TRUSTEE'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020

The Trustee present their annual report together with the financial statements of the company for the year 1 January 2020 to 31 December 2020. The Trustee confirm that the Annual Report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) as amended by Update Bulletin 1 (effective 1 January 2019).

Since the company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

OBJECTIVES AND ACTIVITIES

Policies and objectives

The purpose of the charity is to provide equestrian facilities and training for those of all abilities including those who are disadvantaged and/or in need, minority and youth groups and those persons with physical or learning disabilities, for the purposes of recreation, education and social welfare, and promoting community participation in healthy recreation through the provision of equestrian sports.

The trustees have paid due regard to guidance issued by the Charity Commission, including public benefit guidance, in deciding what activities the charity should undertake.

ACHIEVEMENTS AND PERFORMANCE

In 2020 we were on course to have another great year supporting the local community by offering affordable training facilities for schools, pony clubs, equestrian vaulting and local riding clubs but unfortunately in March everything had to be cancelled due to the Covid 19 pandemic. We were fortunate enough to be awarded a charity grant which kept us from closing down completely. In September bookings started to come back but at the end of 2020 we had made a net loss.

FINANCIAL REVIEW

The total fund deficit for the year amounted to £26,478 (2019: £2,454 surplus). Total incoming resources were £132,284 (2019: £234,472). Resources expended were £158,762 (2019: £232,018).

Reserves at 31 December 2020 were £1,106,469, which includes £55,515 cash at bank and in hand.

It is the policy of the charity to maintain reserves at 25% of overheads, approximately £40,000.

The land is leased from Ms S Smith, on a 99 year lease. This lease is voided if the land and the buildings that the charity has erected, are not used for the objects of the charity.

The Centre monitors the major risks to which the charity is exposed, and is satisfied that systems are in place to mitigate exposure to the major risks.

In the coming years, our aim is to introduce new equestrian sports, new equestrian based sport science as well supporting our established groups in line with the objects of the charity.

TRUSTEE'S REPORT (continued)
FOR THE YEAR ENDED 31 DECEMBER 2020

STRUCTURE, GOVERNANCE AND MANAGEMENT

Unicorn Equestrian Centre is a charitable company limited by guarantee, incorporated on 10 January 2012, and registered as a charity on 16 August 2012. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Article of Association. In the event of the company being wound up each member is required to contribute an amount not exceeding £10.

GOING CONCERN

After making appropriate enquiries and taking into consideration COVID-19, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

a. RESERVES POLICY

The Trustees consider that such level of reserves should be maintained in Unrestricted Funds as is necessary to safeguard the continuity of the company's activities and these are reviewed on a regular basis. Unrestricted reserves at 31 December 2020 were £1,099,549 (2019: £1,125,161).

Trustees

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs M J Campbell
Mrs J Holah

Mrs Dimah Roddick

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustee (who are also directors of Unicorn Equestrian Centre for the purposes of company law) is responsible for preparing the Trustee's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustee to prepare financial statements for each financial year. Under company law the Trustee must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE OF UNICORN EQUESTRIAN CENTRE (the 'company')

I report to the charity Trustee on my examination of the accounts of the company for the year ended 31 December 2020.

This report is made solely to the company's Trustee, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the company's Trustee those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's Trustee as a body, for my work or for this report.

RESPONSIBILITIES AND BASIS OF REPORT

As the Trustee of the company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

UNICORN EQUESTRIAN CENTRE
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention in accordance with applicable United Kingdom accounting standards, the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)).

The Unicorn Equestrian Centre meets the definition of a public benefit entity under FRS 102.

1.2 Company status

The company is a company limited by guarantee. The members of the company are the Trustee named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £10 per member of the company.

1.3 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the company is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the company has been notified of the executor's intention to make a distribution. Where legacies have been notified to the company, or the company is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donated services or facilities are recognised when the company has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the company of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the Friends is not recognised and refer to the Trustee's report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

UNICORN EQUESTRIAN CENTRE
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

1. ACCOUNTING POLICIES (continued)

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the company's operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

1.5 Tangible fixed assets and depreciation

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	- 15% Reducing balance
Fixtures and fittings	- 15% Reducing balance
Office equipment	- 15% Reducing balance

1.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

1.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.8 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

1. ACCOUNTING POLICIES (continued)

1.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.10 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
