OBJECTIVES & ACTIVITIES:

United Shalom Pentecostal Church Ltd offers the provision of multi-faceted services to meet its primary aims & purposes. The charity is committed to enabling as many people as possible to worship at our church and to become part of our parish communities.

United Shalom Pentecostal Church Ltd has 5 separate churches from which it operates from, one of the buildings is owned by USPC freehold, which is the church situated in, Wythenshaw, Manchester. The other 4 churches are rented. The location of the churches is Middlesbrough, Bradford, Liverpool and East Kilbride.

All 5 churches offer services for the community's spiritual full filling during the week, e.g. Evening prayer, Night Prayer, Area prayer, weekend worship service, Tract distribution, youth activities and developing skills, Conferences, Revival meetings, prayer for the national peace and also Sunday school services, separate meetings for ladies and counselling services.

Our services and worship put faith into practice through prayer and scripture, music and sacrament.

When planning our activities for the year, we have considered the Commission's guidance on public benefit and the supplementary guidance on charities for the advancement of religion. We try to enable ordinary people to live out their faith as part of our parish community through: • Worship and prayer; learning about the Gospel; and developing their knowledge and trust in Jesus. • Provision of pastoral care for people living in the parish. • Missionary and outreach work.

The activities we undertake include Sunday school for the youth, with reading books and other games provided to teenagers incorporating religious learning.

We conduct combined worship once in every three months where all the churches come together and worship.

During the summer holidays usually we conduct vacation bible school for children aged 6 and above, where kids learn bible stories, songs and several games.

We have Sunday school's in Manchester, Liverpool, East Kilbride, Bradford and Middlesbrough.

A total of about 100 children attend the Sunday schools. There are about 35 teachers voluntarily working for this ministry. Our academic year is January to November divided in two semesters with an examination at the end of every semester.

We follow same syllabus in all the above said places and exams are held as a centralized. Sunday school helps the children to learn the Bible lessons and encourage them to practice in their daily life.

A Sunday school board consisting of 12 nominated from all the above churches, work together to monitor and develop this ministry. The board members meet at least 3 or 4 times a year and take decisions on the matters for the smooth and effective functioning of this ministry.

One of our principal aims is the provision of Christian ideologies and doctrines via the services and worship programs we provide to the local communities, we put faith into practice through prayer and scripture, music and sacrament.

We do monthly fundraising activities and events, where religious doctrine is given to the visitors by the pastors. The money donated by the church attendees is given to Food Banks in the UK as well as deprived individuals abroad. We have a mission department collecting fund for needy people like orphans, slums, tribes, beggars and humanitarian aid.

Of this amount of turnover-the sum of £42,764.55 was reclaimed from HMRC via Gift Aid Reclaim.

Total income has increased from the previous year by 81.57%, which is principally due to the increase in church members.

Most of the direct transfer of donations from individuals, hence next to nothing cash donations made by individuals.

Total expenditure totaled £171,617.62, an increase of 36.77% from the previous year; this expenditure increase is due a significant increase in guest pastor fees and festival activities undertaken, as well as PAYE Wages which totaled £20,426.00, the first financial year in which PAYE was operated.

Interest and finance charges relating to the mortgage on the only church building owed by the charity, was approx. 1.67% of the total expenditure.

Pastors and Guest Speaker Fees amounted to 22.08% of total expenditure.

UNITED SHALOM PENTECOSTAL CHURCH LTD
Notes to the Financial Statements
For The Year Ended 30 September 2024

1. General Information

UNITED SHALOM PENTECOSTAL CHURCH LTD is a private company, limited by guarantee, incorporated in England & Wales, registered number 08201612. The registered office is FLOATSHALL ROAD, BAGULEY, MANCHESTER, M23 1JB.

2. Accounting Policies

2.1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 section 1A Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

2.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

Sale of goods

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

Rendering of services

Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs. Turnover is only recognised to the extent of recoverable expenses when the outcome of a contract cannot be estimated reliably.

2.3. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold	No Depreciation Applied
Fixtures & Fittings	15% Reducing Balance Method

2.4. Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable surplus for the year. Taxable surplus differs from surplus as reported in the statement of comprehensive income because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on timing differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable surplus. Deferred tax liabilities are generally recognised for all taxable timing differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable surplus will be available against which those deductible timing differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable surplus will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Deferred tax liabilities are presented within provisions for liabilities and deferred tax assets within debtors. The measurement of deferred tax liabilities and assets reflect the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax are recognised in surplus or deficit for the year, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case current and deferred tax are recognised in other comprehensive income or directly in equity respectively.
