TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MAY 2022

The trustees present their annual report and financial statements for the year ended 31 May 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

Antenatal Results and Choices (ARC) Ltd is the only national charity which provides information and support to parents throughout antenatal screening and its consequences. Through its training programme for health professionals and work with policy makers, ARC aims to ensure that parents are able to make informed choices and experience the best possible care in what are often distressing circumstances.

ARC Vision

Every woman (and her partner) should have access to independent, non-directive information and support through antenatal testing and its consequences, including bereavement, and be able to make the choices that are personally right for them.

ARC Mission

- To grow to be a truly UK-wide sustainable organisation
- To extend reach to all parents affected by fetal anomalies.
- To extend reach to all healthcare professionals involved in antenatal testing
- To maintain and develop our close collaborative relationship with policy makers and key clinicians in the field of antenatal screening and diagnosis

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MAY 2022

Achievements and performance

Support to parents

In the last year:

- Our helpline team dealt with 6496 contacts seeking non-directive information and specialised support.
- We redeveloped our website and parent facing resources
- We produced a supportive publication for same sex couples
- We provided tailored support to 515 recently bereaved families.
- We maintained our online bereavement support provision for 4600 forum members
- We reinstated face to face bereaved parent support meetings

We were especially pleased to be able to reinstate our face to face facilitated support days for bereaved parents after the COVID pandemic subsided. We held meetings in London, Bristol and Manchester.

- *It's been a lonely journey in lockdown and I've had to grapple with some really difficult feelings on my own, as has (my husband). The ARC forum has been great, but nothing compares to in-person support. I've also found it really helpful to hear so many similarities between mine and others' experiences, even if the circumstances were different. It's nice to know my/our feelings are normal. (London meeting)*
- *Thank you again for the support day on Saturday, I felt like it really gave me the chance to face up to things more and having yourself and the others to talk to was so beneficial. I've even felt more comfortable at work the last couple of days when people have been talking about their children and making comments that I might have otherwise shyed away from. I feel that I would be more confident now to say when I feel uncomfortable instead of just powering through and pretending I'm ok! (Birmingham meeting)*
- *I felt so validated and seen regarding the intense feelings around the process itself and the aftermath, grieving process - it was so very valuable to meet parents/families who just got it and had experienced all of the same emotions and thought processes (Bristol meeting)*

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MAY 2022

Working with health professionals and policy makers to improve care

Professional training and engagement

- We delivered ARC training to 1350 health professionals across all four countries of the UK
- We held our most successful national face to face conference for health care professionals in London
- We were commissioned by Public Health England to deliver bespoke online training workshops to professionals in the Northern region and by Antenatal Screening Wales to provide three sessions to staff.
- We increased our reach with student midwives and sonographers and delivered sessions in 14 different university settings in England, Scotland and Wales

For most of 2021 it was difficult to organize face to face training and much of our provision remained virtual. By 2022 we were at last able to return to in person provision and have held training sessions in London, Swansea, Leeds, Plymouth, Stornoway, Wakefield, Shrewsbury, Canterbury, Carmarthen and Inverness.

Online training remained popular across the year so we continued to deliver workshops for staff and students, along with our free monthly 'ARC case cafés'. We partnered with the Multiple Births Foundation to plan and run a new half day workshop on prenatal screening and multiple pregnancies. ARC was also funded by the Scottish government to hold three webinars on care for parents through prenatal diagnosis and termination for medical reasons (TFMR).

Improving services by working in partnership

Research

As well as continuing as a co-investigator on the EXPRESS and VALENTIA research studies, ARC also commissioned two studies partnering with academics at the University of West London. These will commence in Autumn 2022 and involve piloting a wellbeing intervention for bereaved women and looking at the partner experience of TFMR.

Policy Work

Over 2021/22 ARC was represented on the UK National Screening Committee, its Fetal Maternal and Child Health Expert Group, the NHS Fetal Anomaly Screening Programme Advisory Group, NHS England Clinical Reference Group for Specialised Women's Services and NIPT evaluation groups for NIPT in Scotland and Wales.

Raising awareness

New resource: ARC partnered with the Twins Trust to develop specific online resources for parents facing selective termination.

Media: ARC contributed to the C4 documentary Abortion for Disability; the Hardest Choice. ARC's Director was interviewed by Sky News, the Guardian and the Daily Mail.

Social media: ARC ran a joint national online survey with the charities Tommy's and Petals on parent experience of TFMR. We then shared the findings in autumn 2021 which led to a piece in the Guardian.

Podcasts: ARC became official sponsor and partner of the bi-monthly podcast 'Time to Talk TFMR' and helped organise and run a one-off live event in London.

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) **FOR THE YEAR ENDED 31 MAY 2022**

Financial review

In 2021, ARC received a second donation of £1,000,000 from Uniserve Holdings Ltd. These unprecedented gifts made during FY2020/21 and 2021/22 mean that ARC is in a strong position to achieve its 2021-25 strategic objectives by enhancing core service provision, building staff capacity and capability, improving the digital and helpline infrastructure, and investing in wider organisational and sector developments. The Board decided to amalgamate the proposed allocation of the first gift (from November 2020) with this second donation.

A plan for a three-year programme of activity running through to mid-2026 has been developed to ensure that ARC builds a strong national profile, increases its geographic reach into culturally and socially diverse communities, develops new resources for parents, extends the hours and nature of support services and increases partnerships with professionals and policy makers to improve standards of care. The plan also ensures that a robust infrastructure, alongside the skills and capacity of an expanded professional team, will put ARC in a position to deliver a financially sustainable future.

The development programme will include infrastructure projects such as website and digital functionality and a review of the telephone helpline service. There will also be a focus on research partnerships with key specialists, upgrading of parent resources, joint initiatives and specialist training workshops, and an outreach programme for disadvantaged communities. As a result, ARC has identified a total of £1.7m to be ringfenced for investment in specified 'expansion' projects over the next three years.

The funding for this investment programme has been ringfenced to ensure that ARC achieves its strategic ambitions and builds strong foundations for its ongoing sustainability.

The Trustees have always sought to maintain a sufficient level of reserves to secure ARC's capacity to continue to deliver services and look ahead confidently. Accordingly, it is the policy of the trustees to secure a level of reserves such as to cover

- Six month's operational costs, currently approximately £235,000 to cover charitable expenditure, fundraising, support and governance costs
- Contingency and prospective development projects
- 'sustainability' funds of £200,000 to ensure business as usual operational costs, resilience and succession planning and any unforeseen requirements are covered 2024/25 and beyond.

These unrestricted funds are in addition to:

- Designated reserves of £1,510,228 to cover the three-year development programme noted above.

As part of the development strategy all information and forecasting, including the level of reserves are monitored and reviewed biannually by ARC staff and at quarterly Board meetings, and updated year by year. Reviews take careful account of the risks to which the charity is exposed to ensure that the systems are in place and active to mitigate such risks.

The Trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity is a company limited by guarantee and is governed by its Memorandum and Articles of Association dated 28 May 2012 and is the successor charity to the unincorporated Antenatal Results & Choices, charity no. 299770.

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MAY 2022

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

K L Bennett

E E Cooke Szewczyk

Dr D Tapon

F A Corman

V Steward-Todd

(Resigned 29 September 2021)

J Fry

A Fitzgibbon

(Resigned 29 September 2021)

M Gerbier

(Appointed 16 August 2022)

New Trustees are given an induction to ensure that they are aware of their legal obligations under Charity Law and understand the committee and decision making processes of the charity. During their induction they meet other Trustees and staff members, and are encouraged to attend appropriate external training days when this will facilitate the undertaking of their role.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £10 in the event of a winding up.

Auditor

In accordance with the company's articles, a resolution proposing that Glaziers be reappointed as auditor of the company will be put at a General Meeting.

Disclosure of information to auditor

Each of the trustees has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the auditor is aware of such information.

The Trustees' report was approved by the Board of Trustees.

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 MAY 2022

The trustees, who are also the directors of Antenatal Results & Choices (ARC) Limited for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF ANTENATAL RESULTS & CHOICES (ARC) LIMITED

Opinion

We have audited the financial statements of Antenatal Results & Choices (ARC) Limited (the 'charity') for the year ended 31 May 2022 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 May 2022 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF ANTENATAL RESULTS & CHOICES (ARC) LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 and the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' report; or
- sufficient and proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of Trustees' responsibilities, the trustees, who are also the directors of the charity for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF ANTENATAL RESULTS & CHOICES (ARC) LIMITED

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

1) Enquiries of management concerning the charity's policies and procedures relating to:

- identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance
- detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
- the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations;

2) The company's remuneration policies, and

3) Discussions among the engagement team regarding how and when fraud might occur in the financial statements and any potential indicators of fraud.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory framework that the charity operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act and IFRS as issued by the IASB and adopted by the EU, and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the charity's ability to operate or avoid a material penalty.

As a result of performing the above, we did not identify any key audit matters related to the potential risk of fraud or non-compliance with laws and regulations.

In addition to the above, our procedures to respond to risks identified included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- Enquiring of management concerning actual and potential litigation and claims;
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members, and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

We note that our audit is not primarily designed to detect non-compliance with laws and regulations and the Trustees and other management are responsible for such internal control as the Trustees and other management of the Charity determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to errors or fraud, including compliance with laws and regulations. Additionally, owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF ANTENATAL RESULTS & CHOICES (ARC) LIMITED

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Glazers

10 December 2022

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MAY 2022

1 Accounting policies

Charity information

Antenatal Results & Choices (ARC) Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is 12-15 Crawford Mews, York street, London, W1H 1LX.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

ANTENATAL RESULTS & CHOICES (ARC) LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MAY 2022

1 Accounting policies

(Continued)

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs can not be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

Governance costs include all expenditure not directly related to charitable activity. In respect of certain items of expenditure it is a matter of judgement as to whether such items are direct charitable expenditure or governance costs, and the Trustees have applied what they consider to be reasonable judgement in apportioning such costs.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures, fittings & equipment	33% straight line basis
--------------------------------	-------------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MAY 2022

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
