Report of the Trustees **for the Year Ended 31 December 2020**

The trustees present their report with the financial statements of the charity for the year ended 31 December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objects of the charity

The charity's objectives are to advance the Christian faith in accordance with the doctrines believed and promoted by the church. George Road Community Church exists to love God and reach lost people, enabling all to become fully devoted followers of Christ.

Activities for achieving objectives

The church is committed to seeking to help all believers grow in maturity through weekend services and mid week small groups and to be involved in other areas of ministry. This involves the whole church in the mission of reaching out to other people in the community through its various activities to enable everyone to become part of the Christian Community.

The church achieves this through:

- Worship and prayer
- Evangelism and mission, locally, regionally, nationally and internationally.
- Expressing God's love to the community through the mission of the church
- Nurture and growth of Christian disciples
- Training and equipping the congregation for Christian service
- Giving pastoral care
- Supporting charitable social action at home and abroad
- Relating in support and fellowship to Baptists and other Christians
- Raising finance to further the objectives by receiving grants, donations and loans.

Full details of the various activities can be found in the 'George Road Community Church Annual Reports 2021' pack that includes reports for all activities of the church.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Covid-19 has had a considerable impact on the activities of the charity due to restrictions imposed around social distancing and church gatherings in general. Therefore the activities outlined below are considered to be the charitable activities pre and post Covid. Once restrictions have been lifted, the normal activities as detailed below will be resumed.

Worship and Prayer

The main worship service on a Sunday morning has a congregation of about 40 - 50. Worship and prayer is also part of the small Community Groups that meet throughout the week. There is a specific group that meets for intercession for important areas of church life. Worship and prayer are the very foundation stones that church life is built upon.

Due to Covid-19, during 2020 we've held prayer & pastoral meetings 6 days a week on skype. The weekly service has been held on Youtube.

Expressing God's love to the Community through the mission of the church

The church community hall is used for a Wednesday 'Coffee Morning' which is well attended by the local community who are NOT church members.

The same hall is made available for use by local people for parties for children and as an Electoral Polling Station when required.

The main church hall is used for Extend exercise classes for the elderly on 2 days of the week.

On Mondays the church hall is used to hold meetings for the elderly who are unlikely to leave their homes at night, the group is called 'Come Together'.

The church also meets the needs of some in the local community who are facing immediate financial hardship by providing food and money and sometimes by supplying household items through a Care Fund, to which church members contribute.

The church is involved in conducting weddings on the premises, and funerals are held in the church as well.

Nurture and growth of Christian disciples

Where necessary, pastoral care and support has been provided by a specific Pastoral Team whose role it is to visit and pray for those in need.

Training and equipping the congregation for Christian service

Training is given to all children together with those working with vulnerable adults to ensure a high quality of provision and supervision.

Baptismal and Membership classes are held during the year for those who wish to join the church and Sunday morning meetings provide opportunities for further instruction on Christian living and discipleship.

Giving pastoral care

As mentioned above the church has its own Pastoral Team who pray for and visit the sick and needy in the church.

The church also has its own 'Care Fund' used to distribute food to the needy within the local community. Financial aid is sometimes given but this generally takes the form of 'Energy tokens/card vouchers'.

Supporting charitable action both at home and abroad

The church 'tithes' on its income, from which those that are known to be in some sort of need, be it local, national or internationally, financial help can be given. If a particular need becomes apparent to the church then a special offering is made to meet the need. The 'Care Fund' provides care to those in need in the community as outlined above.

Relating in support and fellowship to Baptists and other Christians

The church has strong links with the Heart of England Baptist Association which is the regional part of the Baptist Union. Some in the church attend day and weekend conferences locally. The church is also associated with The NET which is a local grouping of 50 churches across the four Black Country Boroughs - where resources are shared, and collaboration between churches is encouraged. The leaders of the church also meet once a month with other church leaders across Sandwell for fellowship and prayer.

Raising finance to further the Purpose by receiving grants donations and loans

All committed members of the church are encouraged to pay a tenth of their income to the church to be able to carry out the purpose of the Church.

Main achievements during year

Full details of the main achievements of the charity during the year can be found in the 'George Road Community Church Reports 2021' pack. This is available on request.

Decision making

The head of George Road Community Church is Jesus Christ. As a church we aim to reflect His priorities in all we do and how we do it. No decision is ever made that would knowingly contradict any of Christ's teaching. In addition, through the guidance of the indwelling Holy Spirit, we endeavour to discern God's will for us as a church. Whenever we implement a plan we keep one eye on our effectiveness and the other on the next step God seems to be showing us.

On a human level, two groups of people direct the ministries of George Road Community Church, in addition to the trustees who are involved in each of these three groups. Those bodies are the leadership team and the small community group leaders.

The leadership team are members of the body who provide general watch, care and oversight. They continually evaluate the teaching ministry of the church and review major ministry decisions and strategic initiatives. They use their wisdom, discernment and shepherding gifts to ensure the church remains in a true course biblically, that its members are being appropriately shepherded, that the body is being encouraged through insightful and accurate biblical teaching and that the life of the church is being well managed.

The leadership team care for the spiritual and physical well being of members, regularly pray for the sick, guard the church against harmful influences, confronting those who are contradicting biblical truth or who are continuing in a pattern of sinful behaviour. In doing so they are to keep closing potential entrances for error, so that the truth of Christ will remain credible to both the congregation and community.

The leadership team is made up of members of the church. They also assist in the day to day decisions of the church. Assistance in areas of expertise and gifting may mean that a member of the leadership team is delegated the main responsibility for an area of ministry. Leadership team members are approved by the whole church on the recommendation of the present leadership team.

Small community group leaders are responsible for the pastoral care and discipleship of the members.

In addition, church deacons are responsible for practical areas of the church.

Trustees of the church are accountable to the charity commission for the work the church participates in, and in legal terms carry the ultimate responsibility for the decisions that are made by the church. This responsibility is fulfilled by the involvement of trustees in the different decision making groups outlined above.

Appointment of new trustees

Trustees are appointed from among the Church Members, with the exception of any newly appointed Minister who may not be an existing Church Member, by way of a Church Members' Meeting.

Constitution

The charity is governed by the church constitution adopted 25 July 2012 and acquired charity status on 30 July 2012.

George Road Community Church

Notes to the Financial Statements for the Year Ended 31 December 2020

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The charity adds to the carrying amount of an item of fixed assets the cost of replacing part of such an item when the cost is incurred, if the replacement part is expected to provide incremental future benefits to the charity. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to profit or loss during the period in which they are incurred.

Depreciation is charged so as to allocate the cost of the assets less their residual value over their estimated useful lives.

Depreciation is provided on the following basis:

Freehold property	-	0%	
Fixtures and fittings	-	30%	reducing balance

Depreciation has been provided at 0% on freehold property as in the opinion of the trustees, their lives are long and residual values are such that depreciation is not material.

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Financial Activities.

Only fixed assets costing in excess of £500 are capitalised and valued at historic cost. All other assets are written off directly to the Statement of Financial Activities.

1. ACCOUNTING POLICIES - continued

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objectives of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the Trustees report.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Significant judgements and estimates

Critical accounting judgements and estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial period are addressed below:

Useful economic lives of tangible assets

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.
