

WHO WE ARE

Lifeline Help is a non-profit organization charity founded to help those in need. we aim to invest in real, effective solutions. We work year-round to establish healthcare, education, and livelihood programs that pave the way for empowered self-serving communities. We have focused on supplying impoverished areas with medical equipment and supplies. Most recently, we have worked in Libya. We now aim to support remote district general hospitals and tertiary hospitals across Libya. We have continuously funded reparations of medical machinery and equipment and supplied emergency medications and anesthetic drugs. We also provide food, medical aid, and disaster relief during emergencies.

Maintenance Of Tripoli Medical Centre

we repaired the central air condition which is essential for the operating theatres to allow surgeries to resume and repaired laboratory machines by sending the spare parts needed.

ORPHAN SPONSORSHIP

Lifeline Help's Orphan Sponsorship Program provides financial aid to orphans in three cities in Libya. Our goal for the year was to increase our sponsorship capacity to be able to provide more children with financial support to better their lives. We achieved this, by increasing the number of sponsored children to three hundred. We provide monthly or annual financial support to the orphan's mother or guardian to meet the basic needs of the child including food, shelter, clothing, healthcare, and educational materials.
