OBJECTIVE, AIMS AND PRINCIPAL ACTIVITIES

The Church was set up, among others, to advance the Christian faith by sharing and demonstrating the Love of God to every person in every way possible and to cover the earth with the Full Gospel of Jesus Christ. The principal activities of the church include:

- 1 . To proclaim the Gospel of the Kingdom of God through regular Sunday meetings, weekly activities, conferences, ministerial training, and seminars.
- 2 . To share and demonstrate God's love by ministering to the needs of people (both members and others).
- 3 . Worship services that are open to the general public—during these services, we encourage personal growth by developing and empowering people through preaching and teaching the Gospel of Jesus Christ and motivating them through seminars and conferences.
- 4 . To develop a strong society by encouraging and building strong family relationships through seminars/conferences and family-friendly activities.
- 5 . To evangelise and tell people about the love of Christ by using the media, tracts, and other educational materials.
- 6 . To build lives by encouraging people to have hope through the full Gospel of Jesus Christ by providing Bibles and other helpful resource materials such as books, CDS and DVDS.
- 7 . To undertake general charitable activities, such as providing aid for the needy.

OBJECTIVE, AIMS, AND PRINCIPAL ACTIVITIES

The Church is committed to enabling as many people as possible to worship at our church and to become part of our community. The trustees and the church council maintain an overview of worship throughout the parish and continually seek ideas for how our services can involve the diverse population and groups who live within our parish and the community. Our services and worship put faith into practice through prayer and scripture, music and sacrament.

When planning our activities for the year, the Board of Trustees has considered the Charity Commission's guidance on public benefit, in particular the specific guidance for charities for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our church community through:

- Worship, pray, learn about the Gospel, and develop their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- Missionary and outreach work.
- Education and training

A summary of the result of the Pentecostal Revival Assemblies of God's activities during the period is given in the Statement of Financial Activities on page 14. The charity's total income amounted to £210,110, including income from regular giving and the Sunday Offering, and the expenditure was £182,988. The income was spent judiciously to achieve the Church's objectives.

FINANCIAL REVIEW

Our principal source of funds comes from the generous donations of committed members through Tithes and Offerings. Overall, we had a good financial year. Total receipts on unrestricted funds were £210,110, of which £182,988 was spent promoting the Christian ministry and charitable activities.

RESERVES POLICY

The Trustees have identified the need for reserves to be held. Developing a reserves policy will assist in strategic planning, such as considering how new projects or future activities will be funded. To ensure sustainability and continuity of funding for future activities, the trustees plan to have unrestricted funds to cover at least three months of unrestricted payments. This policy will be reviewed regularly to meet the charitable needs of the Church.

INVESTMENT POLICY

The Trustees can invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide high security and liquidity and maximise returns whilst adopting a conservative approach.

ACHIEVEMENT AND PERFORMANCE

Worship and Prayer

The church continues to offer various services during the week and throughout the year. The church and the community find these services beneficial and spiritually fulfilling. For instance, Sunday services continue to provide an intimate, reflective environment that is vibrant and lively through the praise and worship, vibrant and reflective music, and preaching and teaching of the word of God. Evening prayer services allow people to communicate with God more personally, using the available technology to reach the members.

Pastoral Care

Pastoral visits were made to as many people as were willing to access this service. Counselling demand again rose this year as more people sought effective pastoral counselling and care. The church also supported members during the pandemic.

Training/Leadership/Education

This year, members of the church and the community who have a passion for winning souls and undertaking specific roles in the ministry went through a series of ministerial and leadership training sessions to equip them for preaching and sharing the Gospel. Most of them were completed online due to the pandemic.

The church continues to provide educational seminars that are open to every member of the community. This year's highlights included Emotional/psychological welfare and well-being, character development, personal development, identifying gifts and talents, maximising your talents, Financial Management, effective parenting, peaceful family life, and conquering worry and living a happy life.

Courses on leadership/ministry and training were offered to those entering the ministry. Two people undertaking such leadership training courses graduated this year and have been sent to China as missionaries of the gospel.
