THE RURAL NORTHWEST CHARITABLE FOUNDATION

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Basis of preparation of the accounts

The accounts have been prepared under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)(effective October 2019) – (Charities SORP (FRS 102)), and the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

The Rural Northwest Charitable Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Preparation of the accounts on a going concern basis

The trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the charity's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

Income and expenditure

Income and expenditure are included in the statement of financial activities on the accruals basis.

Investments

Investments in quoted shares, traded bonds and similar, and investment property are measured initially at cost and subsequently at fair value.

Critical accounting estimates and areas of judgement

The trustees do not consider that there are any critical accounting estimates or areas of judgement in these accounts.

THE RURAL NORTHWEST CHARITABLE FOUNDATION

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

Basis of preparation of the accounts

The accounts have been prepared under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)(effective October 2019) – (Charities SORP (FRS 102)), and the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

The Rural Northwest Charitable Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Preparation of the accounts on a going concern basis

The trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the charity's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

Income and expenditure

Income and expenditure are included in the statement of financial activities on the accruals basis.

Critical accounting estimates and areas of judgement

The trustees do not consider that there are any critical accounting estimates or areas of judgement in these accounts.
