### **REPORT OF THE DIRECTORS AND TRUSTEES** **FOR THE YEAR ENDED 30 SEPTEMBER 2022**

#### **4. Achievements and Performance**

The Trustees continue to regularly review the strategic direction of the Charity.

- The Domestic Soccer Academy covering youngsters from ages 5 to 21 continues to operate successfully despite the severe impact of Covid 19. It operates throughout North Yorkshire albeit primarily based out of bespoke facilities at York St John University in York. We continue to attract youngsters from a radius of up to 3 miles and can assist with travel arrangements, coaching fees and the provision of associated kit. By September 2022 the number of youngsters playing soccer on a weekly basis or attending camps was some 400. All fee income together with associated costs (such as pitch hire including "state of the art" 3G, suitably qualified coaches and equipment) goes through the i2i Life Foundation. We continue to see some great success stories with young footballers from disadvantaged backgrounds entering into the professional game.
- Furthermore we operate Holiday Camps each school holiday with extended hours to help parents with childcare all ages both male and female are invited. We offer free taster sessions as an introduction to sport and football on academy and camps. We also repurpose training kit from those that grow out of their kit, they can donate back to the i2i Life Foundation and we can resupply to those who are struggling to afford.
- We are grateful for the ongoing support of Base Soccer for their financial support and encouragement. Base Soccer are a leading international agency for professional footballers comprising FA Registered Intermediaries, Football Consultants and Operations Support. They are keen to develop a long-term relationship with the Charity and the Trustees are grateful for their support.
- Our fundraising activities, most notably the annual dinner and auction which did not take in 2020, 2021 and 2022 due to the impact of Covid19. We are looking at resuming during 2023.

#### **5. Financial Review**

The Charity acknowledges and offers thanks to funders, who have supported the programme of activity for the year.

Strong financial management ensures that costs are contained within budget and funding sources / donations received.

##### ***Reserves policy***

The Board of Trustees has established a policy whereby i2i Life Foundation aims to have a level of reserves that amounts to six months operating costs. At 30<sup>th</sup> September 2022, the Charity has reserves of £35,209. The trustees monitor the level of reserves so that where possible the Charity has six months operating costs. This is achieved through sound financial management and the generation of earned income.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2022**

**1. ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements have been prepared under the historical cost convention, in accordance with the financial reporting standard applicable in the United Kingdom & Republic of Ireland (FRS 102) and with the Charities Act 2011.

**Income and endowments**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy: The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Investment income is recognised on a receivable basis.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

**Expenditure**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

**Taxation**

The charity is registered with the Charities Commission and is not subject to taxation on its normal activities.

**Capital Expenditure**

All expenditure of a capital nature is capitalised in the balance sheet.

Fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life.

**Funds Structure**

Restricted income funds are used to account for situations where a donor requires that a donation must be spent on a particular purpose or where funds have been raised for a specific purpose.

The unrestricted income funds were available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
