

Kakatua Bulu Cockatoo Sanctuary

Registered in England and Wales Charity Number 1146051

Annual Report 2023 - 2024

Objectives

The charity’s objectives as set out below are:

- a). To offer life time Sanctuary to all unwanted, neglected, abused, disabled, or ill cockatoos of all species.
- b). To raise funds to enable the charity to carry out this work by encouraging donations from the public and request sponsorships from families (where applicable) who leave their cockatoos at the Sanctuary.

Work Carried Out

During this period the charity constructed yet another new building to house the cockatoos. Always as previously the building has light and heat as many of those cockatoos are either old, feather plucked or disabled and these birds are not able to live in an aviary.

This building was funded by donations from the public to the charity, the charity's only source of income.

Independent Examiners Report for Kakatua Bulu Cockatoo Sanctuary

Period -1/06/2023 - 31/05/24

Charity Registration Number 1146051

My examination of the annual report and financial statement for the above charity in accordance with the requirements of the Charity Commission.

In the course of my examination no matter has come to my attention which gives me cause to believe that the Trustees have not met the requirements to ensure that:

Proper records are kept and accounts are prepared which agree with the accounting records further that the annual report offers a true reflection of the charity mission statement.
