Aims and objectives of the MCS

To advance the Islamic faith in the Harehills area for the benefit of the public in particular through the holding of prayer meetings, lectures, the public celebration of religious festivals and the distribution of the Islamic faith in such manner that it enlightens others.

To advance the education of, and to provide facilities in the interests of social welfare for leisure-time occupation with the objective of improving the conditions of life for all residents of Harehills.

To improve awareness of Islam amongst non-Muslims by facilitating school visits and working closely with specific organisations and the local community.

Our objectives are set to reflect our faith and community aims in accordance to the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

Our dual aims remain to provide a facility where Muslims can worship and to provide a community facility for all the inhabitants of Harehills. Our long-term ambition is to build the self-confidence within the Muslims community of Harehills and in their faith, and through our community facilities and activities help make our area a peaceful, vibrant and harmonious community.

Extension of Pakistani Centre

Looking to provide specific space for the local Muslim community during occasions of bereavement. This will also include kitchen, body room and area of condolences. Whilst continuing to work in partnership with Muslim Funeral Leeds to provide a comprehensive service to the local community whether it is a local burial or repatriation abroad.

To build additional sports facilities such as badminton courts, gym and 5 a side football pitch especially for the female members of the local community where currently leisure facilities in the locality are lacking.

Due to the extra demand for evening mosque classes we are looking to facilitate these at the Pakistani centre.

We will also be looking to create additional space which could be hired out to generate extra income.

Future Plans

Our aim is to continue to hold the series of events, and we will be inviting Imams and guest speakers to our Mosque who can share with us their learning and understanding of Islam and the teachings of the Qur'an. We plan to host more events in coming year and to recruit two more trainee or volunteer Imams. With a particular emphasis in delivering the lectures / talks in English for our younger audience.

We intend to maintain our existing range of community activities working in partnership with the community and to further develop our community projects. We continue to place great importance on sharing a good understanding of Islam with our non-Muslim neighbours whilst gaining an understanding of their culture and traditions.

Trustees' Report for the period ended 31 March 2021

Achievements

Religious activities

Our Mosque provides a facility for prayers and worship and for the activities associated with our faith. During the year under review, we offered a range of religious services and activities including:

Prayers: The Mosque is open all day for daily and Friday prayers. During the week we have over 150 people who regularly attend daily prayers, that's five times a day and over 2500 who regularly attend Friday prayers.

Festivals: The Mosque prepares food during Ramadan for those attending our Mosque who wish to break their fast together. Eid is also celebrated at the Mosque. We also celebrate Saints' days and offer services of thanksgiving celebrating the birth of our prophet Muhammad, peace and blessings be upon him, to whom the Qur'an was revealed.

Funeral facilities: The Mosque provides a complete funeral service in line with the teachings of Islam. We relieve the deceased's bereaved relatives of the burden of organising burials, we help and support them to remain at the mosque for the first three days following a bereavement.

Marriage and Nikkah: The Mosque provides Muslim couples with an appropriate location for both their Marriage and Nikkah (Islamic marriage). Over 20 couples were married at the Mosque in the year 2018.

Over 60 Nikkah (Islamic Marriage Ceremonies) have been facilitated by the Mosque since 2018.

Hifz classes: Memorisation of the Qur'an is considered an important element of religious education and training. We continue to provide this facility for the young people in the Mosque. We are pleased this programme which continues to run successfully with over 20 young people regularly attending these classes, to date the mosque has produced 18 Hufaz.

Sports Hall and Rooms: Our community hall and rooms provide a valuable educational and recreational resource to all in our local community. A wide variety of activities are organised and take place from our community centre in partnership with Trinity. Our hall and meeting rooms are available for use by local groups and organisations. This year alone the facilities have been used by groups as varied as the local karate club, Leeds City Council Youth Club. Local charities are encouraged to make use of our meeting rooms. When facilities are not required for community use, they are available for hire on commercial terms. This year alone our facilities have been used throughout and organisations have benefited from the facilities we can offer the local community in partnership with Infinity Leeds. Working in partnership with Junior Sport Hub the organisation offers leisure facilities to the local youngsters which includes 5 a side football, badminton, pool and boxing. The Bilal Centre function hall is available for commercial hire for such events as weddings, birthdays, conferences, charity fundraising, religious events and large scale meetings.

Future Goals - Short Term/ Long Term

Details about the short term and long-term goals of the charity. What the charity what to achieve and their plans & preparation to achieve those short term and long term goals.

We want to make our Mosque an accessible and welcoming venue where all Muslims, or those who wish to know more about our faith, can gather together to learn about their religion and worship. We are also fortunate to have facilities for women who want to pray at the Mosque. The Mosque is open at all times with daily prayers, the Friday prayers being a focus of our activities. Our future ambition is to cater events that share the teachings of Islam and the nature of our faith with non-Muslims. In addition we would want to hold open days throughout the year where we invite congregations from all the other faith groups to visit us and learn more about Islam.

1 Accounting policies

(a) Basis of accounting

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standards for Smaller Entities (effective April 2008) and all other applicable accounting standards, as modified by the Statement of recommended Practice for Accounting and reporting issued by the Charity Commissioners for England and Wales, (revised June 2008) adapted to meet the needs of unincorporated organisations. The accounts have been drawn up in accordance with the provisions of the Charities (Accounts and Reports) Regulations 2008 Acts, and include the result of the charity's operations which are described in the Trustees' Report, all of which are continuing.

Insofar as the statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, (revised June 2008) requires compliance with specific Financial Reporting Standards other than the FRSE

The charity has taken advantage of the exemption in the FRSE from the requirement to produce a cashflow statement.

The particular accounting policies followed are set out below;

Accounting Convention

The financial statements are prepared on a going concern basis under the historical cost convention as modified by the revaluation of freehold land and buildings.

The charity is entirely dependent on continuing donations and as a consequence the going concern basis is also dependent on the continuing donations.

Incoming Resources

Incoming resources are accounted for on a receivable basis.

Recognition of Liabilities

Liabilities are recognised on the accruals basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the Statement of Recommended Practice for Accounting and Reporting (revised June 2008), issued by the Charity commissioners for England & Wales.

Notes to the Accounts and Reports

Year ended 31 March 2021

(b) Tangible fixed assets and depreciation

All tangible fixed assets are, except freehold land and buildings, are stated at cost less depreciation. Freehold land and buildings are stated at a valuation arrived at by a professionally qualified firm of valuers, who valued the assets on the basis of open market value in current use.

Depreciation has been provided at the following rates in order to write off the assets (less their estimated residual value) over their estimated useful economic lives.

Equipment

10% straight line

Depreciation of freehold buildings has not been provided for as they are consistently kept at a high standard of repair, their economic life is sufficiently long so that accumulated depreciation is not material to these financial statements.

(c) Taxation

As a registered charity, the organisation is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial activities.

(d) Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remains any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable bodies having similar objects to the charity.

(e) Statement that no expenses were paid to trustees or connected persons

No expenses were paid to trustees or persons connected with them.
