The Mytchett Ministries
Trading as The Charity Aid Store

Report of the Trustees
for the Year Ended 30 June 2025

The trustees, two of whom are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 June 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Mytchett Ministries is a registered charity whose objects are the relief of poverty in the local area. The charity operates a shop which provides furniture and other goods to those in need.

Significant activities

Trading at the store has been lower than previous years. Predominantly due to the decline in footfall in The Square as shoppers move to buying online. Furniture sales account for the bulk of the revenue (75 - 80%). With the closure of the large British Heart Foundation shop early in 2025 (as part of the London Road development) we are the only charity in Camberley selling furniture.

The 2 joint managers are incentivised to achieve weekly sales in excess of £2,000 which was achieved a few times in the financial year. It was decided at the start of the calendar year 2025 to close the store on Mondays. One manager works Tuesdays, Wednesdays, Fridays and Saturdays - the other Wednesdays, Thursdays, Fridays and Saturdays. This allows for the managers to take holiday and provides for limited sickness cover. A part time assistant works ad hoc hours at minimum wage.

The warehouse used by the store to hold excess goods (primarily furniture) was handed back to Surrey Heath Borough Council in early 2025 as part of the redevelopment of London Road. There were substantial costs incurred in clearing the warehouse of unsaleable goods.

Due to the lower income and warehouse clearance costs, it was decided that no monies would be donated to charities in the current period. A reserve of around £6,000 is in place to allow for the potential move of the store to another location.

Outlook

The loss of the warehouse has meant that the amount of furniture that can be stored is limited. There is space in the first floor of the store but with the lift being inoperative (and unrepairable) this limits what can be stored on the first floor.

Selling goods through online channels such as Vinted, E-bay and Facebook marketplace will be explored to provide additional revenue streams. This will require additional management effort due to some of the complexities in selling online.

There is uncertainty on the future of the unit that the store occupies as it is common knowledge that the council wishes to dispose of property that it owns to generate revenue. Whether the sale of the unit goes ahead in the next year and what the new owners will plan to do with the unit are unclear. The lease on the store has a three month break clause (on both sides) with no right to remain.

Public benefit

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's General Guidance on Public Benefit when reviewing the Charity's aims and objectives in planning future activity.

Grantmaking

The profits generated by the shop are donated to local charities to help their work amongst those in need.

Volunteers

The charity's activities are facilitated by 1 volunteer as part time member of staff in the shop.

**Independent Examiner's Report to the Trustees of
The Mytchett Ministries**

Independent examiner's report to the trustees of The Mytchett Ministries ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 June 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

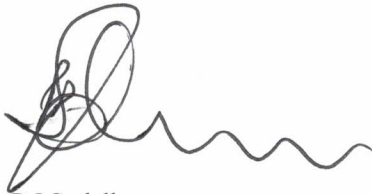

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
for the Year Ended 30 June 2025

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Stock

The charity has stocks of goods for resale at its shop which have all been donated. Consequently there is no value for this stock shown in the accounts as its cost to the charity is nil.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provision are normally recognised at their settlement amount after allowing for any trade discounts due.
