## **REPORT OF THE TRUSTEES**

### **FOR THE YEAR ENDED 31ST MARCH 2023**

---

The Trustees, who are also Directors of the charity for the purposes of Company Law, present their annual report together with the accounts for the year ended 31st March 2023. They are prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2019).

#### **OBJECTIVES AND ACTIVITIES**

##### **Objects and activity**

The charity's objects are:

- the relief of unemployment for the public benefit in such ways as may be thought fit including assistance to find employment.
- the relief of poverty through the provision of advice, information and legal representation.

The beneficiaries of these objects are all adults who live in the Unitary Authority of Luton and the surrounding area within Bedfordshire.

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

#### **ACHIEVEMENTS AND PERFORMANCE**

Luton Rights is a registered charity working in Luton which aims to provide local residents, especially those who are vulnerable, with access to high quality and free advice. Luton Rights also provides a family mediation service, community outreach programme, employment support and continues to work in partnership with Luton Borough Council, Citizens Advice Luton, Luton Law Centre, and Luton Irish Forum, as part of Luton Access.

The Luton Access partnership continues to be financially supported through the Community Investment Fund administered by Bedfordshire and Luton Community Foundation. This funding enables Luton Rights to continue providing core services to residents. The funding has been reduced compared to pre-covid time which has made providing core services extremely challenging.

The fiscal year 2022–2023 has been difficult. The Beds and Luton Community Foundation continued to be the primary source of income; however, in January 2023, the funding from SEMLEP ceased, necessitating the termination of our employment support worker and only being able to retain the administrative position until July 2023.

It is a sad and painful decision to have to let go of employees since the organisation loses valuable expertise and experience, often permanently. Its' impact is more pronounced at this moment when demand for our services remains at an all-time high due to the cost of living crisis.

#### ACHIEVEMENTS AND PERFORMANCE *(continued)*

Throughout the year, Specialist Welfare Benefits Advice and Casework was provided from Community House and in specific outreach locations within the community. Family Mediation continues to be provided from King Street, as well as providing community outreach. Family Mediation continued to be provided from King Street. We were awarded a small grant from the Community Justice Foundation which enabled us to provide support for individuals who were suffering financially from the cost of living crisis. The Cost of Living Project and Community Outreach demonstrated the major barriers that members of the community faced which prevented them from accessing crucial, local, and central government services online. This is a major identified need that Luton Rights Advisers and Volunteers are addressing in outreach and at King Street. The demand currently far outstrips the limited resources that are available for this work.

Furthermore, commencing June 2022, Luton Rights partnered with We Are Group to offer online assistance with HMCTS forms. This partnership has allowed Luton Rights to create additional revenue streams while simultaneously offering supplementary services like free divorce application assistance to individuals. This is a service that clients would otherwise have to pay if instructing a private firm.

The overall demand for Specialist Welfare Benefits far exceeds our limited resources hence there is continuing waiting list.

We would like to express our gratitude to our staff and volunteers for their continued hard work in supporting our service users during this difficult time. We would also like to convey our thanks to our service users in their understanding and continued co-operation.

Finally, we would like to extend our thanks to our partners and funders for their continued support.

During the year Luton Rights has provided :-

**Specialist Welfare Benefits** advice including appeals and representation at tribunals for clients.

**Community outreach** advice at the Centre for Youth and Community Development, and two other venues focussed on increasing access to advice for the most vulnerable and disadvantaged.

**Family mediation service** for Luton residents who are separating or facing divorce.

**Cost of Living project** providing holistic advice and casework to individuals who are facing hardship as a result of the cost of living crisis.

**HMCTS Digital Support** in partnership with We Are Group providing online support for individuals with His Majesty's Courts and Tribunal Service's forms.

**Digital Support Project** addressing digital exclusion by supporting individuals with their online claims and providing those in data poverty with mobile SIM cards allowing them 6 months' worth of free calls and data. This has been made possible through the support of Good Things Foundation.

**INDEPENDENT EXAMINER'S REPORT  
TO THE TRUSTEES OF LUTON RIGHTS LIMITED  
FOR THE YEAR ENDED 31ST MARCH 2023**

---

I report to the charity trustees on my examination of the accounts of the company for the year ended 31st March 2023, which are set out on pages 10 to 18.

**Responsibilities and basis of report**

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the company are not required to be audited under part 16 of the 2006 Act or section 144(2) of the Charities Act 2011 (the 2011 Act) and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed the directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
