**Chalke History Trust**

**(A company limited by guarantee)**

**Annual Report and Consolidated Financial Statements**

**Year Ended 30 November 2024**

## Trustees' Report

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report (including the strategic report for the purposes of Companies Act 2006) together with the financial statements of Chalke History Trust (the company and the group) for the year ended 30 November 2024.

### OBJECTIVES AND ACTIVITIES - MISSION AND PUBLIC BENEFIT

#### Aims

The objects of the Trust are the promotion and advancement of the education of the public by the study of history (and allied subjects) and by the enhancement of the teaching of history in order to foster an appreciation and greater understanding of the subject.

The Trust intends to carry out these objects by:

- funding the Chalke History Festival;
- funding the Chalke History Festival for Schools;
- funding visits to the festival, schools' festival and to other history-related sites and events by schools unable to afford such visits otherwise; and
- making grants to applicants who apply for funding of projects which fulfil the objects of the trust.

#### Public Benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

## ACHIEVEMENTS AND PERFORMANCE

### STRATEGIC REPORT

The following section on Financial Review and Future Developments constitutes the Strategic Report for the purposes of Companies Act 2006.

#### 1. PERFORMANCE FOR THE YEAR

##### a) Fund-raising

During the financial year to 30 November 2024 the Trust received donations of £448,241 up 36.6% on the 2023 financial year. These donations have been provided by charitable foundations and individuals to support the activities of the Chalke History Festival and the Chalke History Festival for Schools as well as the other objects of the Trust.

Notable donations to support the festivals included:

- A donation of £47,000 from the Calleva Foundation, and a prior year donation of £75,000 was paid in advance to support the 2024 festival;
- A donation of £50,000 from Peter Livanos;
- Two donations of £40,000 one for the 2024 festival and one for the 2025 festival from the Blavatnik Family Foundation;
- A donation of £20,000 from the Chilton Foundation;
- A donation of £10,000 from Lady Cobham; and
- A donation of £10,000 from the Andrew and Belinda Scott Trust.

## Trustees' Report

- The trust seeks to raise funds from a range of individuals, foundations and trusts whose grant-making and donation approach aligns with the trust. The Charity is not subject to any regulation.
- The fundraising team is monitored by the Board through regular updates. No fundraising complaints have ever been received.
- In accordance with the safeguarding policy adopted vulnerable people are protected through a series of carefully calibrated management processes.

### b) Grants

In 2024 the Trust was only able to make limited grants from its surplus unrestricted funds in response to third party applications. These grants totalled £6,930 and were made in addition to the larger grants to Chalke History Festivals Limited of £512,450 and to CV Schools History Festival Limited of £16,600. All the grants were made in accordance with the Trust's grant making policy and the requirements of donors to the Trust. Grants made outside the Trust group comprised:

- Grants totalling £4,000 to 8 PhD students to fund tuition and research costs; and;
- Grants totalling £ 2,930 to three schools to support battlefield tours and other history projects

### c) Festivals

The 2024 Chalke History Festival was held in the last week of June. The festival had a varied programme of events and living history displays. The festival achieved a good level of sponsorship income despite the broader economic challenges. Ticket sales were higher than in 2023 but inflation in operating costs resulted in increased costs so a deficit of £60,762 was recorded. The directors of Chalke History Festivals Limited are taking steps to reduce this deficit by increasing ticket prices and seeking more sponsorship revenue.

In 2024 the Chalke History Festival for Schools had a good performance with pupil numbers up overall compared to the prior year. In addition, the second year of operating a SEN day saw a strong increase in the number of special education needs pupils attending.

## 2. FINANCIAL REVIEW

The intention of the trustees is that the principal source of funding for the Trust will be direct donations and third party funding as well as from any surpluses generated by the festivals. From the early years of the festival, the directors of the festival and the trustees deliberately built-up reserves. Although these reserves have been partially utilised to fund operating cost inflation and investment in capabilities of the festival, overall the level of reserves in the Trust remains adequate. The trustees intend to rebuild the reserves of the Trust in future years to enhance the financial resilience of the organisation.

On a consolidated basis, the Trust group had total incoming resources of £1,416,368 (2023 - £1,327,535), comprising of income from donations of £448,246 (2023 - £320,836), income from charitable activities (i.e. the operation of the two festivals) of £966,361 (2023 - £1,005,885) and investment income of £1,761 (2023 - £814). The Trust group's consolidated resources expended totalled £1,585,272 (2023 - £1,307,458) comprising: expenditure on raising funds of £1,556,672 (2023 - £1,276,939) and charitable activities expenditure of £28,600 (2023 - £30,519).

The Trust generated a deficit of £(170,160) (2023 – surplus of £20,077) in the year to give consolidated net funds of £240,440 to carry forward. Restricted funds carried forward were £2,400 and unrestricted funds carried forward were £238,040.

Chalke History Festivals Limited generated revenue including donations of £1,490,791 (2023 - £1,262,691) and generated a loss after tax of £(60,762) (2023 – profit of £567). CV Schools History Festival Limited generated revenue including donations of £88,232 (2023 - £77,219) and generated a loss after tax of £(3,030) (2023 - £(126)).

## Trustees' Report

The Trust had donation and legacy income of £448,241 (2023 - £328,212), investment income of £1,189 (2023 - £814) and, after making grants of £540,298 (2023 - £301,395) and incurring governance costs of £500 (2023 - £500), it recorded a decrease in net funds of £(91,368). At the period end, the Trust had cash of £290,911 and total net assets of £274,141.

As in prior years, a significant proportion of the Trust's cash and funds carried forward at the financial year end in November comprised early donations for the 2025 festivals.

### 3. *PRINCIPAL RISKS AND UNCERTAINTIES*

#### **Risk management**

The Trustees are satisfied that a process exists to assess the major risks to which the Charity is exposed, in particular those related to the operation of the Festivals. The Trustees have delegated responsibility for day to day management to the Boards of Chalke History Festivals Limited and CV Schools History Festival Limited. The risk management procedures will be reviewed in detail again during the 2025 financial year by the Trustees.

#### **Reserves**

The reserves of the Trust comprise a £50,000 long-term reserve held to support its trading subsidiaries and, in addition the trust holds a level of free reserves in unrestricted funds of £2,000. This free reserve has been adopted in line with Charity Commission guidance in order to ensure that there are sufficient funds available to facilitate an orderly winding up of the charity should it become necessary. In addition to these longer-term reserves, the Trust had free cash reserves of £91,702 as at 30 November 2024. Furthermore, Chalke History Festivals Limited had cash of £5,869 and CV Schools History Festival Limited had cash of £Nil at the year end.

### 4. *PLANS FOR FUTURE PERIODS*

The Trust intends to continue to solicit funding and donations for its activities. It plans to support both the Chalke History Festival and Chalke Schools History Festival for the long term and also to continue to make other grants to applicants who seek funding for projects which meet the Trust's grant-making policy.

## Structure, governance and management

#### **Organisational structure**

The Chalke History Trust was incorporated on 28 May 2012 as a company limited by guarantee and is constituted under articles of association dated 28 May 2012. The establishment of the Trust arose from the desire of the founders of the Chalke History Festival to establish a charitable entity that would promote the understanding and enjoyment of history to people of all ages. The Trust was awarded charitable status by the Charity Commission on 2 August 2012. The Trust owns all the share capital of two trading companies: Chalke History Festivals Limited, which operates the Chalke History Festival, and CV Schools History Festival Limited, which operates the Chalke History Festival for Schools.

## Trustees' Report

At the inception of the Trust, four trustees were appointed who had an interest in history, a local connection to the Chalke Valley in South Wiltshire and skills relevant and useful to the Trust. Further trustees were appointed in the period 2016 - 2018 who bring complementary skills to the original trustees. Tony Pastor, Warren Tucker and Shalina Patel were appointed as trustees on 17th November 2023. Chris Culpin resigned as a trustee on 1 July 2024. Further trustees are being sought in the next financial year. Trustees are recruited through the network of contacts of supporters of the festival. Trustees undertake training utilising online training courses.

The trustees are the members of the company and also serve as directors. As a company limited by guarantee, all surplus funds generated by the Trust's activities are retained within the company and, by law, are not capable of being distributed to the members of the company. The trustees meet on a regular basis, as required, to review the past activities of the Trust and agree on the future activities. All trustees give their time freely and no trustee remuneration was paid in the financial period. A limited level of Trustee travel expenses were reimbursed during the year. Trustees are required to disclose all relevant interests and register them with the Chairman and, in accordance with the Trust's policy, withdraw from a decision of the Trustees where a conflict arises.

The Trustees have reviewed the activities of the Trust and its subsidiaries and assessed the risks of the group and are satisfied that systems exist to mitigate those risks where applicable.

Day-to-day management of the Trust's activities is handled by the Chairman, Peter Bell, and Rachel Sykes.

### ***Going concern***

Planning for future festivals remains challenging in light of the inflationary environment and the consequent macro-economic uncertainties, but the directors of Chalke History Festivals Limited and the Trustees are mindful of ensuring that the Trust's and Chalke History Festivals Limited's resources are deployed prudently to ensure the longevity of the important cultural institutions that the Chalke History Festivals have become and to ensure that the objects of the trust are fulfilled.

The trustees have been encouraged by the success of the festivals operated in 2024 and the potential to attract larger audiences and a wider sponsor base in the future.

In view of the support of our donors and the prudent level of financial reserves in the Trust, the trustees are confident that the Trust and the wider group can continue to operate as a going concern.

## Trustees' Report

### Small Company Provisions

This report has been prepared in accordance with the small companies' regime under the Companies Act 2006.

### TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees (who are also the directors of the company for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Completeness of information to auditors

In so far as the trustees are aware:

- there is no relevant audit information of which the charity's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Trustees approved the Trustees' Annual Report, on 6th JUNE 2025

Signed on behalf of the trustees

## **Independent auditors' report**

**for the year ended 30 November 2024**

### **Opinion**

We have audited the financial statements of Chalke History Trust (the 'charity') for the year ended 30 November 2024, which comprise the Consolidated Statement of Financial Activities, the Consolidated and individual Balance Sheets, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, comprising Charities SORP - FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and applicable law (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's and the group's affairs as at 30 November 2024 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

## **Independent auditors' report**

**for the year ended 30 November 2024**

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees Report (incorporating the Strategic Report).

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of Trustees**

As explained more fully in the Statement of Trustees' Responsibilities Statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## Independent auditors' report

for the year ended 30 November 2024

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of our audit planning we obtained an understanding of the legal and regulatory framework that is applicable to the Group. We gained an understanding of the Group and the industry in which the Group operates as part of this assessment to identify the key laws and regulations affecting the Charity. As part of this, we discussed these with the relevant individuals responsible for compliance. The key regulations we identified were Charity legislation, health and safety regulations and compliance with tax legislation. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Companies Act 2006.

We discussed with management how the compliance with these laws and regulations is monitored and discussed policies and procedures in place. We also identified the individuals who have responsibility for ensuring that the Charity complies with laws and regulations and deals with reporting any issues if they arise. As part of our planning procedures, we assessed the risk of any non-compliance with laws and regulations on the Charity's ability to continue trading and the risk of material misstatement to the accounts.

We also evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements. The key incentive identified is to ensure a good financial position to meet budgets and we determined that the principal risks were related to the overstatement of profit, either through overstating revenue, understating expenditure or management bias in accounting estimates.

Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved the following:

- Enquiries of management regarding their knowledge of any non compliance with laws and regulations that could affect the financial statements. As part of these enquiries we also discussed with management whether there have been any known instances of fraud.
- Reviewed filings with the Charity Commission and whether there were any serious incident reports made during the year, of which there were none which had a material impact on the accounts.
- Reviewed legal and professional costs to identify any possible non compliance.
- Reviewed Board minutes.
- Audited the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business.
- Reviewed estimates and judgements made in the accounts for any indication of bias and challenged assumptions used by management in making the estimates.

## Independent auditors' report

for the year ended 30 November 2024

- Audited the risk of fraud in revenue recognition with a focus on completeness of income and treatment of income around the year end.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate omissions, collusion, forgery, misrepresentations, or the override of internal controls. We are also less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with section 151 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the financial statements

for the year ended 30 November 2024

### 1. Accounting policies

#### *Constitution*

The Charity is a company limited by guarantee, incorporated in England and Wales. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the Charity. The registered office is shown in Reference and Administrative details in the trustees' report.

#### *Accounting convention*

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and the Companies Act 2006.

The accounts are prepared on a going concern basis under the historical cost convention and in accordance with applicable accounting standards.

The presentational and functional currency of Chalke History Trust is considered to be pounds sterling because that is the currency of the primary economic environment in which the company operates. The accounts have been rounded to the nearest £.

Chalke History Trust meets the definition of a public benefit entity under FRS 102.

#### *Basis of consolidation*

These financial statements consolidate the results of the charity and its wholly-owned subsidiaries Chalke History Festivals Limited and CV Schools History Festival Limited on a line by line basis.

The registered office of both subsidiaries is Alexandra House, St Johns Street, Salisbury, Wiltshire, SP1 2SB.

The charity has taken advantage of the exemption contained within 408 of the Companies Act 2006 not to present its own Income and Expenditure Account. The net decrease in funds for the individual charity was £91,368.

A subsidiary is an entity controlled by the charity. Control is achieved where the charity has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

Inter-company transactions, balances and unrealised gains on transactions between the charity and its subsidiaries, which are related parties, are eliminated in full.

Intra-group losses are also eliminated but may indicate an impairment that requires recognition in the consolidated financial statements.

Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

## Notes to the financial statements

for the year ended 30 November 2024

### 1. Accounting policies (continued)

#### ***Going concern***

Planning for future festivals remains challenging in light of the inflationary environment and the consequent macro-economic uncertainties, but the directors of Chalke History Festivals Limited and the Trustees are mindful of ensuring that the Trust's and Chalke History Festivals Limited's resources are deployed prudently to ensure the longevity of the important cultural institutions that the Chalke History Festivals have become and to ensure that the objects of the trust are fulfilled.

The trustees have been encouraged by the success of the festivals operated in 2024 and the potential to attract larger audiences and a wider sponsor base in the future.

In view of the support of our donors and the prudent level of financial reserves in the Trust, the trustees are confident that the Trust and the wider group can continue to operate as a going concern.

#### ***Critical accounting judgements and key sources of estimation uncertainty***

There are no key sources of estimation uncertainty or judgements used in the preparation of these accounts.

#### ***Tangible fixed assets and depreciation***

All categories of tangible fixed assets are capitalised at cost. Depreciation of tangible fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives. This has been provided at the following rates:

Equipment	7 years straight line
-----------	-----------------------

#### ***Intangible fixed assets and amortisation***

Intangible assets are stated at cost less accumulated amortisation and accumulated impairment losses.

Amortisation is provided on intangible assets so as to write off the cost less any estimated residual value, over their useful life as follows:

<b>Asset Class</b>	<b>Amortisation method and rate</b>
Website development	4 years straight line

#### ***Investments***

Fixed asset investments represent investments in subsidiary companies and are recorded at cost.

#### ***Governance costs***

Governance costs are those incurred in connection with the strategic management of the charity and compliance with statutory requirements.

#### ***Fund accounting***

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the general objectives of the charity.

Restricted funds are those which must be used in accordance with specific restrictions imposed by the donors or which have been raised by the charity for particular purposes.

## Notes to the financial statements

for the year ended 30 November 2024

### 1. Accounting policies (continued)

#### ***Incoming resources***

All incoming resources becoming available to the charity are recognised in the Statement of Financial Activities (SOFA) when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income relating to the running of the festivals (including ticket sales, sponsorship and advertising, commissions and concessions) is recognised, net of value added tax where applicable, in the period in which the event to which it relates takes place. Any income received in advance, for example from sponsors, is recorded as deferred income to the extent that the service has not yet been delivered.

#### ***Resources expended***

Expenditure is recognised in the SOFA on an accruals basis under headings that aggregate all costs related to that category. Costs that cannot be directly attributed to particular headings are allocated on a reasonable and consistent basis.

Grants payable are payments made to third parties in the furtherance of the charitable objectives. Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specific service or output.

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

#### ***Volunteer and other donated services***

The value of services provided by volunteers is not incorporated into these financial statements.

#### ***Taxation***

Income tax expense represents the sum of the current tax currently payable and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax.

#### ***Operating leases***

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

## Notes to the financial statements

for the year ended 30 November 2024

### 2. Net incoming / (outgoing) resources for the year

for the year ended 30 November 2024

## 6. Net expenditure from trading activities of subsidiaries

Chalke History Trust had two subsidiary companies during the period ended 30 November 2024 details of which are given in note 11. Chalke History Festivals Limited (Company registration number: 08290260) and CV Schools History Festival Limited (Company registration number: 085353326) are material to the group accounts. A summary of their trading results is shown below.

	Year 2024	Year 2023
	£	£
Turnover	1,579,023	1,339,838
Cost of sales	(1,140,261)	(997,483)
Gross profit	438,762	342,355
Administrative expenses	(503,823)	(342,364)
Other operating income	1,953	450
Operating profit /(loss)	(63,108)	441
Interest receivable	572	-
Interest payable	-	-
Profit before taxation	(62,536)	441
Taxation	(1,256)	-
Profit in year	(63,792)	441

## 7. Staff numbers and costs

The average number of staff employed during the year in the Trust group was as follows:

	2024 No.	2023 No.
Management and administration	9	8
Event staff	9	9
	18	17

The aggregate payroll costs of these persons were as follows:

	2024 £	2023 £
Wages and salaries	260,866	215,836
Social security costs	15,396	11,611
Pension costs	6,067	5,171
	282,329	232,618

## Notes to the financial statements

for the year ended 30 November 2024

### 7. Staff numbers and costs (continued)

The Key Management Personnel of the group comprise the Trustees of Chalke History Trust, there were no emoluments paid to the Trustees in their capacity as trustees. No trustee was paid in 2024 (2023 £6,250) in their capacity as a director of Chalke History Festivals Limited, as approved by the Charity Commission.

No employee received remuneration amounting to more than £60,000 in either year.

Four trustees received reimbursed travel and subsistence expenses of £624 (2023 £nil) during the year.

### 8. Taxation

Chalke History Trust is a registered charity and is exempt from taxation on its income and capital gains. The trading subsidiaries pay corporation tax on their trading profits. The consolidated tax charge has been shown below.

Tax charged/(credited) in the income and expenditure account

	2024 £	2023 £
<b>Current taxation</b>		
UK corporation tax	-	-
UK corporation tax (over)/under provision in previous year	1,256	-
<b>Deferred taxation</b>		
Arising from origination and reversal of timing differences	-	-
 Tax expense	 1,256	 -

The tax on profit before tax for the year is higher than the standard rate of corporation tax in the UK (2023 - lower than the standard rate of corporation tax in the UK) of 25% (2023 - 23.01%).

The differences are reconciled below:

	2024 £	2023 £
Net incoming resources before tax	(168,904)	20,077
Corporation tax at standard rate	(42,227)	4,619
Effect of income exempt from taxation	(112,358)	(73,984)
Effect of expense not deductible in determining taxable profit (tax loss)	135,538	69,581
Relief on losses carried forward	-	(216)
Overprovision in prior year	1,256	-
Deferred tax not recognised	19,047	-
 Tax (income)/expense	 1,256	 -

## Notes to the financial statements

for the year ended 30 November 2024

### 20. Movement in funds

The movement in funds, during the year, for the group and Charity were as follows:

	<i>Consolidated</i>	<i>Charity</i>	<i>Consolidated</i>	<i>Charity</i>
	<i>2024</i>	<i>2024</i>	<i>2023</i>	<i>2023</i>
	£	£	£	£
Net movement in funds	(170,160)	(91,368)	20,077	27,132
Fund balances brought forward	410,600	365,509	390,523	338,377
Fund balances carried forward	240,440	274,141	410,600	365,509

The results for the year derive from continuing activities and there are no other gains or losses other than those shown above.

### 21. Related parties

All related party transactions are routinely reviewed to ensure that they are appropriate. This review process is designed to ensure that in each instance the relationship is not material enough to unduly influence either party, that the related party has the necessary skills and expertise to deliver the service.

During the year, restricted donations from Trustees to the Trust were £nil (2023: £nil).

During year the company paid £450 (2023: £nil) to an entity controlled by T Pastor (Trustee) for a promotional film for the website. The balance owed at year end was £nil (2023: £nil).
