friendly Borough In furtherance of its objects.

Hackney Play Association provides:

- Free after school and holiday play and youth clubs for children and young people at Homerton Grove Adventure Playground, and at Pearson Street Adventure Playground.
- Training for trustees and young people · Information and advice on all aspects of play provision ·
- Advocacy for quality play and play provision ·
- Support for disabled children (and their parents) to participate in play provision

Quality and Awards. The achieving of Silver Youth mark, a quality mark for the running of youth provision.

Hackney Play Association is well known for its work in how to run successful adventure playgrounds, for its Training in Playwork, running Play Streets and supporting other playgrounds, settings and sites to maintain good quality Play provision. The Staff Director is a member of the International Play Association, London Play, Play England. She has been a keynote speaker at national and international play conferences; Hackney Play was shortlisted at the London Play Adventure Playground Award last year.

Statement on public benefit

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Social investments

In planning to meet the objectives we are satisfied that the activities fulfil the public benefit requirement referred to in the Charity Commission's general guidance. As well as benefit to the individuals concerned there is a broader gain for the public. Every year thousands of children and young people in Hackney benefit, as a result of Hackney Play Association's work. Children benefit from improved opportunities for play in adventure playgrounds, schools, streets, parks and public spaces.

Children and young people benefit from:

- improved health and wellbeing for local children who benefit from being outdoors and active;
 - development of skills and learning through participation in projects like cooking, gardening, construction, using tools, project planning;
 - safe places to be with their friends, supported by trained playworkers and youth workers, away from gangs and knife crime in the local area;
 - development of creativity, problem solving skills and resilience, through arts, music, self-directed play and opportunities to experience risk and challenge;
 - inclusion of disabled children in mainstream play services; · increased cultural awareness as a result of bringing children from different backgrounds together to play; · increased opportunities for children from low income families to participate and develop a wider range of interests, skills, experiences and aspirations. Local families benefit from:
 - free access to, after school and holiday activities that enable parents to work, study and have respite care, especially parents from low income families. Local residents benefit from:
 - greater community cohesion, as a result of bringing residents together for play streets and play activities throughout Hackney;
 - increased skills and employment opportunities through Playwork training and work experience placements.

Volunteers

Hackney Play Association appreciates and benefits from over a thousand hours of volunteering a year.

Hackney Play Association also worked closely with Young Hackney to host regular placements for 50 young offenders taking part in community reparation schemes. These young people benefit from skills development and reintegration into the community in a friendly and supportive environment.

In 2024-25 we hosted regular corporate volunteering days at Homerton Grove and Pearson Street Adventure Playgrounds. Hundreds of corporate volunteers (20-30 volunteers per week during the summer months) have helped to maintain the playground, to build new equipment and to get the playground ready for holiday play and our term time provision. Corporate volunteering days take place as part of corporate social responsibility schemes.

ACHIEVEMENTS AND PERFORMANCE

Measuring Impact - In 2024-25, we continued to carry out regular surveys of children who attended our play services.

Children were asked what they gain from attending the play services: -

- 85 % Felt Happy
- 81% Felt they have Freedom
- 69 % get to meet and make new friends.

Children were asked what the best thing was about accessing our plays services was: -

- 'I love this place because it's fun coming. I would love coming here daily and it's amazing!'
- 'Best thing is making new friends, learnt to be grateful for what you have and if you're ever scared you should talk to someone'
- 'I like that my friends are always here and I get to make new friends, I always get to experience new things'
- I like meeting new people; I like the exercise around the playground'.

Good for Girls (Pearson Street Adventure Playground Youth Session) and boys youth group.
Spotlight on Young Person Aged 10

She has attended the Good for Girls sessions each and every week without fail; she is committed to the project and participates in her own particular way, she has been quite shy, a little reluctant to speak her mind, or share what might be worrying her, at the beginning she had anxiety about the welcoming circle, a fear that she would be put on the spot and made to speak. She missed one session, and we were a little perplexed as to why she didn't attend this session. Talking with her she explained to us that she was very nervous about speaking and was afraid that she would be made to speak and that the others would make fun of her. This was a turning point, as we could explain to her that the welcoming circle is about sharing our thoughts, feelings, fears, joys - that is, if we want to say something, emphasising that also listening is a way we participate in a group and that the group is there to support each one in their particular individuality.

This gave her reassurance - the following week as she was leading the session with one of her peer's - she stood up to speak in front of everyone, introduced the structure of the evening session, that is, welcoming circle, ice breaker game, dish to cook and a crafts activity. You could see that she was nervous in her speaking, but she kept very near to her feelings and spoke well, asking each one, one by one to "Share three fun things about themselves" going around the circle. The glow and smile on her face - she became animated, and one could see how proud she was/is of herself. She was delighted by the groups clapping as she sat down.

She is now far more present within the group, speaks more freely in the welcoming circle and understands that she can talk to the group or the staff if she feels uncomfortable about something, or worried or if she wants to share some wonderful things with the group. She does say that she now feels supported and more confident, making new friends and enjoys participating in all the activities including standing up to speak. She is glowing with an inner confidence - which she didn't have before.

"I feel like I have overcome my fear of speaking in front of people, and I also feel that I can trust the people around and make new friends"

Our participants are highly diverse and reflect the local demographic well, bringing together young people from different ethnicities and backgrounds including Black, White, Traveller, Eastern European and Turkish children. We have welcomed many visitors and local partners over the course of the year including Young Hackney, the Challenge Network and the Orthodox Jewish community.

Both our playgrounds offer a 6 day inclusive FREE open access service, Monday-Saturday across the year.

Pearson Street Adventure Playground We continued to offer free play and youth clubs throughout the year at Pearson Street Playground in 2024-25. The playground is located in Haggerston, the ward with the highest level of child poverty in Hackney, where 1 in 2 children (48.5%) are growing up in poverty. We are delighted that over 520 children and young people registered during the year at Pearson Street (1700 are registered currently). We delivered 625 play and youth club sessions with over 10,000 attendances over the course of the year.

Homerton Grove Adventure Playground

In 2024-25, Homerton Grove Adventure Playground continued to provide free, open access, after school and holiday play schemes, with over 800 children and young people registered during the year. We delivered 612 sessions, with attendances of over 6,000. The playground is located adjacent to local housing estates, which are in the bottom 20% in the country for income deprivation. More than 75% of children attending Homerton Grove are from Black and Minority Ethnic backgrounds.

Inclusive Play

In 2024-25 we were able to offer Inclusive play opportunities at Pearson Street throughout the year, with the inclusion of disabled young people from 'The Garden school, Hackney, who have been using our Forest School for inclusive play sessions. Disabled young people are attending all of our services across Pearson Street, Homerton Grove, with over 170 young Disabled people attending across the year.

Pearson Street NHS sessions: (Nature project)

We have this year, introduced a new outdoor nature session, funded through the NHS, with groups of school refusers, using sessions during the day on our adventure playground at Pearson Street. The initial group has had incredible success; with over 50% of the young people feeling able to return to school after the initial project of 16 weeks. We have been successful in getting refunded to continue with further groups of children across 2024-25 and this session continues to develop.

Playwork Training

We continued to deliver a Playwork training programme, with regular training sessions taking place during term time helping play service staff to develop skills and qualifications in first aid, safeguarding, health & safety, Playway course (accredited playwork course by the University of Gloucestershire), diversity and inclusion. In addition to this we have delivered training on the impact of trauma on children and in recognising mental health issues in young people, LGBTQ+ training, Teenage suicide awareness, working with young people around the awareness of vaping and substance misuse, reflective playwork practice, the importance of recycling and sustainable playgrounds. Using power tools safely was a course delivered by Hackney Play at a council run playground, Hackney Marsh. We run regular courses for playworkers in Conflict resolution and Behaviour management on adventure playgrounds.

Infrastructure Support

Hackney Play Association worked closely with local adventure playgrounds, mobile play providers and voluntary and community sector play organisations, providing information and training, funded as part of our contract with Hackney Council. During 2024-25, we attended trustee meetings and provided information, advice and support to strengthen governance. We also provided training for staff with the focus on improving playwork practice and quality of local play services. We have worked closely with all adventure playgrounds in the borough to organise a play parade from all the playgrounds to central Hackney for National Playday, that attracted over 300 children/young people. We continued to support the Local authority and other voluntary sector playgrounds, by providing staff to them, to cover their shortfall. The first International Day of Play was held on 11th June 2024, with a children's march from parliament square, along Whitehall to Downing Street, where we organised all groups from Hackney to take part.

Hackney Play Association convenes and hosts Hackney Play Providers' Network providing a forum for information sharing and problem solving for play organisations throughout Hackney. Meetings of Hackney Play Providers' Network take place each half term. Debates and agenda items have ranged from fundraising to safeguarding, volunteering and working with trustees, and reflect the diverse issues and challenges facing local play organisations. We also supported other play providers through the Hackney Council tendering process by offering a series of online information workshops, training and one to one support.

We are currently working with other playgrounds to start developing a play plan, which will form a new play strategy for Hackney.

Other Funded Projects 2024-25

Holiday Activities and Food Fund - secured funding that ensured we could offer FREE lunches for the children and young people, additional enriching activities and trips outs, alongside our regular holiday playscheme programme. Pearson Street Adventure Playground and Homerton Adventure Playground offered the HAF opportunities during Easter, Summer, and winter of 2024.

Children & Young People: (Hackney Community Grant) - secured funding to train 2 young trainee playworkers (aged 16+), offer further volunteering opportunities (with Hackney Play Association) for 15-20 young people age 11+ and signpost to other organisations offering volunteering and employment.

Partnership working

We also continue to work with a wide range of other organisations including Young Hackney, Museum of the home, Hackney City Farm, Hackney Quest, Laburnum Boat Club, Hoxton Hall, Immediate Theatre, Hackney Empire, Hackney Cycle Network, Hackney Libraries, Hackney Musuem, Lollard Street adventure playground, London Play, ELBA (East London Business Alliance), HCVS and other adventure playgrounds in Hackney and across London.

We have also developed a partnership with corporate sponsor, Arch Insurance last year, which will be at least a three-year commitment, enabling us to fund new projects and sustain some of our existing services.

Future Plans

During the coming year Hackney Play Association plans to continue to work closely in partnership with local voluntary and community sector play organisations and with statutory and voluntary partners in Hackney and neighbouring boroughs, including: London play, (based at Pearson Street), Homerton Grove and Pearson Street Adventure Playgrounds. We want work with the other play organisations to ensure the importance of play is at the centre of local authority and national government agendas. We led a group of young people to march on Parliament in June 2025, to raise awareness of the rights of children to get access to play (UNCR Article 31), as part of the first International day of play.

The trustees are currently focused on raising funds for the organisation and on developing sustainable, ongoing partnerships with corporate sponsors to enable us to continue, and to develop our work going forward.

FINANCIAL REVIEW

Significant events

Total net expenditure for the year was £29,304 (2024 net expenditure £61,278) . Of the total, £11,929 was net expenditure for unrestricted funds (2024 was net expenditure £58,028) and £17,375 was net expenditure for restricted funds (2024 net expenditure of £3,250).

Reserves

The balance of unrestricted funds carried forward includes a General Reserve of £70,751 (2024: £82,680). This was equivalent to just under 5 months of total expenditure for the year.

We have carefully considered the Charity's needs to hold reserves for dealing with unforeseen circumstances and, to the extent that further funds permit, for investment in future activities. Hence, in light of increased uncertainty over most sources of income available to us, we have decided that a target level for the General Reserve should be the equivalent of between 3 to 6 months of total annual expenditure.

Going concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern for the reasons detailed in Note 1(b) to the Accounts.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Hackney Play Association was incorporated on 5 October 2006 as a Company Limited by Guarantee without a Share Capital and registered as a charity on 17 February 2012. It commenced operations on 1 April 2012, from which date the net assets of its predecessor charity with the same name were transferred to the charitable company.

It is governed by its Articles of Association, under which each Member is required to contribute an amount not exceeding £1 towards the liabilities of the Charity in the event of it being wound up whilst they are Members, or within one year of their ceasing to be Members.

Hackney Play Association
Report of the Trustees Continued
For the year ended 31 March 2025

Recruitment and appointment of trustees

Management of the Charity is vested in a Board of Directors. The Directors are also the Trustees of the Charity. Trustees are elected at each Annual General Meeting and may co-opt further Trustees as set out in the Articles of Association.

Induction and Training of Trustees

All new Trustees are given induction information, which includes the latest annual report and accounts, current policies, operational plans and financial forecasts. They are also given opportunities to meet other Trustees and senior staff, to provide further insight into the management and operations of the Charity. Senior staff are present at Trustees' meeting to provide information and support.

Organisational Structure

The Board of Directors is responsible for the overall financial control, direction and work of the Charity. It meets approximately six times per year with the Staff Director and with ad hoc advisers, who have no voting rights. Day-to-day responsibilities are delegated to the Staff Director within a framework of approved policies and operational plans, who manages the staff listed below.

Trustees (Board of Directors)
Staff Director (non-voting)
Training Manager
Finance Officer
Senior Playworkers
Sessional Workers
Volunteers
Project Staff

Risk Review

Hackney Play Association has carried out a risk assessment in relation to funding and resulting potential risks to our funding base and those arising from both known and potential liabilities. This is reviewed on an ongoing basis. The overall strategy is to continue to diversify funding sources, develop long-term relationships with key funders and strategic partners, and continue to build a reasonable level of operating reserves. Through the systematic review of these risks, the Trustees aim to mitigate the major risks to which the Charity is exposed.

Internal Controls

The Trustees have prepared a Financial Control Policy to document procedures in place to ensure all staff working in the Charity, especially those involved in the accountancy operation, correctly adhere to such controls. This should ensure that an audit trail can be followed and that allocation of costs have been properly ascertained and properly recorded. All transactions are recorded in proprietary accounting software, enabling a tracking of all transactions and monthly bank reconciliations to be carried out.

Hackney Play Association
Independent Examiners Report to the Trustees
For the year ended 31 March 2025

I report to the trustees on my examination of the accounts of the charitable company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity Trustees, who are also directors for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiners statement

Since the Charitable company's gross income exceeded £250,000, your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination by virtue of my membership of Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Hackney Play Association
Notes to the Financial Statements
For the year ended 31 March 2025

1. Accounting Policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets and in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Companies Act 2006.

Hackney Play Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

The financial statements are prepared, on a going concern basis, under the historical cost convention.

Funds

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

Designated funds comprise of unrestricted funds that have been set aside by the Trustees for particular purposes.

Restricted funds have been provided to the charity for particular purposes, and it is the policy of the board of trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Incoming resources

Income is recognised when the Charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be reliably measured.

Income from government and other grants, whether for capital or revenue purposes, is recognised in accordance with the above policy except where amounts have appropriately been deferred.

Donations are recognised in full when receivable and there is unconditional entitlement.

Income from charitable activities is recognised when the related services and goods have been provided.

Investment income is recognised when receivable.

Resources expended

Expenditure is recognised when there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be reliably measured.

Expenditure includes VAT that cannot be recovered, and is reported as part of the expenditure to which it relates.

Expenditure is allocated between the categories in the Statement of Financial Activities on the basis of how the resources are used. Expenditure relating to a particular activity is allocated directly to that activity. Other expenditure is included under support costs, which is then apportioned to activities on the basis of staff time spent per activity.

Charitable activities comprise expenditure incurred on providing training and qualification courses in playwork for staff, volunteers and trustees, introduction to playwork for young people, information and advice on all aspects of play, and the promotion of quality and advocacy in play provision. It includes the direct costs and support costs relating to these activities.

Governance costs are the costs incurred on overall governance of the Charity. As such, they are mainly associated with meeting constitutional and statutory requirements, such as independent examination fees and costs incurred on strategic management.

Hackney Play Association
Notes to the Financial Statements Continued
For the year ended 31 March 2025

Taxation

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Plant and machinery	25% Reducing balance
Fixtures and fittings	33% Straight line

Pensions

The Charity operates a defined contribution pension scheme for its employees under auto-enrolment regulations.

Operating leases

Costs of operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term.

Irrecoverable VAT

Irrecoverable VAT is included in the Statement of Financial Activities, and is reported as part of the expenditure to which it relates.

Hackney Play Association
Report of the Trustees
For the year ended 31 March 2024

The Trustees, who are also directors for the purposes of company law, have pleasure in presenting their report and the financial statements for the charitable company for the year ended 31 March 2024. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Background Hackney Play Association was founded in 1972 to campaign for improved play provision for children and young people in the London Borough of Hackney and was registered as a charity in 1977. Set up and managed by local people, Hackney Play Association evolved in direct response to local needs. The original charity ceased operations on 31 March 2012 and its net assets were transferred to a new charitable company with the same name.

Objects - The objects of the Charity, as set out in its Memorandum of Association, are the provision of facilities for the recreation and other leisure time occupations for children and young people primarily resident in the London Borough of Hackney and neighbouring areas but otherwise resident in the United Kingdom, being facilities: a) of which such children and young people have need by reason youth or social and economic circumstances and b) which will improve the conditions of life for such children and young people by promoting their physical, mental and spiritual well-being, through play.

Aims - Hackney Play Association's aim is to make Hackney a great place for play - particularly for children facing barriers due to poverty, disability, gender and race.

We aim to: · Create better play opportunities for children and young people · Support play provision in Hackney, including adventure playgrounds, play streets, play in schools and play in parks and public spaces · Increase public support for play and reduce barriers to play · Support development of a Child-Friendly Borough In furtherance of its objects.

Hackney Play Association provides: · Free after school and holiday play and youth clubs for children and young people at Homerton Grove Adventure Playground, Pearson Street Adventure Playground and Clapton Park Play Rangers·

Training for trustees and young people · Information and advice on all aspects of play provision · Advocacy for quality play and play provision · Support for disabled children to participate in play provision Quality and Awards. The achieving of Silver Youth mark, a quality mark for the running of youth provision.

Hackney Play Association is well known for its work on adventure playgrounds, playwork training and Hackney Play Streets and our Staff Director is a member of the International Play Association, London Play, Play England. She has been a keynote speaker at national and international play conferences, Hackney Play was shortlisted at the London Play Adventure Playground Awards.

Statement on public benefit

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Social investments

In planning to meet the objectives we are satisfied that the activities fulfil the public benefit requirement referred to in the Charity Commission's general guidance. As well as benefit to the individuals concerned there is a broader gain for the public. Every year thousands of children and young people in Hackney benefit, as a result of Hackney Play Association's work. Children benefit from improved opportunities for play in adventure playgrounds, schools, streets, parks and public spaces.

Children and young people benefit from:

- improved health and wellbeing for local children who benefit from being outdoors and active;
- development of skills and learning through participation in projects like cooking, gardening, construction, using tools, project planning;
- safe places to be with their friends, supported by trained playworkers and youth workers, away from gangs and knife crime in the local area;
- development of creativity, problem solving skills and resilience, through arts, music, self-directed play and opportunities to experience risk and challenge;
- inclusion of disabled children in mainstream play services; · increased cultural awareness as a result of bringing children from different backgrounds together to play; · increased opportunities for children from low income families to participate and develop a wider range of interests, skills, experiences and aspirations. Local families benefit from:
- free, after school and holiday activities that enable parents to work, study and have respite care, especially parents from low income families. Local residents benefit from:
- greater community cohesion, as a result of bringing residents together for play streets and play activities throughout Hackney;
- increased skills and employment opportunities through Playwork training and work experience placements.

Volunteers

Hackney Play Association appreciates and benefits from over a thousand hours of volunteering a year.

Hackney Play Association also worked closely with Young Hackney to host regular placements for 50 young offenders taking part in community reparation schemes. These young people benefit from skills development and reintegration into the community in a friendly and supportive environment.

In 2023-24 we hosted regular corporate volunteering days at Homerton Grove and Pearson Street Adventure Playgrounds. Hundreds of corporate volunteers (20-30 volunteers per week during the summer months) have helped to maintain the playground, to build new equipment and to get the playground ready for holiday play and our term time provision. Corporate volunteering days take place as part of corporate social responsibility schemes.

ACHIEVEMENTS AND PERFORMANCE

Measuring Impact - In 2023-24, we continued to carry out regular surveys of children who attended our play services. Children were asked what they gain from attending the play services: -

- 82 % Felt Happy
- 79% Felt they have Freedom
- 66 % get to meet and make new friends.

Children were asked what the best thing was about accessing our plays services was: -

- 'I love this place because it's fun coming. I would love coming here daily and it's amazing!'
- 'Best thing is making new friends, learnt to be grateful for what you have and if you're ever scared you should talk to someone'
- 'I like that my friends are always here and I get to make new friends, I always get to experience new things'
- I like meeting new people; I like the exercise around the playground'.

Good for Girls (Pearson Street Adventure Playground Youth Session)
Spotlight on Young Person Aged 10

She has attended the Good for Girls sessions each and every week without fail; she is committed to the project and participates in her own particular way, she has been quite shy, a little reluctant to speak her mind, or share what might be worrying her, at the beginning she had anxiety about the welcoming circle, a fear that she would be put on the spot and made to speak. She missed one session, and we were a little perplexed as to why she didn't attend this session. Talking with her she explained to us that she was very nervous about speaking and was afraid that she would be made to speak and that the others would make fun of her. This was a turning point, as we could explain to her that the welcoming circle is about sharing our thoughts, feelings, fears, joys - that is, if we want to say something, emphasising that also listening is a way we participate in a group and that the group is there to support each one in their particular individuality.

This gave her reassurance - the following week as she was leading the session with one of her peer's - she stood up to speak in front of everyone, introduced the structure of the evening session, that is, welcoming circle, ice breaker game, dish to cook and a crafts activity. You could see that she was nervous in her speaking, but she kept very near to her feelings and spoke well, asking each one, one by one to "Share three fun things about themselves" going around the circle. The glow and smile on her face - she became animated, and one could read as to how proud she was/is of herself. She was delighted by the groups clapping as she sat down.

She is now far more present within the group, speaks more freely in the welcoming circle and understands that she can talk to the group or the staff if she feels uncomfortable about something, or worried or if she wants to share some wonderful things with the group. She does say that she now feels supported and more confident, making new friends and enjoys participating in all the activities including standing up to speak. She is glowing with an inner confidence - which she didn't have before.

"I feel like I have overcome my fear of speaking in front of people, and I also feel that I can trust the people around and make new friends"

Our participants are highly diverse and reflect the local demographic well, bringing together young people from different ethnicities and backgrounds including Black, White, Traveller, Eastern European and Turkish children. We have welcomed many visitors and local partners over the course of the year including Young Hackney, the Challenge Network and the Orthodox Jewish community.

Both our playgrounds offer a 6 day inclusive FREE open access service, Monday-Saturday across the year.

Pearson Street Adventure Playground We continued to offer free play and youth clubs throughout the year at Pearson Street Playground in 2023-24. The playground is located in Haggerston, the ward with the highest level of child poverty in Hackney, where 1 in 2 children (48.5%) are growing up in poverty. We are delighted that over 500 children and young people registered during the year at Pearson Street (1700 are registered currently). We delivered 587 play and youth club sessions with over 10,000 attendances over the course of the year.

Homerton Grove Adventure Playground

In 2023-24, Homerton Grove Adventure Playground continued to provide free, open access, after school and holiday play schemes, with over 500 children and young people registered during the year. We delivered 544 sessions, with attendances of over 6,000. The playground is located adjacent to local housing estates, which are in the bottom 20% in the country for income deprivation. More than 75% of children attending Homerton Grove are from Black and Minority Ethnic backgrounds.

Clapton Park Estate Play Rangers Project

Clapton Park provides free open access play ranger after school and holiday play/youth sessions for local children mainly from the Nye Bevan, Millfields and Clapton Park estates. This year we had over 100 children and young people registered and over 2,000 attendances. We also had a large number of unregistered children attending in 2023-24, in particular from the Traveller community, we continue to address this and are building more sustainable, trusting relationships with this group. Clapton Park is located in the bottom 4% in the country for income deprivation. More than 85% of children attending are from Black and Minority Ethnic backgrounds.

During the year, children and young people have taken part in a wide range of activities including cooking, arts and crafts, gardening, construction, upcycling, bike rides, trips and outings in the local area.

Trips and Outings Highlights of the year, along with many other outings to local parks and playgrounds, museums and galleries, included:-

- Residential on a Canal Barge (The Angel of Islington) - Homerton Grove
- Christmas Party on both sites
- Hackney Empire Panto Trip - Homerton and Clapton Park
- Summer Trip to Mersey Island - Pearson Street
- Summer trip to Margate - Pearson Street
- Bowling - Good for Girls Project Pearson Street.
- . West end visits - Boys group

Inclusive Play

In 2023-24 we were able to offer Inclusive play opportunities at Pearson Street throughout the year, with the inclusion of disabled young people from 'The Garden school, Hackney, who have been using our Forest School for inclusive play sessions. Disabled young people are attending all of our services across Pearson Street, Homerton Grove and at Clapton Park, with over 170 young Disabled people attending across the year.

Nature project with NHS

We have this year, introduced a new outdoor nature session, funded through the NHS, with groups of school refusers, using sessions during the day on our adventure playground at Pearson Street. The initial group has had incredible success; with over 50% of the young people feeling able to return to school after the initial project of 16 weeks. We have been successful in getting refunded to continue with further groups of children across 2024-25

Playwork Training

We continued to deliver a Playwork training programme, with regular training sessions taking place during term time helping play service staff to develop skills and qualifications in first aid, safeguarding, health & safety, Playway course (accredited playwork course by the University of Gloucestershire), diversity and inclusion. In addition to this we have delivered training on the impact of trauma on children and in recognising mental health issues in young people, working with gangs, LGBTQ+ training, Teenage suicide awareness, working with young people around the awareness of vaping and substance misuse, reflective playwork practice, the importance of recycling and sustainable playgrounds. Using power tools and PlayWay courses were offered to other local authorities, which is another form of income generation for our charity and also allows us to share good playwork practice across the whole of the playwork sector.

Hackney Museum Adventure Playground Exhibition

In 2023-24 we worked closely to support an exhibition of adventure play being mounted by Hackney Museum. We were part of the steering group that put together the exhibition with the curator, provided play artifacts, were guest speakers at the official opening and were on a play expert panel for a discussion about the exhibition in Jan 2024. 100's of local people attended the museum for the exhibition, which ran from Winter-Spring 2023-24.

Infrastructure Support

Hackney Play Association worked closely with local adventure playgrounds, mobile play providers and voluntary and community sector play organisations, providing information and training, funded as part of our contract with Hackney Council. During 2023-24, we attended trustee meetings and provided information, advice and support to strengthen governance. We also provided training for staff with the focus on improving playwork practice and quality of local play services. This year we continued to work closely with Shakespeare Walk Adventure Playground to support management and governance at the playground. We have also conducted the induction of their new senior playworker, providing them with an orientation around who's who in Hackney, sharing policies and procedures with them, and the chair of Shakespeare Walk Adventure Playground. We have worked closely with all adventure playgrounds in the borough to organise a play parade from all the

playgrounds to central Hackney for National Playday, that attracted over 300 children/young people. We continued to support the Local authority and other voluntary sector playgrounds, by providing staff to them, to cover their shortfall.

Hackney Play Association convenes and hosts Hackney Play Providers' Network providing a forum for information sharing and problem solving for play organisations throughout Hackney. Meetings of Hackney Play Providers' Network take place each half term. Debates and agenda items have ranged from fundraising to safeguarding, volunteering and working with trustees, and reflect the diverse issues and challenges facing local play organisations. We also supported other play providers through the Hackney Council tendering process by offering a series of online information workshops, training and one to one support.

We are currently working with other playground on developing a play strategy for Hackney.

Other Funded Projects 2023-24

Holiday Activities and Food Fund - secured funding that ensured we could offer FREE lunches for the children and young people, additional enriching activities and trips outs, alongside our regular holiday playscheme programme. Pearson Street Adventure Playground and Homerton Adventure Playground offered the HAF opportunities during Easter, Summer, and winter of 2023.

Kings Park Moving Together (KPMT) - secured funding for 2 years (2022-ending November 2024) from the KPMT partnership programme to develop additional physical activities/opportunities for the families, local communities and children and young people at Homerton and Clapton Park. We are also one of the projects who will receive additional funding each year for organisational development. We are currently developing our charity business plan and working with others on a Play Strategy for Hackney.

Hackney Community Grant (Children and Young People)- secured funding to train 2 young trainee playworkers (aged 16+), offer further volunteering opportunities (with Hackney Play Association) for 15-20 young people age 11+ and signpost to other organisations offering volunteering and employment.

Hackney Homes -

secured funding for an art project around living and growing up in Hackney. This was officially opened in 2024 at Homerton Grove and is available for people to visit and view.

Young Hackney Youth Opportunities Fund -

group of young people secured funding (with support from HPA staff) for 6 weekly one-hour boxing/kickboxing exercise sessions (non-contact) and the equipment needed.

Partnership working

We also continue to work with a wide range of other organisations including Young Hackney, Hackney Quest, Laburnum Boat Club, Hoxton Hall, Immediate Theatre, Hackney Empire, Hackney Cycle Network, Hackney Libraries, Hackney Museum, Lollard Street adventure playground, London Play, ELBA (East London Business Alliance), HCVS and other adventure playgrounds in Hackney and across London.

Future Plans

During the coming year Hackney Play Association plans to continue to work closely in partnership with local voluntary and community sector play organisations and with statutory and voluntary partners in Hackney and neighbouring boroughs, including: London play, (based at Pearson Street) Islington Play Association, Continued Working with children and young people to develop to work of Clapton Park, Homerton Grove and Pearson Street Adventure Playgrounds. We want work with the other play organisations to ensure the importance of play is at the centre of local authority and national government agendas.

The trustees continue the process of business planning for the next 3-5 years of Hackney Play Associations development, highlighting our USP as an organisation, conducting a SWOT analysis, preparing finance and funding forecasts and plotting significant timeline events for the next 3-5 years.

Reserves

The balance of unrestricted funds carried forward includes a General Reserve of £94,739 (2023: £140,707). This was equivalent to just under 5 months of total expenditure for the year.

We have carefully considered the Charity's needs to hold reserves for dealing with unforeseen circumstances and, to the extent that further funds permit, for investment in future activities. Hence, in light of increased uncertainty over most sources of income available to us, we have decided that a target level for the General Reserve should be the equivalent of between 3 to 6 months of total annual expenditure.

Going concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern for the reasons detailed in Note 1(b) to the Accounts.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Hackney Play Association was incorporated on 5 October 2006 as a Company Limited by Guarantee without a Share Capital and registered as a charity on 17 February 2012. It commenced operations on 1 April 2012, from which date the net assets of its predecessor charity with the same name were transferred to the charitable company.

It is governed by its Articles of Association, under which each Member is required to contribute an amount not exceeding £1 towards the liabilities of the Charity in the event of it being wound up whilst they are Members, or within one year of their ceasing to be Members.

Recruitment and appointment of trustees

Management of the Charity is vested in a Board of Directors. The Directors are also the Trustees of the Charity. Trustees are elected at each Annual General Meeting and may co-opt further Trustees as set out in the Articles of Association.

Induction and Training of Trustees

All new Trustees are given induction information, which includes the latest annual report and accounts, current policies, operational plans and financial forecasts. They are also given opportunities to meet other Trustees and senior staff, to provide further insight into the management and operations of the Charity. Senior staff are present at Trustees' meeting to provide information and support.

Organisational Structure

The Board of Directors is responsible for the overall financial control, direction and work of the Charity. It meets approximately six times per year with the Staff Director and with ad hoc advisers, who have no voting rights. Day-to-day responsibilities are delegated to the Staff Director within a framework of approved policies and operational plans, who manages the staff listed below.

Risk Review

Hackney Play Association has carried out a risk assessment in relation to funding and resulting potential risks to our funding base and those arising from both known and potential liabilities. This is reviewed on an ongoing basis. The overall strategy is to continue to diversify funding sources, develop long-term relationships with key funders and strategic partners, and continue to build a reasonable level of operating reserves. Through the systematic review of these risks, the Trustees aim to mitigate the major risks to which the Charity is exposed.

Internal Controls

The Trustees have prepared a Financial Control Policy to document procedures in place to ensure all staff working in the Charity, especially those involved in the accountancy operation, correctly adhere to such controls. This should ensure that an audit trail can be followed and that allocation of costs have been properly ascertained and properly recorded. All transactions are recorded in proprietary accounting software, enabling a tracking of all transactions and monthly bank reconciliations to be carried out.

Hackney Play Association
Independent Examiners Report to the Trustees
For the year ended 31 March 2024

I report to the trustees on my examination of the accounts of the charitable company for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity Trustees, who are also directors for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiners statement

Since the Charitable company's gross income exceeded £250,000, your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination by virtue of my membership of Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Hackney Play Association
Notes to the Financial Statements
For the year ended 31 March 2024

1. Accounting Policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets and in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Companies Act 2006.

Hackney Play Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

The financial statements are prepared, on a going concern basis, under the historical cost convention.

Funds

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

Designated funds comprise of unrestricted funds that have been set aside by the Trustees for particular purposes.

Restricted funds have been provided to the charity for particular purposes, and it is the policy of the board of trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Incoming resources

Income is recognised when the Charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be reliably measured.

Income from government and other grants, whether for capital or revenue purposes, is recognised in accordance with the above policy except where amounts have appropriately been deferred.

Donations are recognised in full when receivable and there is unconditional entitlement.

Income from charitable activities is recognised when the related services and goods have been provided.

Investment income is recognised when receivable.

Resources expended

Expenditure is recognised when there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be reliably measured.

Expenditure includes VAT that cannot be recovered, and is reported as part of the expenditure to which it relates.

Expenditure is allocated between the categories in the Statement of Financial Activities on the basis of how the resources are used. Expenditure relating to a particular activity is allocated directly to that activity. Other expenditure is included under support costs, which is then apportioned to activities on the basis of staff time spent per activity.

Charitable activities comprise expenditure incurred on providing training and qualification courses in playwork for staff, volunteers and trustees, introduction to playwork for young people, information and advice on all aspects of play, and the promotion of quality and advocacy in play provision. It includes the direct costs and support costs relating to these activities.

Governance costs are the costs incurred on overall governance of the Charity. As such, they are mainly associated with meeting constitutional and statutory requirements, such as independent examination fees and costs incurred on strategic management.

Notes to the Financial Statements Continued
For the year ended 31 March 2024

Taxation

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Plant and machinery 33% Straight line

Pensions

The Charity operates a defined contribution pension scheme for its employees under auto-enrolment regulations.

Operating leases

Costs of operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term.

Irrecoverable VAT

Irrecoverable VAT is included in the Statement of Financial Activities, and is reported as part of the expenditure to which it relates.

Hackney Play Association
Report of the Trustees
For the year ended 31 March 2023

The Trustees, who are also directors for the purposes of company law, have pleasure in presenting their report and the financial statements for the charitable company for the year ended 31 March 2023. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Background Hackney Play Association was founded in 1972 to campaign for improved play provision for children and young people in the London Borough of Hackney and was registered as a charity in 1977. Set up and managed by local people, Hackney Play Association evolved in direct response to local needs. The original charity ceased operations on 31 March 2012 and its net assets were transferred to a new charitable company with the same name.

Objects - The objects of the Charity, as set out in its Memorandum of Association, are the provision of facilities for the recreation and other leisure time occupations for children and young people primarily resident in the London Borough of Hackney and neighbouring areas but otherwise resident in the United Kingdom, being facilities: a) of which such children and young people have need by reason youth or social and economic circumstances and b) which will improve the conditions of life for such children and young people by promoting their physical, mental and spiritual well-being, through play.

Aims - Hackney Play Association's aim is to make Hackney a great place for play - particularly for children facing barriers due to poverty, disability, gender and race.

We aim to: · Create better play opportunities for children and young people · Support play provision in Hackney, including adventure playgrounds, play streets, play in schools and play in parks and public spaces · Increase public support for play and reduce barriers to play · Support development of a Child-Friendly Borough In furtherance of its objects.

Hackney Play Association provides: · Free after school and holiday play and youth clubs for children and young people at Homerton Grove Adventure Playground, Pearson Street Adventure Playground and Clapton Park Play and Youth Project · Development and support for Hackney Play Streets · Training and qualification courses in playwork and related skills for staff, volunteers, trustees and young people · Information and advice on all aspects of play provision · Advocacy for quality play and play provision · Support for disabled children to participate in play provision Quality and Awards. The achieving of Youth mark, a quality mark for the running of youth provision.

Hackney Play Association is well known for its work on adventure playgrounds, playwork training and Hackney Play Streets and our Staff Director is a member of the International Play Association, London Play, Play England. She has been a keynote speaker at national and international play conferences, Hackney Play was shortlisted at the London Play Adventure Playground Awards.

Statement on public benefit

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Social investments

In planning to meet the objectives we are satisfied that the activities fulfil the public benefit requirement referred to in the Charity Commission's general guidance. As well as benefit to the individuals concerned there is a broader gain for the public.

Every year thousands of children and young people in Hackney benefit, as a result of Hackney Play Association's work. Children benefit from improved opportunities for play in adventure playgrounds, schools, streets, parks and public spaces.

Children and young people benefit from:

- improved health and wellbeing for local children who benefit from being outdoors and active;
- development of skills and learning through participation in projects like cooking, gardening, construction, using tools, project planning;
- safe places to be with their friends, supported by trained playworkers and youth workers, away from gangs and knife crime in the local area;
- development of creativity, problem solving skills and resilience, through arts, music, self-directed play and opportunities to experience risk and challenge;
- inclusion of disabled children in mainstream play services; · increased cultural awareness as a result of bringing children from different backgrounds together to play; · increased opportunities for children from low income families to participate and develop a wider range of interests, skills, experiences and aspirations. Local families benefit from:
- free, after school and holiday activities that enable parents to work, study and have respite care, especially parents from low income families. Local residents benefit from:
- greater community cohesion, as a result of bringing residents together for play streets and play activities throughout Hackney;
- increased skills and employment opportunities through Playwork training and work experience placements.

Volunteers

Hackney Play Association appreciates and benefits from over a thousand hours of volunteering a year.

Hackney Play Association's main area of work with volunteers is through the Hackney Play Streets project in partnership with Hackney Council. This scheme enables local volunteers to close their road for play for short periods of time after school or at weekends. We provide information and support for the network of 350 local residents (similar to previous years), who organise and provide stewarding for the street play sessions on voluntary basis in 10 streets in Hackney. During 2022-23, Hackney Play Association also worked closely with Young Hackney to host regular placements for 50 young offenders taking part in community reparation schemes. These young people benefit from skills development and reintegration into the community in a friendly and supportive environment.

In 2022-23 we hosted regular corporate volunteering days at Homerton Grove and Pearson Street Adventure Playgrounds. Hundreds of corporate volunteers (20-30 volunteers per week during the summer months) have helped to maintain the playground, to build new equipment and to get the playground ready for holiday play and our term time provision. Corporate volunteering days take place as part of corporate social responsibility schemes.

Children and young people have also volunteered informally and formally during 2022-23 on specific projects including:-

Good For Girls Social Action Project - 12 young people were involved with a project that prepared and delivered gift boxes (with essential items) to the Whitechapel Mission who serve the homeless community.

Jubilee Play Parties - 20 young people (across both playgrounds) helped plan, prepare, and deliver fun activities/challenges at the two platinum jubilee community play parties which put a spotlight on the last 70 years of play.

We would like to thank all the volunteers and partner organisations that we have worked with over the year, in particular our main funder and partner, Young Hackney, part of Hackney Council.

ACHIEVEMENTS AND PERFORMANCE

Measuring Impact - In 2022-23 we continued to carry out regular surveys of children who attended our play services. Children were asked what they gain from attending the play services: -

- 78 % Felt Happy
- 73% Felt they have Freedom
- 62 % get to meet and make new friends.

Children were asked what the best thing was about accessing our plays services was: -

- 'I love this place because it's fun coming. I would love coming here daily and it's amazing!'
- 'Best thing is making new friends, learnt to be grateful for what you have and if you're ever scared you should talk to someone'
- 'I like that my friends are always here and I get to make new friends, I always get to experience new things'
- 'I like meeting new people; I like the exercise around the playground'.

Good for Girls (Pearson Street Adventure Playground Youth Session)
Spotlight on Young Person Aged 10

She has attended the Good for Girls sessions each and every week without fail; she is committed to the project and participates in her own particular way, she has been quite shy, a little reluctant to speak her mind, or share what might be worrying her, at the beginning she had anxiety about the welcoming circle, a fear that she would be put on the spot and made to speak. She missed one session, and we were a little perplexed as to why she didn't attend this session. Talking with her she explained to us that she was very nervous about speaking and was afraid that she would be made to speak and that the others would make fun of her. This was a turning point, as we could explain to her that the welcoming circle is about sharing our thoughts, feelings, fears, joys - that is, if we want to say something, emphasising that also listening is a way we participate in a group and that the group is there to support each one in their particular individuality. This gave her reassurance - the following week as she was leading the session with one of her peers - she stood up to speak in front of everyone, introduced the structure of the evening session, that is, welcoming circle, ice breaker game, dish to cook and a crafts activity. You could see that she was nervous in her speaking, but she kept very near to her feelings and spoke well, asking each one, one by one to "Share three fun things about themselves" going around the circle. The glow and smile on her face - she became animated, and one could read as to how proud she was/is of herself. She was delighted by the groups clapping as she sat down.

She is now far more present within the group, speaks more freely in the welcoming circle and understands that she can talk to the group or the staff if she feels uncomfortable about something, or worried or if she wants to share some wonderful things with the group. She does say that she now feels supported and more confident, making new friends and enjoys participating in all the activities including standing up to speak. She is glowing with an inner confidence - which she didn't have before.

"I feel like I have overcome my fear of speaking in front of people, and I also feel that I can trust the people around and make new friends" Young Person Quote

A young person at Homerton Grove Adventure Playground received a Hackney Youth Award in February 2023 for his work in setting up a tea stall to raise funds for the playground.

The participants are highly diverse and reflect the local demographic well, bringing together young people from different ethnicities and backgrounds including Black, White, Traveller, Eastern European and Turkish children. We have welcomed many visitors and local partners over the course of the year including Young Hackney, the Challenge Network and the Orthodox Jewish community.

Both our playgrounds offer a 6 day inclusive FREE open access service, Monday-Saturday across the year.

Pearson Street Adventure Playground

We continued to offer free play and youth clubs throughout the year at Pearson Street Playground in 2022-23. The playground is located in Haggerston, the ward with the highest level of child poverty in Hackney, where 1 in 2 children (48.5%) are growing up in poverty. We are delighted that over 500 children and young people registered during the year at Pearson Street (1700 are registered currently). We delivered 587 play and youth club sessions with over 10,000 attendances over the course of the year.

Homerton Grove Adventure Playground

In 2022-23, Homerton Grove Adventure Playground continued to provide free, open access, after school and holiday play schemes, with over 500 children and young people registered during the year. We delivered 544 sessions, with attendances of over 6,000. The playground is located adjacent to local housing estates, which are in the bottom 20% in the country for income deprivation. More than 75% of children attending Homerton Grove are from Black and Minority Ethnic backgrounds.

Clapton Park Estate Play Rangers Project

Clapton Park provides free open access play ranger after school and holiday play/youth sessions for local children mainly from the Nye Bevan, Millfields and Clapton Park estates. This year we had over 100 children and young people registered and over 2,000 attendances. We also had a large number of unregistered children attending in 2022-23, in particular from the Traveller community, we continue to address this and are building more sustainable, trusting relationships with this group. Clapton Park is located in the bottom 4% in the country for income deprivation. More than 85% of children attending are from Black and Minority Ethnic backgrounds.

During the year, children and young people have taken part in a wide range of activities including cooking, arts and crafts, gardening, construction, upcycling, bike rides, trips and outings in the local area

Trips and Outings

Highlights of the year, along with many other outings to local parks and playgrounds, museums and galleries, included:-

- Residential on a Canal Barge (The Angel of Islington) - Homerton Grove
- Christmas Party and Panto at the AXA Insurance Offices - Pearson Street
- Hackney Empire Panto Trip - Homerton and Clapton Park
- Summer Trip to Mersey Island - Pearson Street
- Whitechapel Mission Social Action Project Visit - Pearson Street
- Bowling - Good for Girls Project Pearson Street.

Inclusive Play

In 2022-23 we were able to offer Inclusive play opportunities on Saturdays at Pearson Street throughout the year, along with the inclusion of disabled young people from 'The Garden school, Hackney, who have been using our Forest School for inclusive play sessions. Disabled young people are attending all of our services across Pearson Street, Homerton Grove and at Clapton Park, with over 170 young Disabled people attending across the year.

Hackney Play Streets - ended 31.03.23

Hackney Play Association supports local residents to organise regular street play sessions, giving children more opportunities to play, strengthening community cohesion and helping promote understanding and support for play in Hackney. We supported 50 Residents groups across this period to plan a safe playstreet. We ran 5 training sessions during this year for potential playstreets organisers with topics such as, how to steward, devising your own risk assessment for your playstreet, promoting your event to local parents/residents.

Playwork Training

We continued to deliver a Playwork training programme, with regular training sessions taking place during term time helping play service staff to develop skills and qualifications in first aid, safeguarding, health & safety, Playway course (accredited playwork course by the University of Gloucestershire), diversity and inclusion. In addition to this we have delivered training on the impact of trauma on children and in recognising mental health issues in young people, working with gangs, LGBTQ+ training, Teenage suicide awareness, working with young people around the awareness of vaping and substance misuse, reflective playwork practice, the importance of recycling and sustainable playgrounds.

Infrastructure Support

Hackney Play Association worked closely with local adventure playgrounds, mobile play providers and voluntary and community sector play organisations, providing information and training, funded as part of our contract with Hackney Council. During 202-23, we attended trustee meetings and provided information, advice and support to strengthen governance. We also provided training for staff with the focus on improving playwork practice and quality of local play services. This year we continued to work closely with Shakespeare Walk Adventure Playground to support management and

governance at the playground. We have also conducted the induction of their new senior playworker, providing them with an orientation around who's who in Hackney, sharing policies and procedures with them, and the chair of Shakespeare Walk Adventure Playground. We have worked closely with all adventure playgrounds in the borough to organise a play parade from all the playgrounds to central Hackney for National Playday, that attracted over 300 children/young people. We continued to support the Local authority and other voluntary sector playgrounds, by providing staff to them, to cover their shortfall.

Hackney Play Association convenes and hosts Hackney Play Providers' Network providing a forum for information sharing and problem solving for play organisations throughout Hackney. Meetings of Hackney Play Providers' Network take place each half term. Debates and agenda items have ranged from fundraising to safeguarding, volunteering and working with trustees, and reflect the diverse issues and challenges facing local play organisations.

We also supported other play providers through the Hackney Council tendering process by offering a series of online information workshops, training and one to one support.

The Mayors Fund - this finished end Sept 2022

We continued to deliver youth services across all three sites with funding as part of YLF (Young Londoners Fund), targeting those in most need of support, or those at risk of gang membership, exploitation, or low/no school/ college attendances. We run a girls work project, youth sessions weekly, covering areas such as discussion groups and information sessions on Consent, Rights, healthy eating, writing workshops, cooking, community engagement.

Other Funded Projects 2022-23

Holiday Activities and Food Fund - secured funding that ensured we could offer FREE lunches for the children and young people, additional enriching activities and trips out, alongside our regular holiday playscheme programme.

Pearson Street Adventure Playground and Homerton Adventure Playground offered the HAF opportunities during Easter, Summer, and winter of 2022.

Kings Park Moving Together (KMPT) - secured funding for 2 years (2022-2024) from the KMPT partnership programme to develop additional physical activities/opportunities for the families, local communities and children and young people at Homerton and Clapton Park. We are also one of the projects who will receive additional funding each year for organisational development.

Hackney Community Grant (Children and Young People)- secured funding to train 2 young trainee playworkers (aged 16+), offer further volunteering opportunities (with Hackney Play Association) for 15-20 young people age 11+ and signpost to other organisations offering volunteering and employment.

The National Lottery Awards for All - secured funding to host two Jubilee Play Parties at Pearson St and Homerton Grove themed. The events engaged young people in planning and volunteering on the day and was open to the community.

Hackney Housing - secured funding for 12 weekly one-hour boxing/kickboxing exercise sessions (non-contact) to be delivered on the Harman Estate that started in February 2023.

Young Hackney Youth Opportunities Fund - group of young people secured funding (with support from HPA staff) for 6 weekly one-hour boxing/kickboxing exercise sessions (non-contact) and the equipment needed.

Good for Girls at Pearson Street - offered extension from London Youth to deliver an additional 14 sessions and a social action project. The good for girls project created a safe space where young women can talk about their mental health alongside opportunities to develop relationships, skills, and tools to maintain positive mental health.

Partnership working

We also continue to work with a wide range of other organisations including Young Hackney, Hackney Quest, Laburnum Boat Club, Hoxton Hall, Immediate Theatre, Hackney Empire, Hackney Cycle Network, Hackney Libraries, Hackney Museum, Lollard Street adventure playground, London Play, ELBA (East London Business Alliance), HCVS and other adventure playgrounds in Hackney and across London.

Future Plans

During the coming year Hackney Play Association plans to continue to work closely in partnership with local voluntary and community sector play organisations and with statutory and voluntary partners in Hackney and neighbouring boroughs, including: London play, (based at Pearson Street) Islington Play Association, Continued Working with children and young people to develop to work of Clapton Park, Homerton Grove and Pearson Street Adventure Playgrounds.

We want work with the other play organisations to ensure the importance of play is at the centre of local authority and national government agendas.

The trustees continue the process of business planning for the next 3-5 years of Hackney Play Associations development, highlighting our USP as an organisation, conducting a SWOT analysis, preparing finance and funding forecasts and plotting significant timeline events for the next 3-5 years.

FINANCIAL REVIEW

Significant events

Total net expenditure for the year was £71,223 (2022 net expenditure £51,544) . Of the total, £73,077 was net expenditure for unrestricted funds (2022 was net expenditure £43,257) and £1,784 was net income for restricted funds (2022 was net expenditure of £8,287).

Reserves

The balance of unrestricted funds carried forward includes a General Reserve of £140,707 (2022: £213,714). This was equivalent to just under 5 months of total expenditure for the year.

We have carefully considered the Charity's needs to hold reserves for dealing with unforeseen circumstances and, to the extent that further funds permit, for investment in future activities. Hence, in light of increased uncertainty over most sources of income available to us, we have decided that a target level for the General Reserve should be the equivalent of between 3 to 6 months of total annual expenditure.

Going concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern for the reasons detailed in Note 1(b) to the Accounts.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Hackney Play Association was incorporated on 5 October 2006 as a Company Limited by Guarantee without a Share Capital and registered as a charity on 17 February 2012. It commenced operations on 1 April 2012, from which date the net assets of its predecessor charity with the same name were transferred to the charitable company.

It is governed by its Articles of Association, under which each Member is required to contribute an amount not exceeding £1 towards the liabilities of the Charity in the event of it being wound up whilst they are Members, or within one year of their ceasing to be Members.

Hackney Play Association
Report of the Trustees Continued
For the year ended 31 March 2023

Recruitment and appointment of trustees

Management of the Charity is vested in a Board of Directors. The Directors are also the Trustees of the Charity. Trustees are elected at each Annual General Meeting and may co-opt further Trustees as set out in the Articles of Association.

Induction and Training of Trustees

All new Trustees are given induction information, which includes the latest annual report and accounts, current policies, operational plans and financial forecasts. They are also given opportunities to meet other Trustees and senior staff, to provide further insight into the management and operations of the Charity. Senior staff are present at Trustees' meeting to provide information and support.

Organisational Structure

The Board of Directors is responsible for the overall financial control, direction and work of the Charity. It meets approximately six times per year with the Staff Director and with ad hoc advisers, who have no voting rights. Day-to-day responsibilities are delegated to the Staff Director within a framework of approved policies and operational plans, who manages the staff listed below.

Risk Review

Hackney Play Association has carried out a risk assessment in relation to funding and resulting potential risks to our funding base and those arising from both known and potential liabilities. This is reviewed on an ongoing basis. The overall strategy is to continue to diversify funding sources, develop long-term relationships with key funders and strategic partners, and continue to build a reasonable level of operating reserves. Through the systematic review of these risks, the Trustees aim to mitigate the major risks to which the Charity is exposed.

Internal Controls

The Trustees have prepared a Financial Control Policy to document procedures in place to ensure all staff working in the Charity, especially those involved in the accountancy operation, correctly adhere to such controls. This should ensure that an audit trail can be followed and that allocation of costs have been properly ascertained and properly recorded. All transactions are recorded in proprietary accounting software, enabling a tracking of all transactions and monthly bank reconciliations to be carried out.

**Hackney Play Association
Independent Examiners Report to the Trustees
For the year ended 31 March 2023**

I report to the trustees on my examination of the accounts of the charitable company for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity Trustees, who are also directors for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiners statement

Since the Charitable company's gross income exceeded £250,000, your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination by virtue of my membership of Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. Accounting Policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets and in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Companies Act 2006.

Hackney Play Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

The financial statements are prepared, on a going concern basis, under the historical cost convention.

Funds

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

Designated funds comprise of unrestricted funds that have been set aside by the Trustees for particular purposes.

Restricted funds have been provided to the charity for particular purposes, and it is the policy of the board of trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Incoming resources

Income is recognised when the Charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be reliably measured.

Income from government and other grants, whether for capital or revenue purposes, is recognised in accordance with the above policy except where amounts have appropriately been deferred.

Donations are recognised in full when receivable and there is unconditional entitlement.

Income from charitable activities is recognised when the related services and goods have been provided.

Investment income is recognised when receivable.

Resources expended

Expenditure is recognised when there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be reliably measured.

Expenditure includes VAT that cannot be recovered, and is reported as part of the expenditure to which it relates.

Expenditure is allocated between the categories in the Statement of Financial Activities on the basis of how the resources are used. Expenditure relating to a particular activity is allocated directly to that activity. Other expenditure is included under support costs, which is then apportioned to activities on the basis of staff time spent per activity.

Charitable activities comprise expenditure incurred on providing training and qualification courses in playwork for staff, volunteers and trustees, introduction to playwork for young people, information and advice on all aspects of play, and the promotion of quality and advocacy in play provision. It includes the direct costs and support costs relating to these activities.

Governance costs are the costs incurred on overall governance of the Charity. As such, they are mainly associated with meeting constitutional and statutory requirements, such as independent examination fees and costs incurred on strategic management.

Taxation

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Plant and machinery 33% Straight line

Pensions

The Charity operates a defined contribution pension scheme for its employees under auto-enrolment regulations.

Operating leases

Costs of operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term.

Irrecoverable VAT

Irrecoverable VAT is included in the Statement of Financial Activities, and is reported as part of the expenditure to which it relates.

Report of the Trustees

For the year ended 31 March 2022

The Trustees, who are also directors for the purposes of company law, have pleasure in presenting their report and the financial statements for the charitable company for the year ended 31 March 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Background Hackney Play Association was founded in 1972 to campaign for improved play provision for children and young people in the London Borough of Hackney and was registered as a charity in 1977. Set up and managed by local people, Hackney Play Association evolved in direct response to local needs. The original charity ceased operations on 31 March 2012 and its net assets were transferred to a new charitable company with the same name.

Objects The objects of the Charity, as set out in its Memorandum of Association, are the provision of facilities for the recreation and other leisure time occupations for children and young people primarily resident in the London Borough of Hackney and neighbouring areas but otherwise resident in the United Kingdom, being facilities: a) of which such children and young people have need by reason youth or social and economic circumstances and b) which will improve the conditions of life for such children and young people by promoting their physical, mental and spiritual well-being, through play.

Aims Hackney Play Association's aim is to make Hackney a great place for play - particularly for children facing barriers due to poverty, disability, gender and race.

We aim to: · Create better play opportunities for children and young people · Support play provision in Hackney, including adventure playgrounds, play streets, play in schools and play in parks and public spaces · Increase public support for play and reduce barriers to play · Support development of a Child-Friendly Borough In furtherance of its objects.

Hackney Play Association provides: · Free after school and holiday play and youth clubs for children and young people at Homerton Grove Adventure Playground, Pearson Street Adventure Playground and Clapton Park Play and Youth Project · Development and support for Hackney Play Streets · Training and qualification courses in playwork and related skills for staff, volunteers, trustees and young people · Information and advice on all aspects of play provision · Advocacy for quality play and play provision · Support for disabled children to participate in play provision Quality and Awards. The achieving of Youth mark, a quality mark for the running of youth provision.

Hackney Play Association is well known for its work on adventure playgrounds, playwork training and Hackney Play Streets and our Staff Director is a member of the International Play Association, London Play, Play England. She has been a keynote speaker at national and international play conferences, Hackney Play was shortlisted at the London Play Adventure Playground Awards.

Objectives and aims

In planning to meet the objectives we are satisfied that the activities fulfil the public benefit requirement referred to in the Charity Commission's general guidance. As well as benefit to the individuals concerned there is a broader gain for the public.

Social investments

Every year thousands of children and young people in Hackney benefit, as a result of Hackney Play Association's work. Children benefit from improved opportunities for play in adventure playgrounds, schools, streets, parks and public spaces.

Children and young people benefit from:

- improved health and wellbeing for local children who benefit from being outdoors and active;
- development of skills and learning through participation in projects like cooking, gardening, construction, using tools, project planning;
- safe places to be with their friends, supported by trained playworkers and youth workers, away from gangs and knife crime in the local area;
- development of creativity, problem solving skills and resilience, through arts, music, self-directed play and opportunities to experience risk and challenge;
- inclusion of disabled children in mainstream play services; · increased cultural awareness as a result of bringing children from different backgrounds together to play; · increased opportunities for children from low income families to participate and develop a wider range of interests, skills, experiences and aspirations. Local families benefit from:
- free, after school and holiday activities that enable parents to work, study and have respite care, especially parents from low income families. Local residents benefit from:
- greater community cohesion, as a result of bringing residents together for play streets and play activities throughout Hackney;
- increased skills and employment opportunities through Playwork training and work experience placements.

Volunteers

Hackney Play Association's main area of work with volunteers is through the Hackney Play Streets project in partnership with Hackney Council. This scheme enables local volunteers to close their road for play for short periods of time after school or at weekends. We provide information and support for the network of 350 local residents (similar to previous years), who organise and provide stewarding for the street play sessions on voluntary basis in 50 streets in Hackney (sustaining the 50 achieved in 2018-19). During 2019-20, Hackney Play Association also worked closely with Young Hackney to host weekly placements for 50 young offenders taking part in community reparation schemes. These young people benefit from skills development and reintegration into the community in a friendly and supportive environment. In 2018-19 we hosted regular corporate volunteering days at Homerton Grove Adventure Playground and Pearson Street Adventure Playground. Hundreds of corporate volunteers (20-30 volunteers per week during the summer months) have helped to maintain the playground, to build new equipment and to get the playground ready for holiday play and youth clubs. Corporate volunteering days take place as part of corporate social responsibility schemes. We would like to thank all of the volunteers and partner organisations that we have worked with over the year, in particular our main funder and partner, Young Hackney, part of Hackney Council.

ACHIEVEMENTS AND PERFORMANCE

Measuring Impact In 2021-22 we continued to carry out regular surveys of children who attend Clapton Park, Homerton Grove and Pearson Street adventure playgrounds. The difference that these services make include: Feeling Safe 97% of children and young people attending said they felt safe when they were attending, 2% said it depended on the circumstances and 1% said it depended on whether older children were there or not.

Boy 10: "Yes, I do feel safe here." Girl 11: "I like doing new things and the staff help me to do them." Boy 14: "I feel safe. The Senior Playworker will always come if I need help with anything and I can talk to them." Girl 9: "I am new here but the staff made me I was having fun and that I have things to do." Girl age 8: "I like all the different staff."

Feeling happy

Children and young people were overwhelmingly positive about how they feel when they are at Clapton Park, Homerton Grove and Pearson Street, with nearly 100% expressing positive saying that they felt happy, excited, safe or chilled. 2% were unsure. 98% of young people said that it was "fun" to come to Homerton Grove. 2% said it was "sometimes fun". Boy 10: "It feels close to my house and my friends." Girl 13: "The staff help you out if you are feeling down." Boy 10: "The staff help children if they've got any problems. Help parents if they've got problems. They try to make it as good as possible."

Learning new things and feeling confident to try new things 80% of children said they had learned new skills. 14% said they hadn't. 6% didn't answer. 93% said they felt confident to try new things, with 7% saying no. Girl age 9: "How to make a bag." Boy age 7: "How to box." Boy age 11: "Art, craft and upcycling." Boy age 8: "To be kind." Girl age 8: "I've learned how to be more chilled." Girl age 9: "I've learned to be good and to listen." Girl age 10: "I've learned to draw amazing things." Girl age 10: "I learned that we can create things." Girl age 8: "Go-karting." Girl age 12: "I learned how to be more assertive."

Making friends, socialising and learning about other cultures.

94% young people said that they had made new friends. 5% said that they attended with their existing friends and family. The participants are highly diverse and reflect the local demographic well, bringing together young people from different ethnicities and backgrounds including Black, White, Traveller, Eastern European and Turkish children.

Pearson Street Adventure Playground

We continued to offer free play and youth clubs throughout the year at Pearson Street In 2021-22 Playground. The playground is located in Haggerston, the ward with the highest level of child poverty in Hackney, where 1 in 2 children (48.5%) are growing up in poverty. We are delighted that 612 children and young people registered during the year at Pearson Street. And we have over 1500 registered here now. We delivered 236 play and youth club sessions with 8,902 attendances over the course of the year. The playground opened Monday to Friday, 3.15 - 7, Saturdays 11am-4pm for Disabled young people at Pearson Street and for open access sessions at Homerton Grove. We have youth club sessions from 6 - 8pm on Mondays and Thursdays during term time; and 10.30 - 5.30pm during school holidays. We also offered a special session for disabled children, funded by Hackney Council's Public Health fund. Play and youth services at all of our open access play services are funded by Young Hackney (Hackney Council) and Youth Investment Fund.

Homerton Grove Adventure Playground

In 2021-22, Homerton Grove Adventure Playground continued to provide free, open access, after school and holiday play schemes, with 562 children and young people registered during the year. We delivered 242 sessions, with attendances of 5,041. Opening hours in the summer months were Monday - Friday, 3.30 - 6pm; and Saturdays 12 - 5pm during term time. The playground is located adjacent to local housing estates, which are in the bottom 20% in the country for income deprivation. More than 75% of children attending Homerton Grove and Clapton Park are from Black and Minority Ethnic backgrounds. We have welcomed many visitors and local partners over the course of the year including Young Hackney, the Challenge Network and the Orthodox Jewish community.

Clapton Park Estate Project

Clapton Park provides free open access after school and holiday play and youth schemes for local children mainly from the Nye Bevan, Millfields and Clapton Park estates. This year we had 165 children and young people registered and 4,586 attendances. We also had a large number of unregistered children attending in 2021-22, in particular from the Traveller community, we have been working hard to address this and are building more sustainable, trusting relationships with this group. Clapton Park's opening hours were Wednesday to Friday, 3.30 - 6pm, Clapton Park is located in the bottom 4% in the country for income deprivation. More than 85% of children attending are from Black and Minority Ethnic backgrounds. During the year, children and young people have taken part in a wide range of activities including cooking, arts and crafts, gardening, construction, upcycling, bike rides, trips and outings in the local area.

Trips and Outings

Highlights of the year include organising a sea side trip to Leigh-on-sea, an overnight residential at Homerton Grove, two Camp

and Homerton Grove to build shelters, bird boxes and other build projects whilst camping in Debden, Essex Two groups of children attended Christmas Pantos at both Hackney empire and Hoxton Hall, where over 100 children attended , along with many other outings to local parks and playgrounds, museums and galleries.

Inclusive Play

In 2021-22 we were able to offer Inclusive play opportunities on Saturdays at Pearson Street throughout the year, along with the inclusion of disabled young people from 'The Garden school, Hackney, who have been using our Forest School for inclusive play sessions. Disabled young people are attending all of our services across Pearson Street, Homerton Grove and at Clapton Park, with over 170 young Disabled people attending across the year.

Hackney Play Streets

Hackney Play Association supports local residents to organise regular street play sessions, giving children more opportunities to play, strengthening community cohesion and helping promote understanding and support for play in Hackney. Over the past year, Playstreets were not allowed by Street Scene (the local authority department which issues licences to run a playstreet). We supported 62 Residents groups across this period to plan a safe playstreet, for when permission was once again granted. We ran 5 training sessions during this year for potential playstreets organisers with topics such as, how to steward, devising your own risk assessment for your playstreet, promoting your event to local parents/residents.

Playwork Training

We continued to deliver a Playwork training programme, with training sessions taking place once a week during term time helping play service staff to develop skills and qualifications in first aid, safeguarding, health & safety, playwork (playWay course) , diversity and inclusion. In addition to this we have delivered training on the impact of trauma on children and in recognising mental health issues in young people, working with gangs, LGBTQ+ training, Teenage suicide awareness

Hackney Play Association worked closely with local adventure playgrounds, mobile play providers and voluntary and community sector play organisations, providing information and training, funded by Hackney Council's Community Grants fund. During 2021-22, we attended trustee meetings and provided information, advice and support to strengthen governance. We also provided training for staff with the focus on improving playwork practice and quality of local play services. This year we worked closely with Shakespeare Walk Adventure Playground to support management and governance at the playground. We have also conducted the induction of their new senior playworker, providing her with an orientation around who's who in Hackney, sharing policies and procedures with her, and the chair of Shakespeare Walk Adventure Playground. We have worked closely with all adventure playgrounds in the borough to organize a play parade for National Playday, with over 150 children attending. We have also supported the Local authority playgrounds, by providing staff to them, to cover their shortfall.

Hackney Play Association convenes and hosts Hackney Play Providers' Network providing a forum for information sharing and problem solving for play organisations throughout Hackney. Meetings of Hackney Play Providers' Network take place each half term. Debates and agenda items have ranged from fundraising to safeguarding, volunteering and working with trustees, and reflect the diverse issues and challenges facing local play organisations.

The Mayors Fund

We have continued to deliver youth services across all three sites with funding as part of YLF (Young Londoners Fund), targeting those in most need of support, or those at risk of gang membership, exploitation or low/no school/ college attendances. We run a girlswork project, youth sessions weekly, covering areas such as discussion groups and information sessions on Consent, Rights, healthy eating, writing workshops, cooking, community engagement.

Partnership working

We also worked with a wide range of other organisations including Young Hackney, Hackney Quest, Laburnum Boat Club, Hoxton Hall, Immediate Theatre, Hackney Empire, Hackney Cycle Network, Access to Sport, Lollard Street adventure playground, London Play, ELBA (East London Business Alliance), HCVS and other adventure playgrounds in Hackney and across London.

Future Plans

During the coming year Hackney Play Association plans to continue to work closely in partnership with local voluntary and community sector play organisations and with statutory and voluntary partners in Hackney and neighbouring boroughs, including: London play, (based at Pearson Street) Islington Play Association, Continued Working with children and young people to develop to work of Clapton Park, Homerton Grove and Pearson Street Adventure Playgrounds.

The worldwide pandemic had a huge impact on children's opportunities to play and experience freedom and make their own choices, so never has it been more vital to offer our services to children in Hackney and beyond.

The trustees have begun the process of business planning for the next 3-5 years of Hackney Play Associations development, highlighting our USP as an organisation, conducting a SWOT analysis, preparing finance and funding forecasts and plotting significant timeline events for the next 3-5 years.

FINANCIAL REVIEW

Significant events

Total net expenditure for the year was £51,544 (2021 was net income £76,326) . Of the total, £43,257 was net expenditure for unrestricted funds (2021 was net income £71,226) and £8,287 was net expenditure for restricted funds (2021 was net income of £5,100).

Reserves

We have carefully considered the Charity's needs to hold reserves for dealing with unforeseen circumstances and, to the extent that further funds permit, for investment in future activities. Hence, in light of increased uncertainty over most sources of income available to us, we have decided that a target level for the General Reserve should be the equivalent of between 3 to 6 months of total annual expenditure.

Going concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern for the reasons detailed in Note 1(b) to the Accounts.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Hackney Play Association was incorporated on 5 October 2006 as a Company Limited by Guarantee without a Share Capital and registered as a charity on 17 February 2012. It commenced operations on 1 April 2012, from which date the net assets of its predecessor charity with the same name were transferred to the charitable company.

It is governed by its Articles of Association, under which each Member is required to contribute an amount not exceeding £1 towards the liabilities of the Charity in the event of it being wound up whilst they are Members, or within one year of their ceasing to be Members.

Recruitment and appointment of trustees

Management of the Charity is vested in a Board of Directors. The Directors are also the Trustees of the Charity. Trustees are elected at each Annual General Meeting and may co-opt further Trustees as set out in the Articles of Association.

Induction and Training of Trustees

All new Trustees are given induction information, which includes the latest annual report and accounts, current policies, operational plans and financial forecasts. They are also given opportunities to meet other Trustees and senior staff, to provide further insight into the management and operations of the Charity. Senior staff are present at Trustees' meeting to provide information and support.

Organisational Structure

The Board of Directors is responsible for the overall financial control, direction and work of the Charity. It meets approximately six times per year with the Staff Director and with ad hoc advisers, who have no voting rights. Day-to-day responsibilities are delegated to the Staff Director within a framework of approved policies and operational plans, who manages the staff listed below.

Risk Review

Hackney Play Association has carried out a risk assessment in relation to funding and resulting potential risks to our funding base and those arising from both known and potential liabilities. This is reviewed on an ongoing basis. The overall strategy is to continue to diversify funding sources, develop long-term relationships with key funders and strategic partners, and continue to build a reasonable level of operating reserves. Through the systematic review of these risks, the Trustees aim to mitigate the major risks to which the Charity is exposed.

Internal Controls

The Trustees have prepared a Financial Control Policy to document procedures in place to ensure all staff working in the Charity, especially those involved in the accountancy operation, correctly adhere to such controls. This should ensure that an audit trail can be followed and that allocation of costs have been properly ascertained and properly recorded. All transactions are recorded in proprietary accounting software, enabling a tracking of all transactions and monthly bank reconciliations to be carried out.

Hackney Play Association
Independent Examiners Report to the Trustees
For the year ended 31 March 2022

I report to the trustees on my examination of the accounts of the charitable company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity Trustees, who are also directors for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiners statement

Since the Charitable company's gross income exceeded £250,000, your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination by virtue of my membership of Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Hackney Play Association
Notes to the Financial Statements
For the year ended 31 March 2022

1. Accounting Policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets and in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Companies Act 2006.

Hackney Play Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

The financial statements are prepared, on a going concern basis, under the historical cost convention.

Funds

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

Designated funds comprise of unrestricted funds that have been set aside by the Trustees for particular purposes.

Restricted funds have been provided to the charity for particular purposes, and it is the policy of the board of trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Incoming resources

Income is recognised when the Charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be reliably measured.

Income from government and other grants, whether for capital or revenue purposes, is recognised in accordance with the above policy except where amounts have appropriately been deferred.

Donations are recognised in full when receivable and there is unconditional entitlement.

Income from charitable activities is recognised when the related services and goods have been provided.

Investment income is recognised when receivable.

Resources expended

Expenditure is recognised when there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be reliably measured.

Expenditure includes VAT that cannot be recovered, and is reported as part of the expenditure to which it relates.

Expenditure is allocated between the categories in the Statement of Financial Activities on the basis of how the resources are used. Expenditure relating to a particular activity is allocated directly to that activity. Other expenditure is included under support costs, which is then apportioned to activities on the basis of staff time spent per activity.

Charitable activities comprise expenditure incurred on providing training and qualification courses in playwork for staff, volunteers and trustees, introduction to playwork for young people, information and advice on all aspects of play, and the promotion of quality and advocacy in play provision. It includes the direct costs and support costs relating to these activities.

Governance costs are the costs incurred on overall governance of the Charity. As such, they are mainly associated with meeting constitutional and statutory requirements, such as independent examination fees and costs incurred on strategic management.

Hackney Play Association
Notes to the Financial Statements Continued
For the year ended 31 March 2022

Taxation

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Pensions

The Charity operates a defined contribution pension scheme for its employees under auto-enrolment regulations.

Operating leases

Costs of operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term.

Irrecoverable VAT

Irrecoverable VAT is included in the Statement of Financial Activities, and is reported as part of the expenditure to which it relates.
