FRIENDS OF RIDGEWOOD COMMUNITY HIGH SCHOOL

REPORT OF THE TRUSTEES for the Year Ended 31 March 2024

The trustees present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to advance the education of pupils in Ridgewood Community High School, "the school", in particular by:

1. Developing effective relationships with staff, parents and others associated with the school
2. Engaging in activities or providing facilities or equipment which support the school and advance the education of pupils.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

We provide after school and holiday club activities for disabled children with complex medical conditions between the ages of 11 to 19. In the last 12 months parents and carers have had to face a new challenge regarding the cost-of-living crisis. Young disabled children in the Burnley area need us now more than ever. Due to the complexities of the children, there is a lack of specialist provisions in the area and our safeguarding concerns have rapidly increased since the previous year. Of these, mental health, family environment and neglect concerns have significantly increased, and we expect more as parents/carers become less able to feed, clothe and keep children warm as the financial landscape keeps changing.

Currently, 1 in 3 young people in Burnley already live in poverty with their basic needs (heating, clothing, food etc) not met. These are dire circumstances that need to be addressed quickly.

Disability is also strongly connected to poverty. Parents with disabilities often face multiple barriers to work, and additional costs arise for families caring for a disabled child. 36% of children in families where someone is disabled are in poverty, compared to 25% of children in families where no-one is disabled. In addition to this, most of our children are already on a Child in Need plan due to highly complex and significant disabilities.

FINANCIAL REVIEW

Financial position

Attracting grant income (and donations) is a constant challenge, in the current economic environment, wage costs have increased to allow additional activities to be offered to our young people. The charity's total gross income of £46,715 for this financial year has decreased from the prior year of £60,969 and is also reporting a deficit of £13,447 (2023: surplus of £8,324), which is to be transferred to reserves. The trustees will continue to seek ways to finance projects and services for our members and aim to develop a reserve fund sufficient to provide financial security for the charity going forward.

REPORT OF THE TRUSTEES for the Year Ended 31 March 2024

OVERVIEW AND FUTURE PLANS

Expansion of Club Days and Activities:

- The club has expanded its offerings from two days to three days per week, allowing us to better meet the needs of our community.
- New Activities on Mondays: We now provide guitar lessons and arts and crafts sessions, introducing creative skill-building opportunities for our members.
- Sports Sessions: We are trialing a new, targeted approach to sports by focusing on a different sport each term. Currently dodgeball is offered, with plans to arrange a friendly game with a nearby specialist school. After Christmas the focus will shift to basketball, broadening our range of sports experiences for club members.
- Drama Club Expansion: To accommodate more participants, the drama club has been increased from once to twice a week, now running on Tuesdays and Thursdays, allowing a wider range of pupils to attend.

Collaborative Programs and New Opportunities:

- Forest School: In collaboration with NRG, we are offering a Forest School experience, providing outdoor learning and personal development opportunities.
- Rebound Therapy: A group of staff members has recently completed training in rebound therapy. We are planning to launch Saturday morning sessions, open to both club members and the broader community.

Membership and Participation:

- Our club now serves 25 young people across the three days, seven of whom benefit from break-time hours.

This expansion reflects our commitment to providing diverse, inclusive, and accessible activities for our youth community, promoting holistic development through varied programs and partnerships.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
FRIENDS OF RIDGEWOOD COMMUNITY HIGH
SCHOOL**

Independent examiner's report to the trustees of Friends of Ridgewood Community High School

I report to the charity trustees on my examination of the accounts of Friends of Ridgewood Community High School (the Trust) for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

FRIENDS OF RIDGEWOOD COMMUNITY HIGH SCHOOL

NOTES TO THE FINANCIAL STATEMENTS for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable, except for those grants which are for a future specific period, in which case the relevant amount is deferred to that period.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Allocation and apportionment of costs

Support costs are those functions that assist the work of the charity but do not directly relate to charitable activities. Support costs include management fees in the year which support the charity activities.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Sports equipment - 20% on reducing balance
Fixtures and fittings - 20% on reducing balance
Computer equipment - 20% on reducing balance

Tangible fixed assets are stated at cost less depreciation.

Taxation

As a registered charity, the charity is generally exempt from Income tax and Capital Gains Tax.

Value Added Tax is not generally recoverable by the Charity and as such is included in the relevant costs in the Statement of Financial Activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS - continued

1. ACCOUNTING POLICIES - continued

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid deposits.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Impairment of assets

At each reporting date assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared to its carrying amount. If the recoverable amount is lower, the carrying amount of the asset is reduced to its recoverable amount and an impairment loss is recognised immediately in the profit or loss.

If an impairment loss is subsequently reversed, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not to exceed the amount that would have been determined had no impairment loss been recognised for the asset in prior periods. A reversal of an impairment loss is recognised immediately in the profit or loss.
