GREAT LEVER EDUCATION & WELFARE TRUST CHARITY NO 1146143

AIMS AND PURPOSES

Our aim has been to provide a high standard community facility which will accommodate in particular for the local community residents and the wider community. A prayer room, good classrooms and a community Nursery, so that we can help people advance in education and religion.

OBJECTIVES AND ACTIVITIES

We are committed in enabling as many people as possible to worship and benefit from the centre. We regularly consult members of the congregation and take their views and opinions on areas of improvement, as well as consulting other non congregational members who reside in close proximity of the centre.

Our services and worship put faith into practice by opening its doors for five times daily prayer, education for the young and old, male and female. Provision of counselling for the youth by arranging youth activities and working alongside other agencies to help improve a civic relationship and understanding the needs of the community and assisting in areas of need.

ACHIEVEMENTS AND PERFORMANCE

We have now opened the doors to our Prayer hall after having completed extensive refurbishment work. People can now come and enjoy worship in a serene environment and we have over a 100 people attending the centre and this number is increasing weekly.

We have completed work to other parts of the centre and this has allowed us to create educational facility for the local young boys and girls to do extra-curricular activities and faith studies in the evening and weekends.

Exclusive classes are running twice a week for women, where they can learn and share experiences, in a friendly atmosphere at the centre. Many more activities are planned for the future including Arabic language courses, Arabic grammar and counselling sessions.
