The Cherith Trust

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 5 April 2025

Structure, governance and management

Constitution

The Cherith Trust was incorporated on 27 March 2012 as a company limited by guarantee under Company No. 08008192. The company is registered as a charity with the Charity Commission, with registration number 1147262.

Objects of the Cherith Trust

The objects of the Charity are summarised as:

1. The furtherance of the Protestant Christian Religion by any means which its Trustees may think fit.
2. The provision of a supportive, pastoral-style ministry aimed at alleviating loneliness, to elderly and frail Christian persons amongst chapels and churches in the community of the West Midlands known as the Black Country through its visiting volunteer group or other support groups and any permanent meeting and hospitality facility.

Trustees

The trustees who served during the year are set out on page 1. New Trustees are appointed by the existing trustees.

Statement of Trustees responsibilities

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end and for the incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Risk review

The Trustees actively review major risks which the charity faces on a regular basis. They believe that they have appropriate control and financial systems in place to deal with risk. The Trustees do not believe that the charity currently has any significant operating risks.

Objectives and activities

The objectives of The Cherith Trust are to provide care and a pastoral-style ministry and befriending services to elderly and frail persons.

The Home Visitation Ministry team of volunteers has, under the guidance of the Co-ordinate and Assistant co-ordinate made regular visits to elderly people in the area of the West Midlands known as the Black Country. In addition, Cherish House provides a wide range of fellowship and hospitality functions and activities.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

The Cherith Trust

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 5 April 2025

Achievements and performance

Feedback from our elderly friends and their relatives continues to be encouraging. The home visits, which include a time of fellowship, Bible reading and prayer, are greatly appreciated.

During the period regular fellowship and hospitality meetings were held at Cherith House for the benefit of elderly friends associated with local places of worship.

Activities held throughout the period at Cherith House have included coffee and craft mornings, hymn singing afternoons, presentations of historical photographs and events, personal musings and photographs by various of the Trust's supporters, and musical events, as well as visits to local venues such as garden and craft centres for those of our clients who are able to do so. The facility is welcomed in the community.

The first floor of Cherith House comprises a self-contained one bedroom flat which is rented out at a commercial rent.

Financial review

During the year the Trustees continued to review the financial policy at appropriate intervals and remain satisfied that the current investment approach is prudent and appropriate. The Trust recorded only a very small deficit for the period, effectively achieving a break-even position. The Trustees consider this outcome to be a positive indication that income and expenditure are broadly aligned, and that sufficient reserves remain in place to support the ongoing activities of The Cherith Trust. Looking ahead, the Trustees will continue to monitor investment returns and operating costs closely, with the aim of maintaining financial stability and ensuring the Trust's ability to meet its objectives in the foreseeable future.

Reserves policy: The Trustees' reserves policy is to retain sufficient reserves to ensure the charity can meet its operating expenditure as it falls due. The Trustees believe that the reserves are adequate to enable it to pursue its objectives detailed above.

Investment review : The Trustees monitor investments on an ongoing basis and continue to adopt a cautious attitude to investments and believe that the current policy of holding its cash reserves in building society accounts is appropriate, although with the very low interest rates available in the current financial climate, other investment opportunities are considered when they arise.

Voluntary help and gifts in kind

The Trustees are grateful to all who have helped the charity in so many ways during the past year and record their thanks to God for all His benefits to the present moment of time and look prayerfully to Him for leading and guidance in future days.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The Cherith Trust

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 5 April 2025

The trustees' annual report was approved on 11 November 2025 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of The Cherith Trust

Year ended 5 April 2025

I report to the trustees on my examination of the financial statements of The Cherith Trust ('the charity') for the year ended 5 April 2025.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 5 April 2025 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 11 November 2025, and are signed on behalf of the board by:

B P Sheldon
Trustee

The notes on pages 8 to 15 form part of these financial statements.

The Cherith Trust

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 5 April 2025

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Cherith House, 1 Meadow Street, Cradley Heath, West Midlands, B64 6PB.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The accounts have been prepared on a going concern basis and there are no material uncertainties present about the charity's ability to continue in operational existence for the foreseeable future.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

The Cherith Trust

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 5 April 2025

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes VAT which cannot be recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

The Cherith Trust

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 5 April 2025

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold Property	-	2%
Fixtures & Fittings	-	10% / 20% / 33.3% of cost

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Investment property

Investment property is initially recorded at cost, which includes purchase price and any directly attributable expenditure.

Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in income or expenditure.

If a reliable measure of fair value is no longer available without undue cost or effort for an item of investment property, it shall be transferred to tangible assets and treated as such until it is expected that fair value will be reliably measurable on an on-going basis.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

4. Limited by guarantee

The charity is a company limited by guarantee. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.
