Summary of the objects of the charity set out in its governing document

OUR OBJECTS ARE:

1 "To advance the Christian religion in London and other places; within England and Wales, and overseas, in accordance with the statements of belief appearing in the schedule and Christian doctrines, for the benefit of the public.

2 "To advance education in such ways and in such parts of the United Kingdom or the world as the trustees from time to time may think fit."

3 "The prevention or relief of poverty mainly in London and other places, nationally or overseas by providing: grants, items and services to individuals and supporting other charities or organisations (local, national and overseas) working to prevent or relieve poverty."

All our Objects are charitable

Our trustees have had regard to the guidance issued by the Charity Commission on public benefit.

All our Objects are charitable and the following activities in furthering them are for public benefit:

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;

Grant Policy & Procedure

The Trustees must use the income and other revenues of the organisation in promoting the Objects in the governing document (Trust Deed). This will include the purpose of actually carrying out the Objects as in paragraphs 1, 3.2 and 3.3 of the Trust Deed.

We currently have limited funds and can only make grants in the form of small financial assistance to applicants in genuine need and not to those who have deliberately made themselves destitute, or those who have not explored other available sources like their entitlement to state/social benefits or affordable commercial loans. Consideration will be given to individuals who are genuinely experiencing financial hardship or sick because they are poor or at risk of becoming poor, due to: bereavement of the main bread winner in the family, with very low income, due to ill-health, and people who are unemployed and people that do not have recourse to public funds. Therefore, each application will be Means-tested and assessed on their individual merits.

Depending on availability of funds, Small financial grant may also be given to support other charitable organisations undertaking similar object and activities, or rural communities facing crisis or natural disaster.

No trustee or connected person to a trustee may use their position to influence or obtain any private financial or material benefit from this charity except they ordinarily qualify by satisfying the criteria mentioned above. Such trustee or their connected person **MUST NOT** be involved in the decision making for their grant application. Please see the Conflict-of-Interest Policy.

ACCOUNTING POLICIES

The accounts have been prepared in accordance with applicable accounting standards and follow the recommendations in Statement of Recommended Practice: Accounting for Charities (SORP) issued in October, 2000.

Voluntary income is received by way of donations and gifts. It is shown in full in the Statement of Financial Activities, when received. Gifts in kind are valued at their estimated value to the charity and are included under the appropriate headings.

Intangible income is valued and included in income to the extent that it represents goods or services which would otherwise be purchased. Where it is difficult or not possible to value the goods or services, such as volunteer time, the accounts do not include them.

Grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are received.

Restricted funds are to be used for specified purposes as required by the donor. Expenditure which meets these criteria is allocated to the relevant fund. Income derived from these funds is retained within the funds concerned. Designated funds are unrestricted funds which the trustees have designated to be used for a specific purpose. Where these funds yield investment income, this is available for general purposes. Unrestricted funds are funds which are not designated or restricted.

Depreciation is calculated at a rate to write off the cost of tangible fixed assets on a reducing balance over their estimated useful lives. The rates applied per annum are as follows:

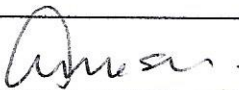

Fixtures and Fittings	25%
Equipment	25%
Motor Vehicle	25%

Report of the Independent Examiner

We have examined the financial statements on pages 7 to 8 which have been prepared under the accounting policies set out on page 9.

Respective responsibilities of trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts; you consider that the audit requirement of section of the Charities Act 2006 does not apply. It is our responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners Act, whether particular matters have come to my attention.

Basis of opinion

Our examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the view given by the accounts.

Opinion

In connection with our examination, no matter has come to our attention:

- (1) which gives us reasonable cause to believe that in any material respect the requirements
 - a) to keep accounting records in accordance with section 41 of the Act; and
 - b) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act
 has not been met; or
- (2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
