TYNEMOUTH UNITED FOOTBALL CLUB

Objectives and activities

Summary of the objects of the charity	The promotion of community participation in healthy recreation for the benefit of inhabitants of North Tyneside and surrounding areas, by the provision of the facilities for the playing of football.
Summary of the main activities undertaken for the public benefit in relation to these objects	The club provided facilities to allow over 250 young people from the local community to enjoy football in a well supervised and trained environment. We developed further our links with Norham High School and enhanced further our pitch environment. Support was given to the school to assist with increased fencing of the site. This improved the safety of the playing facilities for all players and supporters
Additional objectives and activities	A great contribution is made by coaches and volunteers. We are grateful for the huge commitment that is made by all within the club, time is given freely for the benefit of others.
Future Plans	.We continue to invest in facilities and equipment and in 24/25 we purchased additional goals for the site and we will continue to improve access as well.
