STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity trustees are responsible for preparing the Trustees' Annual Report and financial statements in accordance with applicable law and the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

Select suitable accounting policies and then apply them consistently;

Observe the methods and principles in the Charities SORP;

Make judgement and estimates that are reasonable and prudent;

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees recognise their responsibilities to keep proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity Act 2011. They are also responsible for safeguarding the assets of the charity, hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The appended financial statements have been prepared on the accrual basis and have been examined by an independent examiner, whose report is also appended.
