EDUCATION FUTURES TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

During the reporting period, the Charity continued to advance its objectives by delivering a variety of services within its area of benefit, aligned with its core mission: to promote education and raise educational attainment. These efforts focused on supporting pupils, their families, and communities in some of the most disadvantaged areas in England. The Charity's education-focused services were tailored to meet the specific needs of its beneficiaries and were delivered at the heart of local communities.

Throughout the year, the Charity has acted in accordance with the Charity Commission's guidance on public benefit when carrying out its responsibilities.

Its work has primarily served children, young people, families, and vulnerable adults in Hastings, Rye, and the surrounding areas, with particular attention to communities facing deprivation or where additional support needs were identified.

Renovation of The Firs site on Elphinstone Road as a suitable location for service delivery, has continued throughout the year with installation of the 'Skills Shed' structures and storage container.

The use of the grounds at The Firs has played a key role in supporting the Charity's aims and objectives by offering a dedicated space for a wide range of activities and services. With effective management of the facilities and robust safety procedures in place, staff were able to deliver outdoor learning in alignment with the Charity's purpose. Both children and adults have expressed that The Firs feels like a safe, valued space where they can engage meaningfully with nature and learning.

The site's varied features — including a football pitch, multi-games area, wooded sections, and the Secret Garden — allowed for flexible delivery of group sessions, courses, and one-to-one support. Throughout the reporting period, volunteers were also able to contribute safely within the grounds. Access to The Firs offered service users a secure environment in which to enhance their mental well-being and reconnect with their community.

In addition, the Charity continued to make use of the Community Learning Centre (formerly West St Leonards Children's Centre) on Bexhill Road. This venue provided essential space for ongoing projects, including the early years Comic Relief / Masonic Foundation programme.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

Financial Overview 2024–2025: Investing in Impact and Long-Term Sustainability

During the financial year 2024–2025, the Charity reported a planned deficit of just over £200,000. This shortfall reflects a strategic decision to draw on reserves to sustain and expand essential services at a time of significant and growing need within our communities.

Recognising the ongoing social and economic challenges facing many of our beneficiaries, particularly in the wake of the pandemic and cost-of-living pressures, we chose to prioritise frontline delivery and community-based programmes. This included investing in expanded education support, outdoor learning, and family engagement initiatives that have shown demonstrable impact.

The deficit was largely the result of increased programme delivery, rising operational costs, and a delay in some restricted income streams, all of which were carefully monitored and managed. Throughout the year, the Charity maintained strong financial controls and continued to meet its obligations without compromising the quality or reach of its services.

Importantly, the Charity entered the year with healthy unrestricted reserves, allowing us to responsibly absorb this year's planned overspend. We remain financially resilient and are confident in our forward strategy, which includes securing new multi-year funding partnerships, growing earned income streams, and carefully managing costs.

Looking ahead, we are focused on returning to a balanced budget over the medium term while continuing to meet our charitable objectives. The decision to invest in 2024–2025 has positioned the Charity to increase its impact, deepen community relationships, and strengthen its long-term sustainability.

Performance

Activities

We've engaged 1,350 beneficiaries during 2024/25. Key delivery areas include:

Community-Based Learning and Wellbeing Workshops

We continued to deliver our outdoor learning programmes aimed at supporting vulnerable adults, helping to reduce isolation and loneliness while building skills across a diverse range of activities. These included conservation, DIY, cookery, barista training, florist, and family learning.

Keyworker and One-to-One Support with Local Schools

Our alternative provision offer has expanded this year, providing tailored support for children and young people who face challenges in mainstream education. Our focus has been on encouraging healthier lifestyle choices and addressing the ongoing impact of the pandemic. We have maintained literacy and speech and language support in primary schools to aid children's personal and emotional development.

Forest School

These sessions focused on connecting participants with nature through hands-on learning about insects, birds, trees, tool use, and woodland-wide games. Each session was designed to nurture a love of the natural environment while developing key soft skills such as confidence, communication, personal risk assessment, and resilience.

Holidays, Activities and Food (HAF) Programme

Throughout the reporting period, we delivered HAF activities during school holidays — Easter and Summer. The Charity continued to offer three core strands of provision: Sports, Forest School, and Arts and Crafts. Drawing on feedback from previous years, we refined our approach and improved both delivery and communication with participants.

Support for Families with Children Under 5

Our family support work focused on isolated, anxious, and low-income families with children under the age of five — particularly those facing barriers to early childhood development. The aim was to enhance children's developmental outcomes and emotional wellbeing through targeted support.

Volunteers

Our dedicated and enthusiastic volunteers have been instrumental in delivering a wide range of services. Their contributions included gardening, conservation projects, and support for adult learning programmes as well as HAF.

Achievements

We're proud of the impact we make. During 2024/25 we:

- Engaged with over 1,350 beneficiaries
- Supported 764 children and young people in positive, diversionary activities
- Supported 586 adults through well-being and community learning initiatives, resulting in increased confidence and personal growth.
- Worked with 54 families to overcome significant challenge in their lives
- Secured over £425k new charity funds
- Recruited 20 volunteers onto charity projects.

Fundraising activities

During the year, the Charity applied for and acquired resources from a range of sources to continue its work. We would like to thank our funders for their support over the year. Funding has been received from:

- Comic Relief: Building Foundations Together (early years)
- ESCC Family Learning (year 3 of the 3-year contract)
- ESCC Holiday and Activity Fund: Holiday Activities (Easter and Summer)
- Public Health: Aspirations project
- ESCC Multiply: numeracy for adults
- ESTAR: Beats in Mind
- Magdalen and Lasher: Talking in the Tipi and Forest School
- NHS Sussex: Health and Well-being Hub and Harmonies for Health programme.
- Heads On: Investors in Volunteers.
- Southern Housing: RISE project.
- Chalk Cliff Trust: Advanced without Walls
- Masonic: Early Years
- Sussex Police Crime Commissioner: L.E.F.T Field
- ESCC: Skills Capital Fund

The Charity received benefit through pro-bono support or donations of goods from:

- Catherine Cookson Trust
- Fusion Groundscapes Solutions
- The B and L Leach Family Trust
- Sierra Ford Trust
- JD Foundation

The B and L Leach Family Trust and Sierra Ford Trust have made donations to support the core costs of the Charity. At a time when funding is becoming increasingly tight following the pandemic, these donations have made a difference to the Charity's ability to deliver the core services.

PARTNERSHIPS

The Chief Executive continued to represent the Trust across established strategic networks, reflecting the Trust's commitment to collaborative working. Building strong relationships with partners and local organisations also plays a crucial role in meeting the needs of residents and ensuring effective support is available. To support this, the Chief Executive regularly attends local and county meetings to strengthen and expand partnership efforts.

This year, representation continued with the local Skills and Learning in the Community charity, Hastings Community Network Executive and the Adult Skills Network, nurturing collaboration with other adult education providers and enhancing the local adult learning offer. The Charity also maintained an active presence at local events and conferences, using these opportunities to raise its profile and advocate for better outcomes for children, families, and vulnerable adults.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
