Structure, governance and management

Governing document

The charity is governed by a Constitution adopted in September 2011 and last revised in August 2012, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006. The Board of Trustees, holds ultimate responsibility for the overall control and strategic direction of the charity. Trustees offer their time voluntarily and receive no remuneration or other financial benefits.

Trustee meetings are held monthly and follow a formal agenda. Decisions are made by simple majority vote. These meetings cover strategic oversight, risk and reserves management, policy direction, inter-organisational relations, and performance monitoring.

Day-to-day operations and administration are delegated to the Executive Committee.

Objectives and activities

The objects of the charity are the promotion of Sikhism and the development of community integration by providing facilities to support its members and others in understanding Sikh philosophies through education and discussions.

The aims of the charity are:

- Organising Diwans and celebrate Gurburbs.
- Maintain the Gurdwara and the Sikh Centre.
- Provide facilities for the learning of the Punjabi language and Sikh Studies
- Maintain a library and other resources and material on the Sikh religion, history, and heritage.
- Promoting interfaith understanding and cooperation with other communities and charities.
- Organise philosophical discussions and promote the Sikh Rehat Maryada.
- Supporting academic research into Sikhism.
- Discouraging practices contrary to Sikh teachings.

The charity carries out its aims through a variety of educational and religious activities including seminars, discussions, training sessions, and daily religious services. A free community kitchen (langar) operates most days of the year. Special religious events, including weekly Diwans, Gurburbs, and Nagar Kirtans, are also conducted.

The trustees confirm they have had regard to the Charity Commission's guidance on public benefit when setting objectives and planning activities.

Trustee induction and Training

Most trustees are well-acquainted with the charity's work. New trustees and volunteers are encouraged to acquire relevant skills to effectively support the charity's objectives. The charity facilitates suitable training opportunities through external voluntary sector training providers. New trustees are supported in familiarising themselves with the charity's operations and the wider context in which it functions.

Risk Management

Trustees conduct an annual review to identify and assess risks facing the charity. They are satisfied that appropriate systems are in place to mitigate these risks. Where necessary, professional advice is sought to ensure robust internal controls and risk management procedures.

The trustees have considered the major financial and other risks faced by the charity and where appropriate have enlisted the help of professional advisors to establish systems and procedures to manage those risks.

Religious Activities

Major religious observances and Gurburbs were celebrated in accordance with religious customs and relevant government guidelines.

Volunteers

The trustees express sincere gratitude to all volunteers and donors whose generous contributions - particularly in the langar and community services - have supported the smooth functioning of both Gurdwaras.

Guru Nanak Society Of London Trust

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 August 2024

Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

Achievements and performance

The charity anticipates continuing with its current activities and enhancing its facilities for both the Sikh and wider local communities. Key future initiatives include:

- **Constitutional Review:** Updating the Trust's Constitution to reflect modern governance best practices, current UK charity law, and broader legal obligations.
- **Digital Donations:** Installation of contactless card reader terminals (Electronic Gollaks) to reduce reliance on cash donations
- **Facilities Maintenance:** Establishing service contracts to support long term maintenance at Tooting Gurdwara following the expiration of contractors' initial guarantee periods

During the year, £83,778 was spent on building enhancements to secure planning permission for a new site. Operational costs remain primarily associated with langar services, utilities (notably affected by rising energy tariffs), and maintenance. All expenditures are carefully reviewed to ensure value for money and service effectiveness. Cost-efficiency measures have been implemented where possible.

The trustees are pleased to report that full planning permission has now been obtained for the development of the charity's new site. This marks a significant milestone in the Trust's long-term vision to expand its facilities and better serve both the Sikh and wider communities. Subject to construction timelines and regulatory processes, it is anticipated that the new site will be operational by autumn 2025. The trustees are committed to ensuring the project is delivered to a high standard, in keeping with the charity's values and community aspirations.

The Site address is as follow,
North Side of poplar Avenue
Southall
UB2 4PN

Financial review

The trustees are pleased to report that the net increase in Unrestricted funds.

Reserves policy

The charity primarily relies on donations and offerings from members. Recognising the inherent volatility of such income, the trustees aim to maintain sufficient reserves to support ongoing operations, meet financial obligations, and invest in capital development where needed. The charity prioritises holding liquid reserves to ensure financial stability.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 August 2024

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The trustees' annual report and the strategic report were approved on 26 June 2025 and signed on behalf of the board of trustees by:

Mr Gogar
Trustee

Mr Chopra
Trustee

Independent Auditor's Report to the Members of Guru Nanak Society Of London Trust

Year ended 30 August 2024

Opinion

We have audited the financial statements of Guru Nanak Society Of London Trust (the 'charity') for the year ended 30 August 2024 which comprise the statement of financial activities (including income and expenditure account), statement of financial position and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 August 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Independent Auditor's Report to the Members of Guru Nanak Society Of London Trust *(continued)*

Year ended 30 August 2024

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Independent Auditor's Report to the Members of Guru Nanak Society Of London Trust *(continued)*

Year ended 30 August 2024

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Independent Auditor's Report to the Members of Guru Nanak Society Of London Trust *(continued)*

Year ended 30 August 2024

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our assessment of the susceptibility of the charity's financial statements to material misstatement, including how fraud might occur, is considered to be low. This conclusion was reached after the consideration of the following:

- Due to the relatively simple business model and low number of transactions within the Charity. There are comparatively few unexpected fluctuations in the reported results and balances and any such unexpected items would be specifically inquired into by us; and
- There are a number of individuals which comprise "management" and therefore there is no single individual who is likely to be able to override controls to effect a fraud.

We designed our audit procedures to respond to identified audit risks, including non-compliance with laws and regulations (irregularities) that are material to the financial statements. Some of the specific procedures performed to detect irregularities, including fraud, are detailed below:

- Obtaining and reviewing for completeness a list of entries and persons considered to be related parties (as defined by Financial Reporting Standard 102) and reviewing the ledgers of the Charity for previously unreported related party transactions;
- Review of transactions and journals for any indication of fraud or management override; and
- Review of trustee meeting minutes for unrecorded transactions

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forger, collusion, omission or misrepresentation.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the Charity's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Independent Auditor's Report to the Members of Guru Nanak Society Of London Trust *(continued)*

Year ended 30 August 2024

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Independent Auditor's Report to the Members of Guru Nanak Society Of London Trust *(continued)*

Year ended 30 August 2024

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 30 August 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 673 Garratt Lane, Wandsworth, London, SW17 0PB, England.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 August 2024

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 August 2024

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	-	1% straight line
Long leasehold property	-	999 years over the remaining life of asset
Fixtures and fittings	-	25% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost. -

Guru Nanak Society Of London Trust

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 August 2024

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
