The 2024 financial year has provided similar challenges to last year and we continue to focus on providing full support for our supported charities. We have however benefitted from slightly higher interest rates this year which has increased our reserve fund slightly. We have assessed our reserves and deem them to be sufficient despite the rising cost of living in Uganda. Looking ahead to 2025, we are planning on using a consultant in the UK who has first hand experience of the supported charities in Uganda, to raise awareness and carry out specific fund raising.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

<p>The 2022 financial year has provided challenges related to recovery from the pandemic. Along with interesting fluctuations in currency exchanges, we have realised a rise in costs for the charity that we support in Uganda. The cost of living issues in the UK are mirrored in Uganda where our main charity is based. We have been able to manage the rising costs and maintain our required support level.</p>

LIFT UK

On accounts for the year

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. *Delete [] if not applicable.*

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The 2021 financial year has presented many challenges as a result of the global Coronavirus pandemic. Local and country wide restrictions, rapidly increasing food and supply costs and large levels of uncertainty have been managed to achieve the Charities goals. Specific help was given to the grant charities to provide in country support. No structural changes were required to achieve our aim.
