2. Structure, Governance and Management

Governing Document

i2i Life Foundation Limited was established in 2011 and registered as a charity and incorporated as a company limited by guarantee. The company was established under a Memorandum of Association, which established the objects and powers of the charitable company, and is governed under its Articles of Association. The Charity operates out of York and has a regional and national profile.

Company No: 07780249
Charity No: 1146136

Recruitment and Appointment of Trustees

The Directors of the company are also charity trustees for the purpose of charity law and, under the company's Articles, are known as members of the Board of Trustees. Under the requirements of the Memorandum and Articles of Association the members of the Board of Trustees are elected to serve for a period of three years, after which they must be re-elected at the next Annual General Meeting.

The Board of Trustees of the company seeks to ensure that its members possess the range of skills and expertise required to benefit the diverse range of work the company undertakes.

In the event of particular skills or expertise being lost due to retirement, appropriate individuals are identified and approached to offer themselves for election to the Board of Trustees.

Risk Management

The Board of Trustees and the Management Committee periodically undertake a review of the major risks to which the charity is or may be exposed. Where appropriate, systems and procedures have been established to mitigate the risks that the charity faces or may face.

Appropriate policies and procedures are in place and have been reviewed during the year to ensure compliance with legislative requirements, which include employment laws, health and safety of staff, volunteers, clients and visitors.

Organisational Structure

The Charity has a board of trustees, who oversee the Charity's activities to develop and carry out the vision of the Charity and its activities.

The Board of Trustees meets regularly as required and is responsible for the strategic direction and policy of the charity. Each meeting has a full agenda. Discussions take place about particular issues of concern or of strategic significance to the Charity. Decisions are reached through discussion and are minuted at the meetings with action points attached to each decision. These action points and minutes are reviewed at every subsequent meeting.

Related parties

The trustees of the Charity are also the directors and shareholders of i2i Development Limited, i2i Sports Limited and i2i Medical Limited.

3. Objectives and Activities. The objectives of i2i Life Foundation, which remain unchanged through the year are:

- To act for the public benefit as a resource for young people and adults by providing advice and assistance and organising programmes of physical, educational and other activities as a means of:
 - (a) Advancing in life and helping young people and adults by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals.
 - (b) Advancing education by developing mental, physical and moral capabilities.
 - (c) Relieving unemployment, in such ways as may be thought fit, including assistance to find employment and developing employability skills.
 - (d) Providing recreational, sporting and leisure time activities in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.
 - (e) Promoting social inclusion by preventing young people and adults from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society (for the purpose of this clause 'socially excluded' means being excluded from society, or parts of society, as a result of one or more of the following factors – unemployment, financial hardship, age, ill health (physical or mental), substances abuse or dependency including alcohol and drugs, discrimination on the grounds of sex, race, disability, ethnic origin, religion, belief, creed, sexual orientation or gender re-assignment, poor educational or skills attainment, relationship and family breakdown, poor housing (that is housing that does not meet basic habitable standards), crime (either as a victim of crime or as an offender rehabilitating into society).

The i2i Life Foundation will operate on a national level but with a focus on the Yorkshire and Humberside regions:

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

4. Achievements and Performance

The Trustees continue to regularly review the strategic direction of the Charity.

- The Domestic Soccer Academy covering youngsters from ages 5 to 21 continues to operate successfully. It operates throughout North Yorkshire albeit primarily based out of bespoke facilities at York St John University in York. We continue to attract youngsters from a radius of up to 30 miles and can assist with travel arrangements, coaching fees and the provision of associated kit. By September 2025 the number of youngsters playing soccer on a weekly basis was some 350 with an additional attending holiday clubs only. All fee income together with associated costs (such as pitch hire including “state of the art” 3G, suitably qualified coaches and equipment) goes through the i2i Life Foundation. We continue to see some great success stories with young footballers from disadvantaged backgrounds progressing their soccer careers.
- We operate Holiday clubs each school holiday with extended hours to help parents with childcare all ages both male and female are invited. We offer free taster sessions as introduction to sport and football on academy and camps. We also repurpose training kits from those that grow out of kit they can donate back to the i2i Life Foundation, and we can accordingly supply to those who are struggling to afford. We have linked up with Leeds United and offered trips to first team matches (subsidised or free for those that cannot afford to pay)
- For the second year running a successful overseas trip to Dortmund, Germany was undertaken. A Group of some 25 players and 5 parents supported by experienced qualified soccer coaches from i2i Sports Limited attended a week-long trip hosted by Borussia Dortmund, the Bundesliga Premier League football team.

5. Financial Review

The Charity acknowledges and offers thanks to funders, who have supported the programme of activity for the year.

Strong financial management ensures that costs are contained within budget and funding sources / donations received.

Reserves policy

The Board of Trustees has established a policy whereby i2i Life Foundation aims to have a level of reserves that amounts to six months operating costs. At 30th September 2025, the Charity had negative reserves by some £13000 and will look to address this shortfall over the coming 12 months. The trustees monitor the level of reserves so that where possible the Charity has six months operating costs. This is achieved through sound financial management and the generation of earned income.

6. Plans for future Periods

Plans for the forthcoming financial year

The Trustees have undertaken a major strategic review. Several important strategic principles have been agreed and will be implemented over the next 12 months; specifically, the Trustees are looking to strengthen the management of the charity with the recruitment of some new Trustees with a focus on attracting Trustees with diversity and health (both mental and physical) skills and experience .. The Trustees are considering how they can further develop awareness and positioning of the charity and to address the shortfall of reserves.

Accountants

A resolution will be proposed at the Annual General Meeting that Torevell Dent Limited be re-appointed as accountants to the Charity for the ensuing year.

By Order of the Trustees

I2I LIFE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS **FOR THE YEAR ENDED 30 SEPTEMBER 2025**

1. ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared under the historical cost convention, in accordance with the financial reporting standard applicable in the United Kingdom & Republic of Ireland (FRS 102) and with the Charities Act 2011.

Income and endowments

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Investment income is recognised on a receivable basis.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Expenditure

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Taxation

The charity is registered with the Charities Commission and is not subject to taxation on its normal activities.

Capital Expenditure

All expenditure of a capital nature is capitalised in the balance sheet.

Fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life.

Funds Structure

Restricted income funds are used to account for situations where a donor requires that a donation must be spent on a particular purpose or where funds have been raised for a specific purpose.

The unrestricted income funds were available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
