## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

Debt Advice Foundation is a charitable company limited by guarantee, number 08039416, governed by its Memorandum and Articles of Association dated 20 April 2012. It registered as a charity, number 1148498, with the Charities Commission, on the 9 August 2012.

### **Organisational structure including the appointment and training of trustees**

Debt Advice Foundation is governed by its Trustee Board / Board of Directors which is responsible for setting the strategic direction of the organisation and the policy of the charity. The Trustees carry the ultimate responsibility for the conduct of Debt Advice Foundation and for ensuring that the charity satisfies its legal and contractual obligations. Trustees meet as a minimum twice a year and delegate the day to day operation of the organisation to David Rodger, the Chief Executive Officer. The Trustee Board is independent from management.

The directors of the company are also charity Trustees for the purposes of charity law and under the company's Articles are known as members. Under the requirements of the Memorandum and Articles of Association there shall be at least 3 Trustees at any one time. All future Trustees shall be appointed by a majority vote of the existing Trustees. One third (or the number nearest one third) of the Trustees must retire each year at the conclusion of the AGM. A retiring Trustee may be reappointed. Decisions relating to the charity are determined by a majority of votes of the trustees present at the meeting.

A scheme of delegation sets out what authority has been delegated by the board to committees and executive members of the organisation. The scheme of delegation ensures an appropriate level of delegation from the board so that there is effective and timely input into decision-making. It also ensures that Trustees are able to fulfil their legal and constitutional duties, through levers which enable them to delegate, monitor and if necessary, withdraw the delegated authority.

The training and induction provided for new trustees will depend on their experience. Where necessary, an induction will provide training on charity, legal and financial matters.

### **Risk management**

The Trustees recognise that any major risks to which the charity is exposed need to be reviewed and systems put in place to mitigate those risks, and a risk register has been established and is updated at least annually.

The Trustees have a duty to identify and review the risks to which the charity is exposed and to ensure that appropriate controls are in place to provide reasonable assurance against fraud and error. The Trustees have implemented processes which evaluate the risks associated with the key areas within the operation of the charity. These include regular review of key risks through Trustees meetings and the monitoring of the processes utilised to manage those risks.

## **OBJECTIVES AND ACTIVITIES**

### **Mission**

At the heart of the charity's philosophy is the prevention and resolution of problem debt.

Whilst our primary focus is on helping those that are in need of advice and support today, we strongly believe that engaging with the next generation of credit users to foster a more responsible attitude towards borrowing and saving is key to tackling the burgeoning levels of UK personal debt.

### **Aims, objectives, strategies and activities**

The charity's objects are:

The prevention or relief of poverty for the public benefit and, without prejudice to the generality of the foregoing, this may include:

- the provision of free, impartial and appropriate debt advice to people with unaffordable debt.
- to help people with debt problems to gain access to appropriate solutions that will help them.
- to promote education, for the public benefit, in financial capability and money management so as to reduce the likelihood of debt misuse.
- to undertake or fund research to understand why problem debt happens and its effect on individuals, families and the wider United Kingdom economy and to disseminate useful results.

### **Public benefit**

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

## **ACHIEVEMENT AND PERFORMANCE**

The following represents a review of the accounting period and demonstrates how activities benefited the public. The activities undertaken relate to the charity's stated purposes and objectives.

### **Background**

According to Financial Conduct Authority (FCA) Financial Lives 2024 Survey, 18% of the UK adult population, equating to around 9.5m people, is currently over-indebted. According to the research, unemployed households, low-income households, renters and people from ethnic minority communities are all significantly more likely to fall into the category of being over-indebted.

Over the same period, only 1.7m households contacted a debt advice agency for help with a debt problem, highlighting the challenge faced by the sector to plan for future increases in service demand.

Debt Advice Foundation is a registered national debt advice and education charity (1148498).

The charity is authorised and regulated by the Financial Conduct Authority (692492).

**DEBT ADVICE FOUNDATION  
REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 AUGUST 2024**

---

**Debt Advice & Solutions**

Debt Advice Foundation carries out its debt advice work through its free telephone debt counselling service and through free, downloadable budgeting and creditor negotiation tools that are available on its website ([www.debtadvicefoundation.org](http://www.debtadvicefoundation.org)).

The charity's free telephone helpline is open Monday to Friday, 8am to 6pm.

Debt Advice Foundation holds the Advice Services Alliance Advice Quality Standard (AQS) and is listed by Money and Pensions Service as an accredited, free provider of debt advice on its website.

The charity is a member of AdviceUK, the UK's largest support network for free, independent advice centres and is a registered supporter of the All-Party Parliamentary Group on Debt and Personal Finance.

Debt Advice Foundation's free, impartial telephone advice service is available to anyone worried about debt.

**Education**

The charity's financial education and information work is delivered under the DebtAware name ([www.debtaware.org](http://www.debtaware.org)).

DebtAware is a pioneering financial capability education programme, which seeks to embed the knowledge, understanding and behaviours that will enable children to manage their finances with confidence in the years to come.

The charity currently has over 8,000 children enrolled on the programme from over 100 schools in England.

Debt Advice Foundation is a registered supporter of the All-Party Parliamentary Group on Financial Education for Young People.

**HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT**

**Debt advice & solutions**

With soaring inflation continuing to squeeze household disposable incomes, the charity was tasked with delivering a service that was able to meet the needs of a broad range of service users including those that required debt advice and help with creditor enforcement as well as, increasingly, households that are compromising on basic health and welfare needs due to the cost of living crisis.

The charity's in-house welfare benefits entitlement checking service continued to prove invaluable to households with deficit budgets, whilst the charity's digital advice platform facilitated expanded provision for the digitally confident whilst removing potential barriers to access for hearing-impaired service-users.

During the accounting period, the charity managed 5,395 cases with over £32.7m of unsecured debt, an increase in caseload of 12% on the previous year. 67% of callers presented with a deficit budget, which means they didn't have sufficient income to cover their essential household expenditure.

36% of callers were referred either by Money and Pensions Service or by other partner organisations such as local authorities, consumer advocate websites and charities. 61% of callers found out about the charity's helpline via internet searches with the remaining 3% derived from other sources.

Unsecured loans accounted for 33% of total unsecured debt reported by callers to the charity's helpline with credit cards the next highest average value, accounting for 29% of total debt.

The number one specified cause of financial difficulty in the period was loss of job (31%).

**DEBT ADVICE FOUNDATION  
REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 AUGUST 2024**

---

Over 8% of cases managed by the charity's helpline advisers required a managed debt solution intervention (Administration Order, Debt Relief Order, Bankruptcy, Individual Voluntary Arrangement, Free Debt Management Plan). Of the non-solution enquiries (single issue contacts), disputed liabilities (5%), funding requests (4%) and court judgements (4%) represented the most common caller concerns. Additionally, 3% of cases were entered into Breathing Space and a further 3% of cases had a full welfare benefits entitlement session.

In terms of how people contacted the charity, 88% of service users called our telephone helpline with 12% originating online.

62% of callers to the helpline were identified as vulnerable and 15% had a disability.

In terms of measuring service quality, 100% of callers to the charity's helpline provided feedback that they were satisfied or very satisfied with the service whilst 100% stated they would recommend the charity to others.

### **Education**

The charity provided financial capability education lessons to over 8,000 children from 100 schools, across the North West of England in the period. This included 5 new schools that joined the programme in September.

During the year, the charity worked with a number of partner organisations including Bolton Council, which agreed to fund the delivery of the DebtAware programme to primary schools across the Bolton area.

In terms of measuring success, 94% of schoolchildren interviewed graded the enjoyment of the lessons as very good or excellent, whilst 100% of teachers agreed that the programme was important to their pupils and that they would recommend DebtAware to other schools.

### **Financial performance**

Income derived from charitable activities in the year was £453,858, with an annual expenditure of £519,161, resulting in trading deficit of £65,221.

Post year trading is in line with expectations.

## **FUTURE PERIODS**

### **Debt Advice & Solutions**

Our strong leadership team and sector leading advice system ensures that the charity's telephone helpline is well placed to meet the changing nature of demand for debt advice services as the cost of living crisis continues to impact record numbers of households across the UK.

The charity will continue to work collaboratively with MaPS funded agencies to share insights and best practice within the sector to maximise positive service-user outcomes.

The coming months will also see an expansion of the charity's telephone provision with the recruitment of additional qualified advisers as well as the development of charity's digital tools, significantly bolstering capacity whilst offering service-users greater flexibility and reflecting broader shifts in how consumers seek support.

### **Education**

More than 100 schools and 8,000 schoolchildren are signed up to the Debt Aware financial education programme in the coming year.

With the cost of living crisis continuing to affect record numbers of households across the UK, the DebtAware programme will seek to help children understand how macro-economic factors directly impact their family.

The charity is also looking to build on its successful partnership with Bolton Council, to expand delivery of the Debt Aware programme to more education authorities and reach more children.

**DEBT ADVICE FOUNDATION  
REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 AUGUST 2024**

---

The charity continues to be an active supporter of the All-Party Parliamentary Group on Financial Education for Young People.

**FINANCIAL REVIEW**

**Reserves policy**

The Trustees consider that the charity should hold sufficient reserves in order that it can, from time to time, make payments at short notice to beneficiaries.

**Principal funding sources**

The charity's primary source of funding is from the provision of debt advice. Both the Debt Advice Foundation's grant funding from Money and Pensions Service for the provision of debt advice services and National Lottery funding for its education activities remained relatively unchanged.

**Investment policy and objectives**

The Charity has no long term investments.

**Financial position**

During this year the Charity's incoming resources were £453,858 (2023 - £489,866). Of this £347,877 (2023 - £355,509) related to restricted activities.

The deficit of £65,221 (2023 – deficit £4,311) decreased reserves to £9,606 (2023 - £74,827).

**Funds in deficit**

No funds were in deficit at the balance sheet date. Where restricted funds have been used to meet costs in relation to restricted funds awaiting drawdown, the amounts due back to unrestricted reserves have been shown as interfund creditors at the year end.

**DEBT ADVICE FOUNDATION  
REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 AUGUST 2024**

---

**STATEMENT OF TRUSTEES' FINANCIAL RESPONSIBILITIES**

The trustees (who are also directors of Debt Advice Foundation for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

**DEBT ADVICE FOUNDATION  
INDEPENDENT EXAMINER'S REPORT  
FOR THE YEAR ENDED 31 AUGUST 2024**

---

I report to the charity trustees on my examination of the accounts of the charitable company for the year ended 31 August 2024 which are set out on pages 9 to 20.

**Responsibilities and basis of report**

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

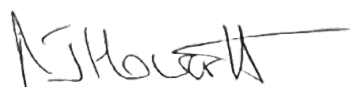

**Independent examiner's statement**

Since the charitable company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

BALANCE SHEET (CONTINUED)  
FOR THE YEAR ENDED 31 AUGUST 2024**

---

For the year ending 31 August 2024 the charitable company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the charitable company to obtain an audit of its financial statements for the year ended 31 August 2024 in accordance with Section 476 of the Companies Act 2006.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

The trustees acknowledge their responsibilities for

(a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and

(b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

The financial statements were approved by the Board of Trustees on 9 July 2025 and were signed on its behalf by:

## **1. ACCOUNTING POLICIES**

### **Basis of preparation of financial statements**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are presented in sterling which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

Debt Advice Foundation meets the definition of a public entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

### **Preparation of the accounts on a going concern basis**

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

### **Income**

All income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

Bank interest is included in the income and expenditure account on receipt.

### **Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donors or which have been raised by the charity for particular purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

### **Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

Charitable expenditure comprises those costs incurred in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements for the charity and include accountant's fees and cost linked to the strategic management of the charity.

## **1. ACCOUNTING POLICIES (CONTINUED)**

### **Taxation**

The Charity is exempt from corporation tax on its charitable activities. Although the Charity is registered for VAT, it is not able to recover all input VAT incurred, and subsequent irrecoverable VAT is expensed to the Statement of Financial Activities.

### **Pensions**

Employees of the charity are entitled to join a defined contribution money purchase scheme. The charity contribution is restricted to the contributions disclosed in note 8.

### **Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Leasehold improvements	20% straight line
Fixtures, fittings and equipment	33% straight line
Computer equipment	33% straight line
Motor Vehicles	25% Straight Line

### **Goodwill**

Goodwill represents the excess of the cost of acquisition of incorporated businesses over the fair value of net assets acquired. It is initially recognised as an asset at cost and is subsequently measured at cost less accumulated amortisation and accumulated impairment losses. Goodwill is considered to have a finite useful life and is amortised on a systematic basis over its expected life.

### **Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments and accrued income comprise payments made in advance relating to the following year and income relating to the current year, which will not be invoiced until after the balance sheet date.

### **Cash at bank and in hand**

Cash at bank and cash in hand are basic financial assets and include cash in hand.

### **Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
