PHOENIX COMMUNITY CENTRE

TRUSTEES ANNUAL REPORT (continued) **Year Ended 31 December 2022**

OBJECTIVES & ACTIVITIES

The Phoenix Centre is a community partnership, which has developed a new community centre serving the twin towns of Fishguard & Goodwick – and their surrounding rural villages. The new centre was built on the site of Fishguard & Goodwick Sports Club's former clubhouse. The site is equidistant between Fishguard and Goodwick and is centred within the twin town's playing fields at the Phoenix Park. It is located on land reclaimed from what was, prior to 1974, the local rubbish tip.

The driving force behind the project is the local sports clubs' commitment to open up the new building to the wider community use. It is a project unique in Wales; whereby a number of local sports clubs (football, rugby, squash and tennis) have joined forces with cultural groups, disability support groups, Pembrokeshire Youth Service, senior citizens and Pembrokeshire Lifelong Learning.

— Main Aims:

- Improve social cohesion and healthy lifestyles by involving all sections of the community of North Pembrokeshire.
- Encourage good citizenship through volunteering and socially inclusive participation.

— Main Objectives:

- Provide a community centre for Fishguard & Goodwick and the surrounding north Pembrokeshire rural population that is fit for purpose.
- Develop long standing partnerships that facilitate participation in arts, cultural activities, health related exercise, lifelong learning and sport.
- Implement an agreed business plan for the centre that delivers - Financial sustainability, full community involvement and Maximum participation

— Social Outcomes:

- The Phoenix Community Centre, through the provision of facilities for sport, music, community services, dance and cultural activities aims to encourage:
 - Healthy lifestyles
 - Social cohesion, good citizenship and volunteering
 - Social inclusion
 - Community education
 - Youth activities that counter anti-social behaviour

ACHIEVEMENTS & PERFORMANCE

The Centre's financial position has remained stable during the past couple of years, a result of the introduction of new user groups using the facilities, which has generated additional income streams, however the position continued under pressure during 2021 as a result of the economic downturn, which presented challenges for the Charity. However, with all sporting activities restarted post COVID-19 the Charity has managed the risk with minimum financial impact.

The financial position of the Charity is reported within the Financial Statements reported on pages 6 to 13.

LOOKING AHEAD / FUTURE DEVELOPMENTS

The primary focus of the Charity in the forthcoming year will be to continue its charitable activities to deliver its objectives whilst building on the already established relationships with its key User Groups. In addition, the Trustees will continue to identify further funding sources to meet maintenance activities to ensure the integrity of the building, which has been a continued challenge as a result of a number of defects from the construction.

The Charity will look for opportunities to improve service quality and efficiency while controlling costs and maintaining a standard care of the highest level in order to ensure the Charity's objectives can be met. The Trustees feel the Charity will continue to make progress and implement the strategies and actions necessary to address the challenges faced in the coming years. With the continued support of both its Volunteers and its wider stakeholders, the Trustees believe the Charity has a sound future, with the potential to deliver a significant benefit to the local area of North Pembrokeshire.

The above is subject to continued management of the COVID-19 risk as the UK emerges from various restrictions. The Trustees have adopted a proactive approach to managing this risk, which continues to pose a threat for the Charity in the short-term. The risk is managed in line with Government guidelines appropriate to the size and activities of the Charity. As the risk evolves the Trustees continue to monitor the potential impact on the Charity.

Restricted funds are those donated for use in particular area or for specific purposes, the use of which is restricted to that area or purpose.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Income from donations are recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- Grants received to fund fixed assets are recognised as restricted incoming resources in the year in which the Charity is entitled to the funds. Similarly, other grants to fund revenue expenditure are recognised in the financial year in which the Charity is entitled to those funds. Until such time the grant is recognised as deferred revenue in the balance sheet.

PHOENIX COMMUNITY CENTRE

NOTES TO THE FINANCIAL STATEMENTS (continued) **Year Ended 31 December 2022**

2. Accounting Policies (continued)

Resources expended

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been disclosed under headings that aggregate all costs related to the category.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance Costs

Governance costs include the cost of any legal advice to Trustees on governance or constitutional matters.

Taxation

The Charity is exempt from corporation tax on its activities.

Fixed Assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Tangible fixed assets costing more than £500 are capitalised.

Depreciation is provided against at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows;

Buildings	4% straight line
Fixtures & Fittings	10% Reducing Balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Debtors

Debtors are stated at their gross amounts less any provisions for uncollectible amounts.

Cash at bank and in hand

Cash at bank and in hand comprise cash at bank and on hand and short-term deposits, which can be recalled on demand, usually within twenty-four hours.

PHOENIX COMMUNITY CENTRE

NOTES TO THE FINANCIAL STATEMENTS (continued) **Year Ended 31 December 2022**

2. Accounting Policies (continued)

Liabilities

Liabilities are recognised for amounts to be paid in the future for goods or services received, whether billed by the supplier or not.

Provisions

Provisions are recognised when the Charity has an obligation (legal or constructive) arising from a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Charity expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the Statement of Financial Activities net of any reimbursement. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires the Trustees to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
