Save in exercise of the powers in the Trust Deed at 15(v) (to vary the terms of the deed) and 15(w) (to wind up the charity), which shall be exercisable only by unanimous decision of the trustees, a decision of the majority of the trustees present and voting at any duly constituted meeting shall be valid and binding on all trustees.

The trustees have identified the major risks to which the charity is exposed and are implementing procedures to manage those risks.

Commencement of Charitable Activities

The Charity commenced engagement in charitable activities on 12 January 2012.

Objectives & Activities

To apply funds for the benefit of charities or such charitable purposes as the trustees may determine from time to time. The Trust makes grants to a range of charities and charitable activities in accordance with the Trust's grant making policies as set out below.

Public Benefit

The trustees have referred to the Charity Commission's general guidance on public benefit to ensure compliance when reviewing the charity's aims and objectives and in planning its future activities. The Trust's aims and objectives fall within the various descriptions of charitable purposes in the Charities Act 2011. These purposes include the advancement of religion; the advancement of education; the prevention or relief of poverty; the relief of those in need; the advancement of human rights, conflict resolution or reconciliation or the promotion of religious or racial harmony or equality and diversity; the advancement of citizenship or community development; the advancement of environmental protection or improvement and the advancement of the arts, culture, heritage or science.

Public benefit is readily demonstrated in the delivery of a) the intended outcomes of the Trust's charitable purposes listed above and b) the financial and other support which these outcomes can achieve, among the public at large or significant relevant sections of the public without unreasonable restriction.

The Toye Foundation

Report of the Trustees

For the Year Ended 31 January 2025

Achievements and Performance

During the year, the charity derived its income from a return on investments, namely bank deposits and a portfolio of stocks and shares. Grants and donations have been made to a number of individuals and organisations which met the trustees charitable criteria. Total donations amount to £43,860 and it is anticipated that a similar level of grants will be paid out on an ongoing basis. The trustees are pleased that grants have been made to some new charities and hope to support new causes in the coming year.

Remuneration of Trustees

The trustees receive no remuneration, save in the case of professional or other charges for work done as permitted by clause 13 of the Trust Deed, but may be reimbursed for expenses incurred on Trust business.

Reserves Policy

The trustees aim to spend the majority of the investment income arising each year although are not restricted to income and may distribute capital at their discretion. The charity holds a substantial sum of liquid funds to ensure that short term liabilities can be discharged and that the overall objective of making grants to various charities can continue. Due to the high level of liquid funds, no minimum level of reserves has been set by the trustees.

Investment Policy

Investments include a combination of cash on deposit and a portfolio of stocks and shares managed by Rathbones and Brewin Dolphin. The main objective of the stocks and shares portfolio is income and growth return. Investments are made with a time horizon of three to ten years and the trustees may elect, at any time, to transfer cash into the stocks and shares portfolio with a view to maximising the investment return.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Toye Foundation
