FOREST CHURCHES EMERGENCY NIGHT SHELTER (FCENS) LTD

REPORT OF THE DIRECTORS

FOR THE YEAR ENDED 31 MARCH 2021

The Directors have pleasure in submitting the Report and Accounts for the year.

Objects of the charity

The Trust seeks to demonstrate the Christian faith in action by relieving poverty among homeless persons and rough sleepers living in Waltham Forest who are in conditions of need, hardship and distress by reason of their social and economic circumstances, in particular but not exclusively by deploying human and material resources to provide appropriate relief to such persons.

Governance

The charity is a Company limited by guarantee. The policy and operating decisions of the charity rest with the Trustees who meet regularly to monitor the activities of the Company. This includes recruitment of new trustees, who must be practising Christians. At any one time there must be a minimum of four trustees and no more than seven.

The Trustees form the management group for the Night Shelter. Participating Churches appoint volunteer coordinators who meet with the Trustees to help organise the running of the Night Shelter.

The participating Churches appoint volunteer coordinators who meet with the Trustees to organise the running of the Night Shelter.

The Trustees recruit paid staff to support the work of the Night Shelter. This year these included one full-time Caseworker on permanent contract, one full-time caseworker on a fixed term contract, two Overnight project workers on part-time, fixed term contracts and one assistant caseworker on part-time fixed-term contract.

Review of Activities

In planning the activities the Directors have had regard to the guidance on public benefit last updated by the Charity Commission in September 2014.

FCENS provides emergency accommodation to rough sleepers and homeless persons in Waltham Forest during the winter. In the Winter of 2020/21 due to the Covid-19 pandemic we provided this through a partnership with the Cranbrook Hotel, Ilford. We worked in collaboration with local churches to provide three meals a day for the guests during their stay in the shelter. In addition we offer ongoing casework support for every guest helping them with a move on plan to find more permanent accommodation as well as assisting them with any support needs such as mental health, substance dependency, immigration status and pastoral support.

FCENS helps to bring about a transformation in the lives of those we encounter, seeking to work with local agencies and the local authority to improve the plight of those who are homeless or sleeping rough. The shelter opens for five months from 1 November to 31 March each year.

Outcomes

We opened in November 2020 until March 2021 and we took over one of the annexes of the Hotel which, as a self-contained building, meant we were able to provide 15 hotel rooms with en-suite facilities for guests as well as provide a space for meeting and for our staff to work from.

Throughout the Shelter period we had 55 referrals from various organisations. These included Waltham Forest Council, Chingford Probation, NELFT Mental Health, CRISIS, Single Homeless Project (SHP), the triage hub in Hackney, The Metropolitan Police and a few self-referrals. Of the 55 referrals, 49 were men and 6 women who stayed at the Shelter.

Thanks to the hard work of our Caseworkers we managed to House 30 of our guests who were referred to us. 15 guests went into Private accommodation, 11 guests went to Hostels -YMCA, Leabridge Hostel and other Hostels. 3 guests are currently in Temporary Accommodation under Waltham Forest Council and 1 individual was re-united with his parents. Of the remaining referrals a number failed to turn up, a few were asked to leave due to non-compliance of rules, 3 left of their own accord and 2 refused the offer of help.

Whilst the season officially ended on 31st March, thanks to some funding by Housing Justice, we provided a further 4 weeks' accommodation for 6 guests in order to finalise their move-on plans their accommodation and we are also working with 3 who have no recourse to public funds

Safeguarding

Along with all the other organisations that serve in the community, the Trustees recognised the absolute necessity of ensuring the protection and safety of all those the charity serves. All of our key personnel who are in close contact with our vulnerable clientele have to obtain clearance from the Disclosure and Barring Service.

Funding and Support

FCENS was able to raise funds for its operation from a number of Trusts and Foundations, including:

£62,288 from National Lottery Community Fund

£20,000 from Postcode Neighbourhood Trust

£12,100 from London Borough of Waltham Forest

£10,799 from the Parish of St Mary, Wanstead

£10,000 from London-over-the border fund.

We thank them and all our funders for their support.

We would also like to thank the local churches, volunteers and all who have supported FCENS during the past year

Volunteers

Whilst this year we had to operate very differently, we were also able to utilise volunteers to provide hot meals and breakfast for every guest.

Financial Review

A summary of the year's results can be found on page 6 of this report and accounts. During 2020/2021 the total incoming resources amounted to £146,910 (2019/20 £84,417). All was received by way of donations and grants. Resources expended totalled £141,902 (2019/20 £64,990) being mostly being expenditure on serving our homeless guests. Expenditure on governance totalled £723 (2019/20 £194).

A major new item of expenditure for 2020-21 was £58,645 spent on hotel accommodation arising from our partnership with Cranbrook hotel. Staff costs also increased substantially from £51,346 in 2019/20 to £69,994 in 2020/21. This was an increase of £18,648 or 36%. This was due to the employment of an additional caseworker to increase our efforts to find lasting solutions for our guests and to provide day-time support at the hotel. These additional costs were a result of the Covid-19 pandemic causing a change in the way we help our clientele. They were funded from a greatly increased level of grants, notable £62,288 from National Lottery Community Fund.

Reserves Policy

The Board of Directors have established a policy whereby free reserves held by the charity should be maintained at a level of at least £2,000.

Risk Statement

The Directors have reviewed the risks to which a small charity operating with few employees is exposed. Appropriate procedures are in place to identify, monitor and review these risks on a regular basis.

Directors' Responsibilities

Charity law requires us as Directors to prepare financial statements for each accounting year which give a true and fair view of the state of the charity and of its income and expenditure for the year. We are required to:

1. Select suitable accounting policies and apply them consistently.
2. Make judgements and estimates that are reasonable and prudent.
3. State whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.

10 Donated Facilities and services

The charity makes considerable use of volunteers who devote their time for nothing and also provide food for guests. It is not considered feasible to place a monetary value on this and therefore it is not included in the accounts.

11 Going Concern

For the last 3 years the Charity has generated sufficient income each year to cover its annual expenditure. It holds reserves sufficient to cover over 6 months' expenditure and over 90% of its reserves are in the form of cash.

In 2020/21 Covid restrictions required the charity to provide Covid secure accommodation for its guests. The additional costs were met from grants secured from the National Lottery, Postcode Neighbourhood Trust and LB Waltham Forest. In 2021/22 similar funding levels have been obtained. The charity therefore remains financially viable.

There are no material uncertainties about the charity's ability to continue. The trustees therefore consider the charity is a going concern and the accounts have been prepared on that basis.

12 Members

Each member of the company commits to contribute if the charity is wound up an amount of £10.
