Madrassah Classes

Islamic education Centre Birmingham is keen to build up young students of knowledge from the age of 5. With the support of qualified experienced teachers, Islamic education Centre Birmingham has an education foundation structure to help students achieve their best. Currently there are 9 classes in the weekdays and separate classes on the weekends. We have around 200 students studying in the institute.

Our aim has always been to facilitate the best education and deliver a positive message to the local community. Educating the students from basic alphabetical letters, prayer memorisation, reading the Quran, the correct way (Tajweed) as well morals and Islamic studies. This is all delivered and taught by qualified experience teachers which are expertise in these field of careers.

As an institute we are always thoroughly excelling in our expectations. The core of the success is with the support of our teachers. Weekly meetings are conducted to express about how our teachers may develop the class system and where improvements are needed. With regular discussions amongst the teachers and management, positive feedback is given which, helps create a bonded hard-working team.

We want our young Muslim generation to develop themselves and become strong in faith so that They understand the true message of Islam, as well as British values. Regular study classes are being held to educate the upcoming teenagers, to hold firm minimum basic knowledge so that their love for studying the religion ascends. moreover, we wish to facilitate with whatever we can as an institute so that we get closer to our objective of delivering the best education.

Regardless of how much of a positively impact 2025 has been, we will continue to work hard and thoroughly improve the class system so, that we may consistently deliver high quality education every year.

To conclude, our community is always happy with what we are providing. Education system has vastly improved with new systems and implementation of new structural classes. The students are always keen to study and are always ready to excel their targets within the knowledge given. With

our priorities on always supporting and guiding inside of lessons as well as outside of studying hours, the community is extremely appreciative with our sincerity.

Friday congregational Prayer

Our largest weekly congregation is the Friday Prayer where this facility is pushed to its limits to accommodate worshippers. During the holiday seasons the congregation expands throughout the entire building. Hence why, we have Staffs who are standing at the entrance to guide and advise anyone who may require assistance. We ensure that we can provide with as much as we can by having 3 separate congregational prayers on Fridays in which each prayer has a speech to send out a special message in English and Urdu. Facilities are provided for those who wish to make wudu(ablution) as well as use the bathroom facilities.

Collaboration with Bismillah Aid

Weekly gathering is a very significant part of our mosque. A spiritual and educational weekly gathering which has been continuing since 2007. This moral boosting and educational gathering every Friday are held to educate and nature the young men and women. We have been consistently conducting this gathering as it helps to remind the community about our faith. To briefly highlight the purpose of our lives and the articles of our faith. It is a weekly public gathering to which anyone is welcome. We commence with the recitations of the holy Quran, then Nasheed as well as praises of our holy prophet (peace be upon him) **(Naats)** and then a small lecture at the end. finally, we serve food. Bismillah has played a huge role in supporting the gathering, by providing food packages, cutlery and helping to serve the participants. We were able to achieve a lot more with the support of Bismillah Aid. With continuous support and help, Islamic education centre will always show gratitude towards Bismillah aid. Every week new attendees are coming as well as the ones who have been with us for a long-time attend. positive feedback is always given.

Islamic Education Centre Birmingham is pushing creative boundaries and welcomes any projects where design and innovation are part of success in accordance with authentic teachings of the Quran and Sunnah.

Objective, principal activities and organization of the charity

Madrasah Classes

COVID-19 has severely restricted our objectives for 2021. Islamic Education Centre Birmingham Madrasah Classes were closed until October 2021 when the second lockdown was uplifted. At this time, the government had given us permission to reopen the educational department. We only allowed a few selected chosen children to come and gradually throughout the year we have carefully been selecting a few students at a time. As a result of COVID restrictions being lifted, we are gradually increasing class sizes. We are staying on track for our ultimate goal, which is to restore and improve education to the quality it was before the pandemic.

Prayers

Congregational prayers resumed in April. All attendees were separated by 2 metres to ensure their safety. All attendees were required to bring a shoe bag, prayer mat, and mask (prayer mats and masks were provided). Attendee registration was held at the entrance before anyone entered. As a precaution, the admin had taken the name and number of the pupil, so we were able to inform and update attendees if anything had happened. Thankfully, we didn't have to take these measures once. As there were more people attending weekly Friday prayers, there were huge restrictions. With a 2-metre distance, we were only allowed 30 people. We have also

had professional security officers throughout the year to ensure social distancing on the outside. The security team has done a great job in assisting us throughout the year. We also ensured the safety of attendees by following the government guidelines, which included masks, hand sanitizers, and bags.

Collaboration with Bismillah Aid

In the final few months of 2021, we were finally able to hold our weekly gatherings. This weekly gathering was a very significant part of our mosque. This explains the purpose of our lives and the articles of our faith to our attendees. It is a weekly public gathering to which anyone is welcome. We commence with the recitations of the holy Quran, then Nasheed as well as praises of our holy prophet (peace be upon him) **(Naats)** and then a small lecture at the end. finally, we serve food. We were able to achieve a lot more with the support of Bismillah Aid. With continuous support and help, Islamic education centre will always show gratitude towards Bismillah aid Especially, when throughout the year 2021, Islamic education centre Birmingham was struggling financially with no income.
