Objectives and activities

The Charity's objectives are to advance the Christian faith in accordance with the statement of beliefs. The first objective of Living Faith Church involves preaching, teaching and compassion ministries including promoting healing of various kinds into the church and community.

The charity continues to run traditional Christian prayer and worship meetings on Sundays, and at varying times during the week through multiple home groups. We also offer online services weekly and have established a Youtube Chanel, Facebook and Instagram accounts to help with these broadcasts.

We are also involved in serving the wider community and offers various initiatives to that end, for example: An after school club, Youth Meetings, Parents and Toddlers, Coffee Morning, Various Charity events, Food Bank, Arts and Crafts. In addition, the charity offers help and care in practical ways such as at times providing charitable financial donations, furniture, food, and other essential needs to vulnerable people throughout the community. Further afield there are close links with other churches and ministries in the United Kingdom such as Churches Together. The church has also developed active links with international ministers, churches, and missionary organisations.

The Lead Pastor, Bishop Dr. Steven Evans, continues as the presiding bishop of The International Charismatic Church Network (TICCN). He oversees the training of ministers, ordinations, church policies, appointments, and over the years has been the guest speaker at dozens of international conferences. Last year we hosted a TICCN conference the culmination of the week saw the consecration of Pastor Mick Fleming from Burnley Church on the Street. He is the Director of New Life Bible College Europe also hosts a weekly teaching program which is broadcast on various platforms including Sky TV which is due to start it's second series in March 2024.

How our activities deliver public benefit

The charity has recently enjoyed the work of Mikah Evans who is the Manager of the Connect Center. She has brought more people from the Community into the Center and has been promoting the group and the varying opportunities that our facility has. The trustees have been delighted in her diligent work and enthusiasm for people and her awareness of the importance that a well run Center can make for the community. In particular she has welcomed volunteers from a diverse cross-section of our community and networked with an array of funders to ensure that we not only grow but thrive in these difficult times. We continue to have a Cafe for the local community on the first Sunday of every month. We are aware of great needs within the community and it was felt that this would allow us to better communicate with people who otherwise wouldn't attend church. This buffet style service is aimed at the local community and has made a great impact into several peoples lives. In addition, our recently increased number of skilled volunteers allows us to now operate a Cafe for community use two mornings a week and on other special meetings.

We also run various voluntary groups that directly benefit the wider community, for example: An after school club, Youth Pizza Meetings, Parents and Toddlers, Coffee Morning, Various Charity events, Concerts, Food Bank, Arts and Crafts and Counselling services.

In addition to the above, the charity offers help and care in practical ways such as at times providing charitable financial donations, furniture, food, and other essential needs to vulnerable people throughout the community.

Achievements and performance

The charity has continued to be a hub for the local community, distributing food and practical supplies and being open for people when times got really tough and they had nowhere else to turn. One example from this week was an old lady who was only eating toast for a week, as she had been unable to leave home. Once we found out we set about making soups and providing her with several healthy meals and someone to talk with. She felt she was a nuisance to everyone but she was told by the church that she is a blessing. Mikah was able to arrange for soup to be made from vegetable donations that were given to the church.

Bishop Steven has continued to support many ministers within TICCEN (The International Christian Church Network) and beyond. He was guest speaker at their annual conference in America this year. Alongside preaching on Sundays and Wednesdays he has written several pamphlets, a book and a discipleship booklet which has been distributed into many churches. He is also singing and recording various songs that will be used to reach people with a message of hope and love.

The local team has welcomed a new volunteer Associate Pastor in Ruth Horton. Ruth is an award winning local schoolteacher and has a passion for people and a tremendous ability to teach. She has brought enthusiasm and a serious commitment into the new role and the trustees are delighted that she has taken on this new role. She brings a willingness to really follow God and live lives that are devoted to His 'calling' and the betterment of the church fellowship.

Financial review

The financial results for the period under review show an overall surplus of £2,621, which has been in line with Trustees' expectations. The Trustees feel that, given the same economic conditions, the Church should again show a small surplus at the conclusion of the next financial period.

Plans for future periods

We plan to continue to reach our community as we have been doing and to also facilitate an expanding range of services.

Our online web activities are growing and we hope to continue to develop these to improve our connections with people on a local and international level.

Small company provisions

Independent Examiner's Report to the Trustees of Living Faith Church

Year ended 31 May 2023

I report to the trustees on my examination of the financial statements of Living Faith Church ('the charity') for the year ended 31 May 2023.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
Year ended 31 May 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Living Faith Church, 25 Church Street, Orrell, Wigan, WN5 8TG.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	- 25% reducing balance
-----------	------------------------

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Company Limited by Guarantee
Notes to the Financial Statements (continued)
Year ended 31 May 2023

3. Accounting policies (continued)

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
