Pastor's Foreword

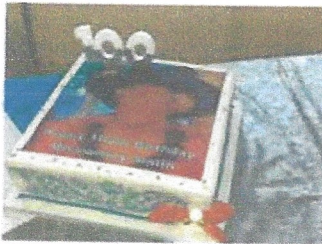

This year April 2024 – March 25 saw a number of Highs, from an increase in the number of children attending the Sunday School to additional membership of the congregation.

We have been blessed to visit other churches and also have other churches visit us. We have seen growth in the number of viewings of our Sunday services and adult Christian Education on our YouTube channel. In fact, we now see regular viewers from Malaysia and Thailand thus spreading the gospel of the kingdom beyond the walls of the sanctuary.

Bible class continued on a Wednesday evening via Zoom allowing visual slides to be used in presenting the word of God in a way that all can understand & digest.

This year we continued to see some of our senior Treasured Saints being called home to be with the Lord. Although we were saddened that they left us to be with the Lord, we rejoice because they left us to be with the Lord.

On a happier note, we were able to celebrate on 5th January 2025 the 100th birthday of our longest serving parishioner, who achieved this momentous milestone on Dec 31st 2024. It was a lovely celebration where we shared her favourite meal and cake with her and her five generations of family members, and community friends.

We thank the general congregation and viewers for their generous financial contributions over the year which helps us to meet our obligations whilst also giving back to those that are most in need in the community. It has allowed us to continue to be active within the Sandwell community in supporting local charities to feed the homeless (eg YMCA) and support local families through the 'Well' food bank. We have done a number of "bring and share" Sundays where we feed all attendees on the day with a Sunday meal, as well as, continuing the 5th Sunday fellowship & dinners with other churches in the community.

Although we thank the Lord for his provision of our sanctuary and adjacent community hall, we have noticed some dilapidation in the toilet and kitchen block that will need attention in the near future.

We are blessed to be able to continue to do the work of the kingdom within the community.

In the Master's service

Bishop Andrew Landell

Mount Horeb Apostolic Church 2020 - 2021

The financial year of April 2020 – March 2021 was the most trying time that we have faced in the history of our local church, as we saw measures that even some of our Treasured Senior Saints did not see in WW2.

The Term “Act of God” took on new meaning, as an unseen virus stopped the World in its tracks, as we all experienced unprecedented times, and many went looking into the scriptures to find 2 Timothy 3:1 *“This know also, that in the last days perilous times shall come...”*

However, seeing governments unable to react and having no knowledge of what to do next, saw many seeking to put their trust in God and looking to Jesus for comfort, knowing that the prophet Isaiah said in chapter 9:6 that *“the government shall be upon his shoulder”*.

We are thankful and grateful to the inventor of Zoom, that allowed us to initially hold our services from our homes and be able to speak with all of the parishioners, and many who had no idea how their smart phone or ipads & laptops really worked, finding the ability by God’s grace to now be accomplished Zoom users.

To date our longest serving member, who had her 96th birthday on 31st Dec 2020, has been able to be attendant at every Sunday & midday service on zoom, as we were able to have the church “without walls” and use the zoom platform to have video calls together and to afford time for everyone to still communicate with one another, even whilst shut inside our homes.

We expect to continue these broadcasts of service throughout 2021 (and beyond), even when there are no longer any restrictions.

The Zoom and YouTube services, saw folks as far away as in India and the Phillipines, Canada and the USA joining our services; whilst mobile phones allowed us to receive offerings directly into the church bank account.

Unfortunately, during this period we have lost members of families and close friends, and were not able to see them in their final moments, or afford their families an opportunity to grieve openly, as funerals could only have 6 family members in attendance.

However, we pray that this time acts as a watershed, for us to understand that health is more important than wealth and that we need to see our loved ones more often and tell them that we love them.
