Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 July 2025.

Objectives and activities

Objects and aims

The charities objectives are to promote equality and diversity for the public benefit by bringing various communities together and encouraging social cohesion, in particular but not exclusively by conducting activities to establish understanding and cultural exchange between people from diverse backgrounds.

Further, the charity strives to help those who are socially excluded on the grounds of their social or economic position through the provision of education and training, and social and recreational facilities and events involving a wide community.

The charity aims to:

- promote understanding, respect, and unity among people of different cultures and backgrounds by creating opportunities for meaningful interaction and cultural exchange,
- strengthen social cohesion by bringing diverse communities together through inclusive events and shared experiences
- support individuals facing social or economic disadvantage by offering access to education, training, and opportunities for personal and professional growth
- combat social exclusion by providing welcoming spaces, activities, and programs that empower individuals and encourage full participation in community life.

Objectives, strategies and activities

Expand activities

The trustees wished to expand provision of activities, such as provision of education and training, social and recreational facilities and events involving a wide community.

Sponsorship licence

Recognising the need for additional support, the charity was operating under the Sponsorship Licence and welcomed volunteers from abroad enhancing both the diversity and effectiveness of our team.

The charity carried out the following activities over the course of the year:

- providing free extracurricular classes for children in the areas of arts and crafts, dance, and performing arts;
- facilitating volunteer placements for individuals from abroad to come to the UK and support our work, as a licensed sponsor;
- offering free immigration advice and services, in accordance with our registration with the Immigration Advice Authority;
- assisting individuals with a range of general queries and support needs.

Trustees' Report

Public benefit

The activities described above further public benefit by providing children with an avenue to develop in the arts and crafts, music and dance that may not have been otherwise available to them. This provides them with creative outlets and opportunity to realise a passion and consolidate their potential. This, in turn, promotes physical and mental wellbeing for children, as well as generating a positive 'ripple effect' to their wider families.

The free immigration advice provided by the charity described above assists individuals in better understanding their immigration obligations and understanding of UK laws and regulations. These activities help migrants to adhere to immigration and other laws, as well as giving local members of the community the chance to help them integrate and share their experiences with others.

Further support services provided by the charity are a welcome avenue of assistance for individuals who are not aware of how to get help otherwise with everyday administrative tasks, such as opening a bank account, paying for utilities, resolving tax matters and other vital everyday items.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Use of volunteers

The charity relied on local volunteers from the UK and from sponsored volunteers from abroad (charity workers). They assisted with weekly art and dance classes for children and support events such as art exhibitions and local community celebrations, as well as other events involving a wide community.

Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Mrs Gulnara Kursalina

Best British Centre

Trustees' Report

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Best British Centre
Independent Examiner's Report to the trustees of Best British Centre ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 July 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Best British Centre as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 July 2025

1 Charity Status

The charity is limited by guarantee, incorporated in , and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

63 Malthouse Drive

These financial statements were authorised for issue by the trustees on 20 March 2026.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Best British Centre meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Best British Centre

Notes to the Financial Statements for the Year Ended 31 July 2025

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Administrative costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.
