Summary of Activities of The Royal Assembly Sheffield Report 2025.

SERVICE/FELLOWSHIP/DEPARTMENTS

Members

Spiritually, members are doing great and becoming much stronger in their faith and grounded in their knowledge and use of the word of God. The membership has grown to 66 adults and 50 children as at the date of this report. This is made up of a diverse and inclusive community. During the year under review, two of our committed members were released to fulfil their God's calling and passion which were to plant their Nigerian-home based non-RCCG churches such as Dunamis and CAC. Furthermore, there were many other members who relocated to other cities due to employment opportunities, while we also received some new members.

SERVICE/FELLOWSHIP/DEPARTMENTS

Good Women Fellowship (Royal Women)

The Good Women Fellowship (GWF) of the parish is doing well to bring the ladies in the church together and provide them with support when the need arises. They are well organised and are committed to the overall RCCG Good women Fellowship activities. Their contribution to good health of the church is amazingly great. Through their leaders, welfare of the families in the church are considered important and they work together to achieve a common purpose.

Worship Team

The worship team is fully functional. We have a variety of instrumentalists, lead singers and many back-up singers. The team members serve willing with dedication and commitment in their support for a vibrant worship team. All the volunteers who joined the team recently have settled in.

Royal Men

Men's fellowship in the church is a great pillar of support to ensure a healthy church community. The activities they carry out include their bi-monthly meeting which is hosted in homes of men to create the bonding that the team requires. The team also engage in regular prayer meetings and conferences. We believe that God will add to the church men who will be pillars in their homes, community and in the church as well. The men in addition, are working together to ensure that every opportunity that they have to train and encourage everyman to matter in their homes and rise up to their responsibilities as good fathers and parents is harnessed.

Children/Preteens and Teenagers Group

Our children department is divided into three groups according to their ages.

We have core children class that looks after children 0-8 years. Children 9-12 age are in Preteens class. Whereas children aged 13-18 are in the teenager's class. As their needs are different, their teachers are guided by this understanding and make them to engage.

We also use the Zeal manuals for effective learning.

Prayer Team

The team has been standing in the gap for the church and her members. Our Prayer team meets virtually every Saturday morning. These prayer meetings have been very effective. We encourage members to engage in the activity which is well attended. The team also engages in individual prayer chains to uphold the work of the ministry. We are hopeful that God will add more people to the team who can pray until something happens. Meanwhile prayer team meeting is held rotationally in the homes of the members.

Evangelism Team

The evangelism team is also very active. They engage in personal and community evangelism. The team, in every quarter lead our church quarterly evangelism outreach that takes the church out and minister to people in the community and streets.

Sunday School Team

We have credible teachers who lead the two Sunday school classes that we have. The teachers take turns to teach. They make their sessions interactive and engaging.

Ushering/ Welcome & Welfare

Our volunteers in this group are doing an incredible job. Their contributions to a healthy church environment cannot be overemphasized.

Social Action - Firth Park Foodbank

The Firth Park Foodbank (FPF) has continued to provide emergency food parcels to families within the city. The Foodbank has been receiving referrals from GP Surgeries, Probation Officers, Job Centre Plus, Social Services just to mention a few. The Foodbank also provides cooked three course meals for all the clients that turn up at the door of the charity every Saturday. The Foodbank object includes the prevention or relief of poverty, in particular among people living within the S5 postcode area (Firth Park, Shiregreen, Shirecliffe, Southey Green and Parson Cross) of Sheffield by the provision of emergency food parcels and facilities to individuals in financial need.

Achievements and Performance

The Firth Park Foodbank has had another challenging year. However, we are grateful to all those organisations and individuals who continue to support us as we seek to respond to the needs of the people of S5. During 2024-25, 10 tonnes of food of different variety were given out to clients: with 1020 food parcels providing assistance to over 1000 people. We supported 28 adults and 54 children with Christmas food parcels and toys at Christmas.

Our membership of Sheffield Food Network continues to enable us benefit from the weekly food collection facilitated through Fare share and Tesco Partnership, and Waitrose regular food collections both on a weekly and quarterly bases.

Our Challenges We are facing severe challenges with storage space, the ever-increasing number of referrals and the complex nature of people's problems. There is also the ongoing danger of creating a culture of dependency on food banks. The implementation of our strategy is designed to respond to these challenges. We continue to try and find ways to mitigate the risk of demand exceeding supply and operate a 4-parcel cap for our clients.

We are exploring ways in which we can extend the Food Club provision and move more clients from the dependence on the Food bank to the more realistic and sustainable management of their money. The Trustees and Church leadership have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake. The Charity undertakes an

annual financial review to allow the charity to continue to function prudently month to month. The Trustees would like to express their sincere appreciation to all the members of the church, the leaders, volunteers and donors who have made our achievements to date possible in an increasingly challenging environment.

Health Conference

The church works in collaboration with Caribbean African Health Network to educate and empower members of the community to reduce health inequalities. We organised a health Conference that brought together health practitioners across the city to discuss and make suggestions on actions that can position members of our community to engage in health research and other activities that make the services accessible to community.

Trustees Responsibility for Financial Statements

The Trustees are responsible for preparing the financial statements for the financial period which should give a clear view of the state of affairs of the charity.

In preparing these financial statements the Trustees are required to

- select suitable accounting policies and apply them accordingly
- Make judgements and estimates that are reasonable and prudent

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity.

The trustees are responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention of fraud and irregularities.

The Trustees have declared that they have approved the trustees report above.

Summary of Activities of The Royal Assembly Sheffield Report 2022.

MEMBERSHIP

Spiritually, members are doing great and becoming much stronger in their faith and grounded in their knowledge and use of the word.

The membership has grown to 40 adults and 50 children as at the date of this report. This is made up of diverse and inclusive community.

SERVICE/FELLOWSHIP/DEPARTMENTS

Good Women Fellowship (Royal Women)

The Good Women Fellowship (GWF) of the parish is doing well to bring the ladies in the church together and provide them with support when the need arises. They are well organised.

Worship Team

The worship has become fully functional. We have a keyboardist, drummer, lead singers and many back-up singers. All the volunteers who joined the team have settled down in church. We are trusting God to add to the team many more people who can sing with exceptional talents to improve performance.

Royal Men

Men's fellowship has started but it has been slow to get going. No activities were carried out during the year under review except an 'ad-hoc' gathering together to plan for Father's day. We believe that God will add to the church men who will be pillars in their homes, community and in the church as well.

Prayer Team

The team has been standing in the gap for the church and her members. During the year, we created an online platform to meet virtually every Saturday for morning prayer conference. We are hopeful that God will add more people to the team who can pray until something happens. Meanwhile prayer team meeting is held rotationally in the homes of the members.

Social Action - Firth Park Foodbank

The Firth Park Foodbank (FPF) has continued to provide emergency food parcels to families within the city. The Foodbank has been receiving referrals from GP Surgeries, Probation Officers, Job Centre Plus, Social Services just to mention a few. The Foodbank also provides cooked three course meals for all the clients that turn up at the door of the charity every Saturday.

The Foodbank object includes the prevention or relief of poverty, in particular among people living with the S5 postcode area (Firth Park, Shiregreen, Shirecliffe, Southey Green and Parson Cross) of Sheffield by the provision of emergency food parcels and facilities to individuals in financial needs.

**The Redeemed Christian Church of God (RCCG) - The Royal Assembly Sheffield
Independent Examiners Report on the Accounts
For The Year Ended 30 April 2023.**

I report on the accounts of the Redeemed Christian Church of God (RCCG) – The Royal Assembly set out on pages 5 - 8

Respective responsibilities of the Trustee and the Examiner

It is the responsibility of the trustees to maintain proper books and records and prepare accounts.

The trustees consider that an audit is not required for this year (Under Section 144 (2) of the Charities Act 2011 and that an independent examination is needed).

It is my responsibility to:

- examine the accounts under Section 14 of the 2011 Act;
- to follow the procedures laid down in this General Directions given by the Charity Commissioner (under Section 145(5)(b) of the 2011 Act;
and
- to state whether particular matters have come to my attention.

Basis of the Independent Examiner's report

My examination was carried out in accordance with the general direction given by the Charity Commission.

An examination includes the review of the accounting records kept by the charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts and seeking explanation from the trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in any audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep appropriate accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act
- have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The Foodbank has been receiving referrals from GP Surgeries, Probation Officers, Job Centre Plus, Social Services just to mention a few. The Foodbank also provides cooked three course meals for all the clients that turn up at the door of the charity every Saturday.

The Foodbank object includes the prevention or relief of poverty, in particular among people living with the S5 postcode area (Firth Park, Shiregreen, Shirecliffe, Southey Green and Parson Cross) of Sheffield by the provision of emergency food parcels and facilities to individuals in financial needs.

Achievements and Performance

The Firth Park Foodbank has had another challenging year. However, we are grateful to all those organisations and individuals who continue to support us as we seek to respond to the needs of the people S5. During 2019, 10 tonnes of food of different variety were given out to clients; with 1020 food parcels providing assistance to over 1000 people. We supported 28 adults and 54 children with Christmas food parcels and toys at Christmas. Our membership of Sheffield Food Network continues to enable us benefit from the weekly food collection facilitated through Fareshare and Tesco Partnership, Waitrose regular food collections both on a weekly and quarterly basis.

Our Challenges

We are facing severe challenges with storage space, the ever increasing number of referrals and the complex nature of people's problems. The Covid-19 pandemic has put more pressure on the foodbank due to economic and financial crisis within the community. There is also the ongoing danger of creating a culture of dependency on food banks. The implementation of our strategy is designed to respond to these challenges. We continue to try and find ways to mitigate the risk of demand exceeding supply and also operate a 4-parcel cap for our clients. We are exploring ways in which we can extend the Food Club provision and move more clients from the dependence on the Food bank to the more realistic and sustainable management of their money.
