The charity is also specifically responsible for maintenance of the church building. The charity is committed to enable as much as people to worship at our churches through worship, practice faith, prayer according to bible, learning about bible, developing their character, responsibilities in society, knowledge in God, trust in God.

An equally important purpose of the charity is to provide charitable donations to individuals in need, both in the UK and abroad.

### **OBJECTIVES & ACTIVITIES:**

United Shalom Pentecostal Church Ltd offers the provision of multi- faceted services to meet its primary aims & purposes. The charity is committed to enabling as many people as possible to worship at our church and to become part of our parish communities.

United Shalom Pentecostal Church Ltd has 5 separate churches from which it operates from, one of the buildings is owned by USPC freehold, which is the church situated in, Wythenshaw, Manchester. The other 4 churches are rented. The location of the churches is Middlesbrough, Bradford, Liverpool, and East Kilbride.

All 5 churches offer services for the community's spiritual full filling during the week, e.g. Evening prayer, Area prayer, weekend worship service, youth activities and developing skills, Conferences, Revival meetings, prayer for the national peace and also Sunday school services, separate meetings for ladies and counselling services.

Our services and worship put faith into practice through prayer and scripture, music and sacrament.

When planning our activities for the year, we have considered the Commission's guidance on public benefit and the supplementary guidance on charities for the advancement of religion. We try to enable ordinary people to live out their faith as part of our parish community through: • Worship and prayer; learning about the Gospel; and developing their knowledge and trust in Jesus. • Provision of pastoral care for people living in the parish. • Missionary and outreach work.

The activities we undertake include Sunday School for the youth, with reading books and other games provided to teenagers incorporating religious learning.

We conduct combined worship once in every three months where all the churches come together and worship.

During the summer holidays usually, we conduct vacation bible school for children aged 6 and above, where kids learn bible stories, songs and several games, but due to the Covid pandemic we were unable to conduct this program during this year.

We have Sunday schools in Manchester, Liverpool, East Kilbride, Bradford and Middlesbrough.

A total of about 100 children attends the Sunday schools. There are about 32 teachers voluntarily working for this ministry. Our academic year is January to November divided in two semesters with an examination at the end of every semester.

We follow same syllabus in all the above said places and exams are held as a centralized. Sunday school helps the children to learn the Bible lessons and encourage them to practice in their daily life.

A Sunday school board consisting of 12 nominated from all the above churches, work together to monitor and develop this ministry. The board members meet at least 3 or 4 times a year and take decisions on the matters for the smooth and effective functioning of this ministry.

One of our principal aims is the provision of Christian ideologies and doctrines via the services and worship programs we provide to the local communities, we put faith into practice through prayer and scripture, music and sacrament.

We do monthly fundraising activities and events, where religious doctrine is given to the visitors by the pastors. The money donated by the church attendees is given to Food Banks in the UK as well as deprived individuals abroad. We have a mission department collecting fund for needy people like orphans, slums, tribes, beggars and humanitarian aid.

### **ACHIEVEMENTS & PERFORMANCE:**

We have managed to provide evening prayers to the church attendees. Even though restrictions were there due to covid pandemic in the beginning of the year we still managed to conduct our youth meetings, youth worships and conference for youth through virtual media. But as the restrictions were removed, we started having all our meetings in the church face to face, which enabled the church members to increase their spiritual happiness. We conducted 15 days fasting prayer in Manchester on October 17<sup>th</sup> to 31<sup>st</sup>. 2021 for the members spiritual growth.

Youth meetings have been conducted once a month during the financial year ended 30<sup>th</sup> September 2021. We have been successful in setting up programs which included singing, storytelling, bible quiz, instrument playing and bible reading.

We have had our volunteers teaching kids every week to play instruments, song learning and preparing them for church worship and solo performances.

We have also trained and give guidance to the kids and teenagers who have attended our weekly sessions to visit cities and towns within the UK to spread the message and purpose of God and encourage people of all ages to visit the Church and seek Christian religious teachings. During the year we have conducted 2 virtual whole night prayers were church leaders and most of the members join virtually and prayed for the nations.

We have also had a successful youth anniversary in 2021 attended by youth from all our churches. Various choreographed songs and other programs were held at the meeting with the religious Christian undertones. It was a great success in the provision of Christian teaching with entertainment. Gifts were handed out to the various winners in each category of entertainment. Certificates were handed out to all participants in the event.

This year we have been successful in welcoming more families and individuals to our church, as well as our regular services, we enable our community to celebrate and thank God at the milestones of the journey through life. Through baptism we thank God for the gift of life, in marriage public vows are exchanged with God's blessing and through funeral services friends and family express their grief and give thanks for the life which is now complete in this world and to commend the person into God's keeping.

We had an opportunity to raise fund to help missionaries in India. Also, church members generously contributed for family who lost their loved ones and also the following being done regularly as part of the charity work.

- : - Food Bank Stall - operating on every Sunday 9.30 am to 2.00 pm
- : - Hot meal supply to homeless twice monthly
- : - Charity work in India 10 weeks yearly
- : - Charity car wash
- : - Charity Street cleaning – picking the rubbish from the street and dispose in the bins.
- : - Christmas carol service and food for the needy.
- : - Collecting used clean cloth for the charity

During the year 2021, pastoral care was provided to elderly citizens and the sick, essentially those who were not able to attend the church, church ministers and pastors contacted them virtually, prayed for them and given them the support they needed.

Also, there was Christmas Card distribution by the youth around the street nearby the church, street ministries by the youth with the support of the churches, family get-together, sports day, and barbeque events.

### **FINANCIAL REVIEW:**

During the year 2021, the amount of money received by the churches within the legal charity entity United Shalom Pentecostal Church Ltd, was £79,961.86 of these unrestricted voluntary donations received were £79,961.86, and no money was reclaimed from Gift Aid.

Total income has increased from the previous year by 38.01%, which is principally due to the gradual removal of Covid Pandemic Restrictions which affected the previous financial year 2020.

Vast majority of direct transfer of donations from individuals, hence next to nothing cash donations made by individuals.

Total expenditure totaled £64,620.64 a increase by 53.57% from the previous year, this is primarily due to an increase in festival activities and funeral services conducted as well as gifts donated to church attendees.

This surplus of income will be added to surplus reserves brought forward.

Interest and finance charges relating to the mortgage on the only church building owed by the charity, was approx. 4.4% of the total expenditure.

Food and other gifts donated amounted to 21.06% of total expenditure.

Pastors and Guest Speaker Fees amounted to 20.8% of total expenditure.

Rest of the charity expenses for the year incorporating professional fees such as accountant's fees, travel & subsistence costs, as well as premises costs such as light & heat etc.

It a policy of the charity to maintain a balance per church on unrestricted funds equating to at least 4 months unrestricted payments and overheads per church. The reserves per church are held to assist with cash flow and meet its present obligations easily.

The total surplus of reserves which are unrestricted are expected to increase in the Year 2022, these funds it is anticipated will be used for more charitable trips abroad and may also facilitate the purchase of a building on freehold or additional churches on leasehold within the Northern cities or towns within the UK.

**Notes to the Financial Statements**  
**For The Year Ended 30 September 2021**

**1. Accounting Policies**

**1.1. Basis of Preparation of Financial Statements**

The financial statements are prepared under the historical cost convention and in accordance with the FRS 102 Section 1A Small Entities - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

**1.2. Turnover**

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

**Sale of goods**

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

**Rendering of services**

Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs. Turnover is only recognised to the extent of recoverable expenses when the outcome of a contract cannot be estimated reliably.

**1.3. Tangible Fixed Assets and Depreciation**

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold	No Depreciation Applied
Fixtures & Fittings	15% Reducing Balance Method

**1.4. Taxation**

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable surplus for the year. Taxable surplus differs from surplus as reported in the statement of comprehensive income because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on timing differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable surplus. Deferred tax liabilities are generally recognised for all taxable timing differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable surplus will be available against which those deductible timing differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable surplus will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Deferred tax liabilities are presented within provisions for liabilities and deferred tax assets within debtors. The measurement of deferred tax liabilities and assets reflect the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current or deferred tax for the year is recognised in surplus or deficit, except when they related to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax is also recognised in other comprehensive income or directly in equity respectively.

**2. Average Number of Employees**
