Report of the Trustees

For the year ended 30 June 2021

The Trustees, who are also directors for the purposes of company law, have pleasure in presenting their report and the financial statements for the charitable company for the year ended 30 June 2021. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Working Together is a charity supporting people with learning disabilities and difficulties. We offer supportive opportunities for adults and young people aged 11 + and promote the positive role people with learning disabilities can play in the local community.

Our aims are to foster a welcoming, loving and supporting environment to:

- promote happiness, good health and wellbeing;
- encourage a strong sense of belonging;
- develop a stimulating and creative work and social environment;
- encourage all to develop their own skills and talents;
- do what we can as well as we can;
- create an environment where all are valued, appreciated and included;
- encourage the inclusion of people with learning disabilities in all aspects of community life

Statement on public benefit

Working Together (Ludlow) Limited's charitable purpose is enshrined in its objectives and delivers public benefit through the work it performs in delivering these objectives.

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Volunteers

The Trustees are very grateful to the commitment and dedication given by the volunteers through this year. Without their time, energy and enthusiasm, generosity and support Working Together would not have been able to function. Our volunteers support the staff team and our members at our daytime activities, Youth Club, Diversity, Sewing Bee and Writers' Club. As a result of the ongoing Pandemic we have not been able to welcome as many volunteers as usual, but the support and commitment to the charity by our supporters remains extremely important to us.

Key Personnel Changes

We appointed a new Chief Executive, Nigel Bishop, in September 2020. All of our staff team have worked tirelessly throughout the Pandemic in 2020 and 2021, supporting all our members either remotely or through Covid safe face to face delivery at Rockspring. Other than a short closure in January and February we have remained open to ensure we offered support to our members and their families through some very challenging times.

The Trustees would like to express their gratitude to all the staff, who have gone above and beyond, to support our members and the Working Together family.

ACHIEVEMENTS AND PERFORMANCE

Significant activities

Working Together has continued to promote a positive image of the role that people with learning disabilities and difficulties can play in the wider community. Our Members are well-known, liked and respected throughout the local area. Our move to the Rockspring Centre has enabled us to begin to grow our membership, with the Community Fund grant currently underpinning a sustainable future for Working Together. During 2020/2021, following the re-opening after lockdown #1, we extended our opening hours to deliver day activities 5 days a week. Given the challenges of social distancing this enabled us to offer more of our members the opportunity of safe face to face service delivery. Whilst daily numbers were initially low to ensure safe working as the vaccination programme rolled out and restrictions eased, we have been able to increase to six members a day. Youth Club has continued, with the support of Children in Need, to deliver a comprehensive weekly programme of positive opportunities and activities. Diversity members have also enjoyed social activities, both remote and face to face.

The Rockspring Centre offers:

- A place for people to have lunch, coffee, and cakes
- A skills training centre for our members
- A supported working environment
- Arts and crafts workspace
- A social club and safe haven
- A friendly meeting point for supporters, Members and volunteers

The outside space at Rockspring offers gardening activities, outside seating areas, pizza oven and barbeque facilities. All our activities provide opportunities for our Members to learn independence, life and social skills, and with support to maintain and progress work based programmes.

All of the food produced at Working Together is prepared with the help and input of our Members with learning disabilities and difficulties. Our staff team and volunteers support Members to prepare, cook and serve each other and customers to the café. They are also involved in the compliance management of food hygiene such as the opening and closing procedures, fridge and freezer temperature monitoring etc.

Social and Activity Projects including Youth Club, Diversity, Sewing Bee, Writers and Sports Club:

Youth Club (11-18) - Weekly Youth Club sessions, now held at Rockspring, have included the following activities:

- Food tasting from other cultures
- Craft sessions
- Physical activity sessions
- Use of computers
- Communication games

Diversity (18+)

Diversity is for members aged over 18 and includes fortnightly Diversity evenings with social activities based on the interests of Members. Events have included:

- Croquet at the Linney
- Yoga
- Quiz nights

Sewing Bee encourages Members to develop and improve their sewing skills both by hand and using a machine. Writers' Club encourages Members to share their creative writing.

2020/2021 has not been a normal year for anyone. However, at Working Together we have done everything we can to bring some normality and routine to our members throughout some anxious and challenging times.

FINANCIAL REVIEW

Total receipts for the year were £113,188 of which £79,027 were to unrestricted funds and £34,161 were restricted to specified projects. Income from the charitable activities of food sales was £891, significantly down from previous years, due to the closure of the Café to the public due to Covid 19. Member income contributed £65,679, an increase of 23% on last year as a result of increased day members and the support of the local authorities in continuing to pay for places during lockdowns and restrictions. Donations provided a further £11,809 from White Stuff and many other valued donors. Grants received included National Lottery Community Fund £24,000; BBC Children in Need £9,917; Ludlow Town Council £300; the Millichope Foundation £2,000 and Shropshire Council, core and infection control £4,750. Total payments for the year were £86,967 of which £67,949 was spent on wages. The excess of payments over receipts was £26,221, which allows £90,677 to be carried forward into next year.

Reserves

It is our policy to try to maintain a balance of unrestricted funds which equates to at least 6 months' unrestricted payments. This is equivalent to just over £43,483. It is held to smooth out fluctuations in cash flow and to meet emergencies. The balance on unrestricted funds at the year end of £85,998, means that the charity has achieved this target for 2020/21. As we enter the final year of our Reaching Communities grant the Trustees will continue to keep close management of the finances during challenging economic times.

Going concern

Given the challenges of 2020/21 the financial position of the Charity remains sound. Income levels are increasing in line with our Business Plan, by increasing our daytime offer and the number of members attending daytime activities. This has happened despite being unable to increase sales through our café and outreach food delivery service as a result of Covid 19. We have been able to maintain sufficient income levels to meet expenditure, underpinned by our year 1 grant from the National Lottery Community Fund.

Working Together (Ludlow) Limited
Independent Examiners Report to the Trustees
For the year ended 30 June 2021

I report to the trustees on my examination of the accounts of the charitable company for the year ended 30 June 2021.

Responsibilities and basis of report

As the charity Trustees, who are also directors for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

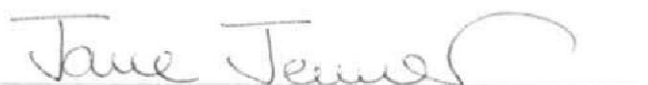

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiners statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
For the year ended 30 June 2021

1. Accounting Policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets and in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Companies Act 2006.

Working Together (Ludlow) Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

The accounts have been drafted on the basis that the charity is a going concern.

Funds

Funds held by the charity are either

Unrestricted income funds are those funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds are those funds donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Incoming resources

All incoming resources are included in the statement of financial activities when the Charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income including donations, legacies and grants that provide core funding or are of a general nature is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which it has been received. Such income is only deferred when

- the donor specifies that the grant or donation must only be used for future accounting periods; or
- the donor has imposed conditions which must be met before the charity has unconditional entitlement.

Incoming resources from tax reclaims are included in the statement of financial activities when received.

Income derived from events is recognised as earned (that is, as the related goods or services are provided).

Investment income is recognised on a receivable basis.

The value of voluntary help received is not included in the accounts.

Donated services and facilities

Donated services and facilities are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the Charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the Charity of the service or facility received.

Resources expended

Liabilities are recognised as resources expended when there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Working Together (Ludlow) Limited
Notes to the Financial Statements Continued
For the year ended 30 June 2021

Charitable activities

The activities of the Charity are those of developing work skills and providing social and sporting opportunities for its Members.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example allocating staff costs by the time spent and other costs by their usage.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Plant and machinery	25% per annum on cost

Youth Club

This project is funded by Children in Need to provide Youth Club facilities for 11 to 18 years olds.

Community Fund

The Community Fund awarded a grant from 2019 to 2021 to enable Working Together to develop and expand its activities by launching a new and improved daytime service offer, increasing accessibility and providing opportunities for wider social inclusion for its members. The funding covers the cost of core staffing, sessional workers for activities, activity costs, volunteer expenses, venue hire and organisational overheads.
