TRUSTEES REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

Our Christmas services/activities in 2022 consisted of: -

- Christmas Café with 200 visitors
- Carols at Christmas lunch and Prama Memory Lane group
- Carol service
- Christmas Assembly at Hillbourne School
- Christmas Eve Family service
- Midnight Communion
- Christmas Day Holy Communion

As well as our regular services, we enable our community to celebrate and thank God at the milestones of the journey through life. Through baptism we thank God for the gift of life, in marriage public vows are exchanged with God's blessing and through funeral services friends and family express their grief and give thanks for the life which is now complete in this world and to commend the person into God's keeping. We celebrated 6 baptisms and 1 funeral in 2022.

Midweek Worship and Prayer

We recognise the importance of people coming together to pray throughout the week as well as a Sunday, gathering for Holy Communion on Tuesdays and Prayer on Thursdays.

As families and young people often have other claims on their time on a Sunday, we provide additional weekday 'Fresh Expressions' for their worship. Christ Church provides 5 'Fresh Expressions' groups for Families with babies and toddlers, for children and young people of all ages and for older and vulnerable adults.

When the weekday Fresh Expressions are included, the weekly average attendance increased in October 2022 to an average of 117 adults (16 years and older) plus 55 young people.

Over half of the Church Membership is part of weekly hub groups which enable the spiritual growth of the members equipping them to reach out to the people they meet in their daily lives.

The total number of people of all ages with which Christ Church had regular contact as part of its ministry in 2022 was 876 including 472 children and young people. This number is significantly higher than the previous year due to the increased support provided to children under 5 years of age.

The number of families and young children supported by our Children, family and youth team continues to be high due to the lack of face-to-face contact available following the pandemic and the needs resulting from that.

Deanery Synod

Two members of the PCC sit on the Deanery Synod. This provides the PCC with an important link between the parish and the wider structures of the church.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>£86,395 was spent to provide for the Christian Ministry to the parish including a total of £44,715 for the parish share paid to the Diocese. This provides for the stipends, housing and pensions of the clergy. Income exceeded expenditure in our Unrestricted Account (General Funds) by £2,728 leaving a surplus of £7,321 in Unrestricted fund for the year. These funds are 'ear marked' to cover additional running costs in our newly extended building.</p> <p>At the suggestion of Archdeacon Antony MacRow-Wood, part of the funding used for the recent building extension was a £300,000 unsecured loan, repayable over 20 years from the Methodist Chapel Aid (MCA). As at 31/12/22 this has £246,000 capital to be repaid. This loan was approved at the Parochial Church Council (PCC) meetings of 10/01/2019 and 10/10/2019 and supported by the Salisbury Diocese Board of Finance.</p> <p>The PCC is updated at each meeting re the overall building funding situation including the loan. Repayments for the loan are forecast to come from regular giving specifically for the loan by Church members, fundraising events and income from hiring out the additional church spaces.</p>

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF CHRIST CHURCH, CREEKMOOR

I report to the trustees on my examination of the financial statements of Christ Church, Creekmoor (the charity) for the year ended 31 December 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of , which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

Emphasis of matter

I draw your attention to the net deficit on restricted funds totalling £200,806 as at the balance sheet date. The trustees have outlined in the trustees report the circumstances giving rise to the deficit and the steps being taken to raise funds to eliminate the deficit.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Donations receivable for the general purposes of the charity are credited to unrestricted funds. Donations for purposes restricted by the wishes of the donor are taken to Restricted funds.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Funds from activities are accounted for in the period the funds were receivable. The majority of the funds are derived from funds raising activities and hire of the church premises and halls.

1.5 Expenditure

Expenditure is accounted for on an accruals basis.

CHRIST CHURCH, CREEKMOOR

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

CHRIST CHURCH, CREEKMOOR

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

1.9 Fixed assets

Consecrated land and buildings:

Moveable church furnishings

Consecrated and beneficed property is excluded from the accounts by section 10 of the Charities Act 2011.

No value is placed on moveable church furnishings held by the Churchwardens on special trust for the P.C.C. and which require a faculty for disposal since the P.C.C. considers this to be inalienable property. All expenditure incurred during the year on consecrated or benefice buildings and moveable church furnishings, whether maintenance or improvement, is written off as expenditure in the Statement of Financial Activities and separately disclosed.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
